Date: 3/8/2024, 1:01 PM

To: "mcateed@mokena159.org" <mcateed@mokena159.org>

Dear Superintendent/Administrator,

This is a reminder that video entries for the **2024 Illinois High School Radon Video Contest** must be returned to the **American Lung Association** in Illinois by **Friday, March 15th, 2024**. *We will consider late submissions as time permits.*

To increase radon awareness, we are hosting the annual statewide radon video contest. We are calling on Illinois high school students and classes to create a 30 second Public Service Announcement (PSA) or commercial that will increase public awareness of radon gas and encourage people to test their homes. Prizes include:

1st Place: \$600
2nd Place: \$500
3rd Place: \$400
Most Views: \$200

Please pass this information along to any instructors that you have previously contacted or that plan to have students participate in the contest. Full contest rules and all necessary forms are attached to this email and can be found at: <http://www.lung.org/local-content/illinois/our-initiatives/illinois-radon-video-contest.html>. A completed [entry form](#) and [video release form](#) are required for each entry. *Additionally, we will accept submissions from all ages, but only high-school students will qualify for consideration for the above prizes.*

If you have any additional questions or inquiries about this contest, please contact me directly.

Thank you,

Evan Foster
