Hi Mr, McAtee,

I am so sorry to hear about the issues you described in the report and we will be sure to discuss with [REDACTED] often. I am curious and a little confused why some parts of your description of the problem are now deleted? I read about the use of the n word/n word pass etc. I am wondering now if I imagined it!

I wanted to make sure with you before talking with [REDACTED] about it.

Thank you for all you do and have a wonderful weekend ahead,
[REDACTED]
