Superintendent Comments
Regular Board Meeting
November 24, 2026
5:00p.m.

1. Transportation Compliance Report
   I will have information on how the bus company is doing on a variety of fronts. Informational only. **No action required.**

2. MSBA Policy Updates
   This is part of our normal series of updates that include minor language changes. **I recommend a motion to approve the policy updates as presented.**

3. Jefferson Building
   I was not able to fully confirm with Kyle Klatt, but it is my understanding that the Port Authority approved the Jefferson sale at their meeting on Nov. 17th. I do not have a closing schedule yet, but that should be coming soon. Hopefully I will have more information by Tuesday. **No Action required.**

4. Resolution to Issue General Obligation Bonds
   I recommend a motion to approve the issuance of General Obligation Bonds related to the recent levy approval. This is the next step in the finance process for the reconfiguration. I met with Ehlers and they feel that the best rate window will happen very early in January of 2027, so they are going to begin the process with the goal of having the bond sale approval coincide with the **school board organizational meeting that will be held on Tuesday, Jan. 5th.**

Note: The school board workshop on Dec. 8, 2026 will have a couple of business items on the agenda. CLA will be presenting the audit, and we will also have our annual Truth in Taxation meeting.
