Background Information

The purpose of these showcases is to celebrate and highlight the happenings in our schools and district. Each week a member of the Leadership Team will highlight an activity, group or individual from our district.

The showcase for tonight's meeting is: Student Opportunities made possible through Flight Path 2030.

Presenters are: Beatrix Lahammer
Alyssa Rice
Sterling Gadient
Aylin Marmol Lopez
Laysha Marmol Lopez

The Flight Path 2030 initiative extends beyond the classroom. In July, nine students attended summer programs at the Milwaukee School of Engineering. This fall, four students participated in the Mark Cuban Foundation AI Bootcamp. A handful of students will speak briefly about what they learned.
