Dear Superintendent/Administrator,

This is a reminder that poster entries for the **2024 Illinois Radon Poster Contest** are due in one week. They need to be delivered to the **American Lung Association** in Illinois by **Friday, March 15th, 2024**. *We will consider late submissions as time permits.*

For the contest this year, a state committee will select three winning posters from throughout Illinois to receive awards. Prizes include:

1st Place: \$200

2nd Place: \$150

3rd Place: \$100

Please pass this information along to any instructors you have previously contacted or that plan to have students participate in the contest. Full Contest details and additional radon information is available on the contest website at: <https://www.lung.org/local-content/il/radon-poster>. A completed **entry form** (attached to the contest instructions) is required for each entry.

Additionally, we will accept submissions from all ages, but only those in the 9 to 14 age group will qualify for consideration for the above prizes.

If you have any additional questions about the contest, please contact me directly.

Thank you,

Evan Foster
