IV. Action Items

IV.A. Board Policy, Handbooks, and Support Programs

This committee is responsible for annual review of board policies, handbooks, and crisis/safety plans. This committee is also responsible for the support and development of support programs(nursing, food service) in the district.

IV.A.1. Consider, discuss, and take action to approve the board resolution to suspend 2019-20 graduation requirements and curriculum related policies, except for those policies the superintendent and board president jointly determine to remain in effect.

Due to the COVID-19 pandemic and with the shifted student learning from the physical classroom to a distance or remote learning setting, our legal council has recommended the board adoption of this resolution to encompass any and all board policies that may be compromised for the 2019-20 graduates.

Attached below is the board resolution that allows the superintendent and board president to review present student progress and work with high school administrators and guidance counselors to ensure no student is placed at a disadvantage for graduation. The resolution encompasses any and all policies so that the board does not have to act on separate policies affected by the mandated school closure.

The superintendent will provide a report of considerations and recommendations at the May School Board Meeting.

Motion to approve the board resolution to amend graduation policies and practices due to the COVID-19 pandemic school closure. Passed with a motion by Richard Brabec and a second by Mynor Hernandez.

Yea: 6, Nay: 0

IV.B.4. Consider, discuss, and take all necessary action to approve administrative recommendation of 2020-21 Certificated Teacher Contracts.

The Nebraska Continuing contract law automatically renews contracts for all certificated employees (teachers and administrators) on April 15th. All teachers who have not resigned or notified of non-renewal or termination are on the list for renewal. See attached list.
Motion to approve 2020-21 returning teacher contracts as presented. Passed with a motion by and a second by Chuck Misek.
Richard Brabec: Yea, Mynor Hernandez: Yea, Nina Lanuza: Yea, Chuck Misek: Yea, Virginia Semerad: Yea, Brian Vavricek: Yea
Yea: 6, Nay: 0

IV.B.5. Consider, discuss, and take action to approve program director salaries for the 2020-21 school year.

The finance committee met and reviewed program director contracts for 2020-21. In addition to the returning director/coordinators, we are also recommending canceling our contract for the School psychologist and hiring our current school psych to continue working for us under our contract. See attached information.

V. Discussion Items and Reports

V.A. Principals Reports

Preschool and SES 3-5 Principal's Report: Mr. Comley
Program/Staff Member Spotlight: This month I would like to highlight Ingrid Rodriguez. While I was on quarantine, Ingrid went above and beyond and was my contact for the 2 weeks I was out. Ingrid organized many things at SES that happened over those 2 weeks and things ran extremely smooth. She really stepped up and helped SES as not only myself but

Mr. Kovar was also gone. I want to say a big thank you to Ingrid!!!!

SES K-2 Principal's Report: Mr. Kovar
Program/Staff Member Spotlight: I would like to highlight the work of Andra Pracheil, 5th grade teacher at Schuyler Elementary School. My observations of Mrs. Pracheil come from both the view of an administrtor, and a parent. I have always known Andra to be a great teacher who does what is best for her students, but this year, I get to witness it as a parent. Andra has done a great job of communicating with her students and parents during this difficult time. We are well informed, and know that we can go to her, if we have any questions. She has set up zoom's for her students to get to see her, and each other. She has made this whole experience a little easier for Miles, and for that I am very grateful.

Rural Schools Principal's Report: Ms. Bebout
Program Spotlight: Positives highlights that have come out of this hard time.
Cindy Vacha - Expressions of love and appreciation from parents and students. Also parents sending pictures of kids working on their packets and suggested websites with smiles on their faces!
Michelle Shonka - Have had the chance to get to know and spend time with other staff members in our building that I normally don't see much of on a normal school day.
Jennie Stutzman - All my students were on Zoom at one time. I've had students email me all kinds of stories. I had two cards made for me when they picked up packets. Lots of miss yous.
Cathy Luce - Upper grades have given challenges for students to do while completing their work..example..in the dark with a flashlight..standing on their head..etc. We have had some funny examples sent back to teachers showing the students doing these!!
Cindy Vacha - Amy Didier came this morning to get the sanitizer. She was very grateful!!! I referred her to Eliza Bailey who is making masks and she got 12 masks from her for the workers at Didiers. They are on the front lines of this every day.
Guadalupe Ramirez - I was able to facetime some of my students:) Aimee Sigler - Students have requested daily STEM activities because they enjoyed the first ones so much. All our 6-8 student packets were picked up before noon. Students continue to text, email and zoom on a regular basis.
Kirsten Weis (student teacher) - I was able to see and talk to one of my students who lives a few doors down from me yesterday while she and her older brother were playing outside. I kept my social distancing of course. She said that she misses the teachers the most but she likes the activities from the packet. :)
Jenny Hamernik - Zoom meetings with my kids. Kara & Justin's concert field trip (has had over 14,000 views, 95 shares, and 200 comments!!!) Connecting with my students through emails.
Kristi Benck - Many students came with their parents to pick up their Learning Packets just to be able to see teachers and say, Hi!! In doing the Return to Learn document, it was evident that most if not all priority standards had already been taught which means our planning in August and scope/sequences are beneficial and important for guiding instruction.
Deb Gonsior - More social time with coworkers because of no students provided a closeness with coworkers.
Maria Bonilla - Cool con Dual has 20 subscribers now! I had several students and parents tell me that they love our videos. :)

SMS Assistant Principal's Report: Mr. Zavadil
I would like to highlight all of the positive work that our teachers para's and support staff are doing during this troublesome and difficult time.
Our entire Middle School staff has been going above and beyond in this time. Our staff put out the packets and all but 17 students came in to pick up the paper packets during the 1st packet pickup and we expect even better for packet #2. Many of our staff have been going beyond and creating online learning platforms on which students can work and many students are making contact with our teachers regularly. Many of our teachers are hosting Zoom meetings with their R-Time students to stay in touch and others are creating online video's to share with students. The District tech team has been doing a fantastic job of sharing resources with our teachers and they have taken the work to heart. Our staff has been extremely professional and they have been meeting with Mrs. Burton and myself daily via online video meeting platforms and Mrs. Burton and myself have been working closely with Dr. Gibbons to advance our curriculum work during this time. Para-professionals have

been using this time to gain further training through the ESU and through Project Para online. Support
Mrs. Recinos is being recognized nationally for her work with Telemundo Nebraska creating lesson videos and sharing them with Spanish speaking students. Staff in our building have set-up standing online meeting times with our students and have communicated that. Mrs. Hanna, Mrs. Maxwell, Mr. Gutierrez, Ms. Cruz, Mrs. Saalfeld, Mrs. Richards, Mrs. Recinos, Mrs. Wemhoff, Mrs. Nolan, Mr. Baptiste, Mrs. Mally, Mrs. Hall, Mrs. Rocheford, and Mrs. Ladwig have all shared that they are meeting with their students regularly with online meetings and other staff such as Mrs. Novacek have been creating online learning videos and sharing them with students via Google classroom.
Jaime Ramirez has been doing a fantastic job leading the lunch program out of the middle school. They have a well oiled machine churning out meals to our district families every day. Sometimes as many as 2000 meals served.
This has been a difficult time for our staff, but we all working as hard as we can to make sure that when we are allowed to return to work that we will hit the ground running and in a better position than we were before.

SMS Principal's Report: Mrs. Burton
SMS has had quit a bit of transformation over the course of the last month. Thankfully, our staff has responded wonderfully. Here is just a list of some of the good things that have happened in our building since May 17:
*Teachers are holding numerous Zoom and Google Meet opportunities with students. When they are not connecting with a student, they are calling the students in their R-Times to connect.
*Thousands of meals are being served each week by our food service staff under Jamie Ramirez's direction. Members of the SMS Para Team have assisted with parents and students at the 9th Street Entrance. Mrs. Geralyn Shannon has been a consistent fixture, regardless of the opportunity to work from home or school.
*Our SMS Team came together to clean out the lockers and prepare all student items left in classrooms, locker rooms, and lockers for pickup on Tuesday. Mr. Zavadil and Mrs. Kment did an excellent job organizing this!
*There is a new painted mural on our 10th Street Window! Mrs. Marisela Lopez painted it in order to welcome and encourage our families on Packet Pick Up Day!
*Mrs. Recinos and her assistants, Ms. Paloma Arciva and Mrs. Mary Herrera, have been conducting lessons on You Tube for our ELL students. They were even featured through News Channel Nebraska for an international premier on Univision!
*Mrs. Kment started early on scheduling this year. Our R-Time teachers already had scheduling meetings with students and parents. In addition, we have reviewed all course policies for board approval in June and The SMS Course Catalog, as well as prepared all rosters for courses. Special kudos goes to the ELL, Special Education, Science, and Math departments for their work!
*We have increased our meetings to have a higher touch for all staff. Our staff meets daily online together, as well as weekly as teams, School Improvement, and SEA/Admin.
*Our curriculum work has been spectacular! Each department is focusing their efforts on Wednesdays to assist one another with this work. Most of our 6-8 work was completed, but this has given us more time to fine tune efforts.
*Our entire paraprofessional staff is working on increasing their levels of training. Thank you to Mrs. Maxwell for her leadership in this area for our staff!
*The Custodial and Maintenance Team have been outstanding. They have begun painting walls, varnishing woodwork, changing ballasts, as well as assisting staff with various needs as they clean and organize their classrooms.
*Mrs. Lauri Novacek has been sharing out several technology tips for our staff to keep in mind, as well as guidance from Mr. Droge and his team.
*There really isn't enough room to fill ALL that our staff has done to help one another during this time. I fear that I have left out so many things that I have not seen.
Our staff is special, and they have really demonstrated what servant leadership looks like in the good times and the times that call us to grow at a higher level.
Finally, Big thank you Mrs. Angie Wemhoff for sewing masks for each of our cafeteria staff workers and administrators. It was a great boost for the team!

SCHS Assistant Principal's Report: Mr. Kasik
I have been very proud of how our staff has met the sometimes difficult challenges since

March 16th. I apoligize for those who I miss but I wanted to shed some light to those who have really been leaders during this time:
- All the teachers who have been in our school developing really thoughtful packets as well as all the work they have done moving items to get ready for our in-school renovation project.
- Amy Johnson and Katie Bertrand have done a great job working with students. Ms. Johnson's job has been much more difficult trying to get senior scholarships completed.
- Our front staff, Coralie, Alejandra and Florencia have worked very hard on their daily jobs but also getting packets out and greeting everyone with a smile each day.
- Erin Trotter, Casey Harper and Charles Hosier have been doing a lot of work on our landscaping areas to improve the appearance of our buildings.
- Renee Brabec has been extremely helpful with all the activity work while I have needed to spend more time with our teaching staff and our priority plan.
- Mr. Grammer has been very patient with Dr. Lefdal and myself and is doing what he can from home as he stays safe.
- Dr. Lefdal has been a great leader in our school during this time and is willing to help out in any area that is needed.
- Lyn Beebe continues to step up and encourage our staff to do the right things during this time. He leads by example and is not afraid to call out another staff member when they stray from the flock.
- Our Janitorial staff has been very busy and doing great work to make our buildings better.
- Dan Wolken needs to also be mentioned. He was recognized by other coaches and AD's by his nomination for Central Conference Coach of the year for his work with our girls BB program. His positive attitude and encouragement was unmatched by any coach I have witnessed over 31 years in the business and others noticed this as well.

High School Principal's Report: Mr. Grammer
Recognition: During this challenging time so many of our staff members, certified and classified, have stepped up and took on responsibilities above an beyond their classrooms. I am proud of those staff who have served as leaders in our building. I would like to recognize some of these individuals and groups, which are vital programs to the success at the high school.

- First and foremost Mr. Kasik and Dr. Lefdal have been great leaders in our building, throughout this time. Having to do things that we have never had to do before and have done a great job.
- The lunch program allows students who at times struggle to have meals at home, get an opportunity to get meals every day. Our food staff work hard every day to provide healthy meals for our student's.
- Our custodial staff, who continue keeping our schools clean and keeping the school safe for staff to work in.
- Teachers have been positive and willing to assist in doing whatever needs to be done in the building. Whether it is cleaning throughout the building, moving furniture, and landscaping, they do it without question. All the while still providing academic packets for their students.
- Our tech department has been pushed to the limit with the new technical challenges they are facing. The only way to keep meeting and still be safe is through the Zoom meeting program. This puts a strain on the tech department to keep running throughout the day. A job well done.
- Last but not least is our paraprofessionals and other support staff. They continue to work and provide assistance wherever they are needed. Without them being at work, it would be hard to keep our building open.

Thank you to all for staying positive for our students, parents, and community.

V.B. Directors Reports

Warrior Academy - After-School Program Director's Report: Ms. Bebout
Program Highlight: Positives that have come out of this hard time. ASP was able to donate the rest of our snack program items to the lunch program!! The coordinators have been posting daily challenges on Warrior Academies facebook page. They have received very good feedback. Students need some fun activities to do to break up their day!

Youth Sports Director's Report: Mr. Kovar
Youth Softball and Youth Soccer have been postponed. We are now looking at planning for next year, including calendar, ordering, and staffing. Those plans will be in place in order to help with as smooth of a transition as possible.

SMS Activities Director's Report: Mr. Zavadil
It is no surprise that the middle school track season has been cancelled. The SMS coaches and myself are working on ways to honor our SMS athletic achievements either remotely or at a later date. Mr. Kasik, Mr. Kovar and myself have been working together to discuss staffing of our extra-curricular activities. We have a number of great coaches coming back and also some new additions that we are excited about.

SCHS Activities Director's Report: Mr. Kasik
As you know the NSAA has cancelled all spring sports for the remainder of the year. This is certainly difficult for our athletes and coaches. As we move forward understand that we continue to meet as a staff and make tentative plans for summer activities. I am also in regular conversations with our conference schools to discuss measures that they are taking during these tough times. We still are holding on to the idea that we will have some type of spring recognition for our athletes as well as our end of year awards. We also are hopeful that we can offer our students some type of prom and a graduation ceremony. As we move forward we will finalize these plans and make this information public. Thanks for your patience throughout this process.

Student Services Director's Report: Dr. Lefdal
Although this is an odd time for everyone, there are some amazing things happening in our school. I wanted to share a few items that I consider exemplary.
Ms. Johnson has shown what it takes to make things work. She has been working with students on applying for scholarships. She even created a drop off area in her front yard, complete with pencils, paper, envelopes, and whatever else the students would need to make sure they met their deadlines.
The staff has been working to help move items out of storage for the construction project. We would ask for volunteers over the intercom and we had so many people willing to come and help. Watching our staff support and help each other has been nothing short of amazing.
Our front office staff has been organized, efficient and simply amazing.
The maintenance and janitorial staff have done some amazing things at the high school. Although the projects seem never ending, they are always willing to help! They are doing amazing work!
We have a number of teachers that are reaching out to their students via zoom meetings. Rick Carter, John Sayer, Drey Keairnes, Brandi Zavadil are a few that have been using this technology to try to answer questions on work or even teach and reteach content.
It was great to see how many students picked up their packets from school. We had 84 packets to be mailed out of 642 packets. Amazing!

Curriculum, Assessment and Instruction Director's Report: Dr. Gibbons
Science Curriculum Adoption: We are going ahead with our adoption of the Discovery Education Techbook, even though we haven't had the opportunity to pilot it. We will discuss professional development opportunities in the next few weeks.
Curriculum Development: While we are in our remote learning protocol, we are going to spend some time doing our curriculum work. Wednesdays have been set aside for that work. Here is the schedule and the expectations we will have.
Schedule:
Wednesday, April 1 Social Studies - All day
Wednesday, April 8 Science
Wednesday, April 15 9am to 11am - Math
1pm to 3pm - ELA
Wednesday, April 22 9am to 11am - Technology
1pm to 3pm - PE
Wednesday, April 29 9am to 10am - World Languages
10am to 12pm - Fine Arts
1pm to 3pm - ESL
Wednesday, May 6 9am to 11am - CTE
Testing Season - There will be no state assessments this year.

Director of Special Education Report: Mrs. Vrba
Almost every day I have felt blessed to work with such a committed team of teachers and paras, I have been amazed and speechless during these difficult times of some of the creative ways that services are being provided for "our kids"! None of the SPED laws have changed or revised "just a little", we have been doing MDTs/IEPs via telephones hooked to zooms or a translator speaking directly to the parent on the telephone as the teacher is talking to the rest of us via zoom! To showcase their commitment and dedication, a Prior Written Notice had to be sent to every single student's parent that receives sped services. Greg Perry sent us the document at 3:15 on a Friday afternoon and on Monday morning they were all sent out! During this time, we have seen teachers helping teachers who couldn't be here or paras translating for anyone and everyone that needed them in the building. Henry Ford's quote defines my team perfectly: "Coming together is a beginning. Keeping together is progress. Working together is success!" (BOOM...and the mike drops!)

V.C. Superintendent's Report

1. **District Staff/Admin Meetings:** All district administrator and staff meetings are posted on the meeting site. In addition, all staff meetings are recorded and on the board recorded meeting site.
2. **School Board Meeting:** The governor has issued an executive order to allow board meetings to be held electronically. With this option, you may stay home and still participate via electronics. Sally will send you the zoom link with your other meeting packet.
3. **Public Meeting Room:** The meeting is advertised as a public meeting at 120 West 20th Street at the Schuyler Community Schools Board of Education Room. If we have more than 10 people in attendance, we will have an overflow room set up for people to participate in another location in the building. All administrators will be required to attend via zoom.
4. **Misc. Communication:** Attached below is a list of misc. correspondence to keep parents and staff informed on a weekly basis. See the web page and meeting page for more information.

Action Item

Attached is the 2020-21 school calendar recommendation. The SEA and administration have met and discussed calendar options and are recommending the attached calendar.

Calendar Highlights
Flex .5 Day for Teachers: Week of August 3-7
Staff Start Date: Monday, August 10th
Open House: Tuesday, August 11th, (1:00 to 8:00 PM)
Student Start Date: Wednesday, August 12th
Tech Fair: October 13th, .5 Day for students, .5 Day for staff
P-T Conferences: October13th Evening, October 14th: 8-4
Thanksgiving Break: November 25-27
Christmas Break: 2 Full Weeks
MLK and Strategic Planning Day: January 18th
Winter Break: February 19th (State Wrestling Tournament)
PT Conferences: March 9th (8:00AM to 8:00PM)
Spring Break: March 10-12
Easter Break: April 2 and April 5

Graduation: May 16, 2021
Final Day for Students: Wednesday, May 19th
Final Day for Staff: Wednesday, May 21st

*As discussed at the last board meeting, we are recommending a half day prior to the start of school for teachers to work in their rooms. We used to have 3 days for teacher workshops at the beginning of the school year, but for the last several years, we have settle on two days. We believe the half day in August is a better option than bringing them back on Monday, May 24th for a half day. The flex time allows teachers who have something planned for the week prior to the start of school to work around their family schedules.

Motion to approve the 2020-21 school calendar as presented. Passed with a motion by Richard Brabec and a second by Mynor Hernandez.

Preschool and SES 3-5 Principal's Report: Mr. Comley
This month I would like to highlight Ms. Taylor. Ms. Taylor has always and continues to give her all to music at the elementary level and sometimes beyond. A specific example of Ms. Taylor going above and beyond was a couple weeks ago she took the time on a Friday evening to play with the pep band at a SCHS basketball game. It was great to see her enthusiasm working alongside students! Thank you for all you do Ms. Taylor!

SES K-2 Principal's Report: Mr. Kovar
Program/Staff Member Spotlight: I would like to highlight Abby Krueger, 2nd grade teacher at Schuyler Elementary School. Ms. Krueger is in her 3rd year of teaching, and also coaches high school girls basketball. Ms. Krueger demonstrates a positive attitude, and shows evidence of key Marzano strategies in her classroom, as well as evidence of Capturing Kids Hearts, and APL. Ms. Krueger is willing to be flexible in difficult situations, and always keeps a smile on her face. She put in many long days during basketball season, but was always prepared for the next day. She is a pleasure to work with, and has grown so much as a teacher during her first 3 years. We are lucky to have her.

Fisher's & Richland Principal's Report". Ms. Bebout
Program Highlight: Dual Language Program: I would like to thank the school board for sending the dual language teachers to the NABE Conference! There are not many conferences that my teachers can attend that are specific to dual language. It was a great opportunity for them to be affirmed about what they are already doing that is amazing, but also the opportunity to learn new skills and find resources they could bring back to the classroom. Each teacher has typed up a small summary of their visit.
Rhonda Sellentin - I want to truly thank you for this awesome learning and collaboration experience. Some of the major takeaways from the conference is that our Dual Language instruction should be in the model of Holistic Bilingualism not Monolingualism. We need to use comparisons to build on our primary language to our second language. We need to have bridges in the form of posters and word/main idea walls, authentic multicultural books, teach cognates that students can use in order to learn the new language. I also found out about a website that the students could use, in school as well at home, to practice in English and Spanish their vocabulary, comprehension, phonological awareness, and phonics called, "Little Sponges". I liked the ideas on centers, using music, intervention structures and plans as well as partner collaboration to review skills. Ms. Ramirez and I are excited to use these techniques to better our teaching in our Kindergarten Dual Language classes this year and into our future classes. Again, thank you!
Guadalupe Ramirez - During the NABE conference I learned a variety of reading strategies and literacy center ideas that I would like to implement in my classroom. I would like to divide my reading instruction time by incorporating three different components such as whole-group, small group, and literacy centers to maximize the learning of my students. The speakers reiterated that Spanish should not be taught like the English Language. Spanish is a much more transparent language and English is not. Our main focus should be building students' vocabulary in both languages by the use of translanguaging (bridging) in the classrooms. It was a fantastic

conference that brought so many states, countries, and languages together to embrace and celebrate culture. Thank you sooo much for the great opportunity to attend NABE 2020.
Denise Stevenson - NABE was unbelievable! 13 countries, 45 states, and 3,000 people all learning how to successfully teach bilingual children. I learned about biliteracy, translanguage (bridging) the two languages, the importance of teaching cognates (30-40% of all words in English), and equity in instructional materials. I was able to look at bilingual books and resources. I learned how to integrate English Language Arts and music with EL students. Math journals, math games, concept maps, wait time, partner discussions (using sentence stems), group discussions, class discussions, explaining your brain, gestures, sketches, scaffolding, and extensive reading, writing, and oracy are critical in dual language and EL. Language is not just during reading, it is taught all day.
Trivia= The current 3rd graders could be the first humans to go to Mars. -Buzz Aldrin's son (guest speaker at NABE 2020)
Maria Bonilla - NABE was a blessing for me. I had an opportunity to hear great presenters who had so many strategies that I was able to bring back into my classroom. I learned the importance of "bridging" content to help our students make the connection between English and Spanish. Helping them figure out that they will not just be translating information but they will be able to understand and process information in both languages. There is a huge difference in the Graphophonemic System. Therefore both languages require a different amount of focus on each component and what to teach first. I wasn't sure about how to do interventions with my students in Spanish but found out that vocabulary is KEY. I am so thankful for this experience.

SMS Assistant Principal's Report: Mr. Zavadil
Program/Staff Member Spotlight: At this time of year all of our teachers are working hard and doing great things for kids, but one teacher I would like to recognize is Mr. Wiseman. He has been our Boy's middle school PE teacher the past two years and has served as a coach in both football and basketball. Mr. Wiseman does a great job of teaching skills to our students during PE class. We are also very excited for our new hires. In both FCS and Band. I feel that we got two great candidates and I am excited to work with them. We are also excited for parent teacher conferences next week. This is a great time of year and very important way to connect with our parents.

SMS Principal's Report: Mrs. Burton
Program Highlights: Mrs. Wemhoff and Mrs. Recinos and their ELL Team just finished up the annual ELPA testing. This is quite a process, as each ELL student has to take a combination of four tests in order to demonstrate growth and eventual proficiency in the English language. Both teachers give quite a bit of their time and energy during this process, and it is very appreciated!
Upcoming Events:
Parent-Teacher Conferences are tomorrow, Tuesday, March 10th. SMS Teachers are available from 8:00-11:40 a.m., 12:40-4:00 p.m., and 5:00-8:00 p.m. We will be working with parents to schedule their students for next year.
NSCAS Testing will take place on April 1, 8th, and 15th. It is requested that all SMS staff members be in attendance to help testing go smoothly. We also ask that all students are present during the morning hours to ensure that testing goes well.
The **SMS STUCO Dance** will take place Saturday, March 28th from 5:00-8:00 p.m. All academically and behaviorally eligible 6-8 students from SMS, Richland, and Fischer's are able to attend.

Program/Staff Member Spotlight: I want to recognize Dan Wolken. Mr. Wolken is one of our HS Social Studies teachers. He is also our only staff member who coached three sports last year. (VB, GBB and TR). Mr. Wolken is a great example for all of us, he is extremely positive and is always coaching his teams. Not only do we notice this but I received unsolicited texts and emails from others outside of our community praising his work with our girls. "If I had a daughter I would want her to play for him", and that is maybe the best compliment you can ever give a coach.

SCHS Principal's Report: Mr. Grammer
Program Spotlight: Not new to SCHS, are the breakfast and lunch programs, which are vital programs at the high school. The lunch and breakfast programs allow students who at times struggle to have meals at home, get an opportunity to get two meals a day. Our food staff work hard every day to provide healthy meals for our staff and student's. About five years ago we added the Grab-and-Go breakfast program, which was implemented to provide another breakfast option for students. We have a solid lunch program and are always looking to improve the program. With the construction of a new cafeteria and lunchroom, we are looking to improve and expand our lunch and breakfast programs. We are also looking to develop a Culinary Arts Curriculum, which will work in conjunction with the food programs. I would like to recognize the food staff for providing a quality program and continually strive to provide a successful program throughout the school year.
Staff Member Recognition: The staff members I would like to recognize for their work at the high school this month are the high school food staff and the supervisor of the district wide lunch and breakfast programs, Mrs.

Jamie Ramirez. As presented in the Program Spotlight in this report, Mrs. Ramirez is the supervisor of our lunch and breakfast programs. Mrs. Ramirez has worked hard to develop successful lunch and breakfast programs and provide opportunities for our students to have healthy meals twice a day. She ensures that students get a good meal each and every day. She has taken on the responsibility of developing and implementing solid lunch and breakfast program, with great enthusiasm. Mrs. Ramirez has a dedicated food staff at the high school and this staff strives every day to make sure our students don't go without a meal.

Monthly Highlights

• Congratulations to Schuyler's FFA Students that competed at Districts.
• Continue our work with Discovery Ed and Priority Team
• Construction continues at a good pace
• Starting our formal observations and walkthroughs

V.C. Directors Reports
Information Item
Directors

Youth Sports Director: Mr. Kovar

Program/Staff Member Spotlight: I would like to highlight Sarah Leimser, youth softball coach. In an effort to help build skills at the youth level, in the area of softball, we added this program this year. Pitching and catching are two very important positions on the softball field, so this will be the primary focus of youth softball this year. I am happy to report that we have 15 girls signed up, and they meet on Mondays and Wednesdays. I feel that this experience will be extremely valuable to the softball program, to help identify those players who have an interest in playing pitcher and catcher. Pitching and catching are such specialty positions, and it takes tens of thousands of repetitions to build these skills. With this new program, we can start to identify who those players are, and help them to build those fundamental skills, that are necessary to be effective in those positions.

Warrior Academy - After-School Program Director's Report: Ms. Bebout

Staff Member Highlight: Warrior Academy employee of the month. The students are able to nominate who they would like to see win this! Congratulations Jose Guzmanl!!!
Jose Guzman - February ASP Employee of the Month: This is Jose's first year working in Warrior Academy. He came in very shy and quiet. After being here for a few weeks the students helped him come out of his shell. He has been a great worker and very kind to the students. He is very responsible and always on time or even early.
Mia Leon (1st): He plays tag with me, the twin in 3rd grade and Cristal. He's nice to me. Last time we played freeze tag and he played with us.
Edrick Ramos (2nd): I like him very much because he's very nice and he talks a lot to everyone and me.
Noel Guzman (3rd): He's a nice and fun person to be around with. He's also a good helper. He's also one of the greatest people I've ever met.
Evelyn Martinez (5th): He's very nice, kind and helpful also makes us laugh.

SMS Activities Director's Report: Mr. Zavadil

Program Spotlights:
Boys basketball season wrapped up with a win against Madison.
Track coaches are ready for their sign-up meeting next week. We are anticipating large numbers again this year. Our first meet is April 6th.
Field-House remains very busy and we are eagerly awaiting Mrs. Trotter's return from maternity leave.
Strategic Plan athletic section has also been updated to help give our athletic programs goals and actions for improvement for next year.

SCHS Activities Director's Report: Mr. Kasik

Program/Staff Member Spotlight: I would like to spotlight our upcoming Volleyball team. First of all I want to thank Mrs. Saalfeld for the last three years of work with this group. With her resignation we are excited to name Ms. Ali Scheil as our new Head VB coach. Ms. Scheil is a HS PE teacher that recently graduated from UNK where she was played on tremendous VB teams over the past four years. She is excited to start working with her team and prepare for next year's season.
Upcoming Events: We will soon be wrapping up our winter seasons with District Speech at WSC on 3/14, as well as starting our spring seasons. Cheer and Dance tryouts will be beginning soon as well. Keep this great weather coming!!

SCHS Student Services Director's Report: Dr. Iefdal

Program Spotlight: I would like to spotlight Mr. Thumann. Aaron has been working diligently with our students in

the alternative education program. Every meeting I have with him, he is trying to find ways to help our students, make our program/school better, and has an excellent attitude while doing it. I feel blessed to be working with him and am proud to be on his team.
Notale Topics: The administrative team has been working on 30-second feedback with value add components during observations. This allows for great communication and ideas to flow in a coaching type of system. This has been a great tool for me as an educational leader and is one more tool for my tool belt.
Looking ahead: I am excited to see the spring sports season get under way. My children are excited about the opportunities they have in track and golf. I know a number of our students are excited about the upcoming soccer season as well. Nice weather and great competition are only a short time away!

Special Education Director's Report: Mrs. Vrba
Program/Staff Member Spotlight: Special Education Spotlight is...shining brightly on Elyse Belina. Elyse is one of the most dedicated teachers on the SES team. She is always diligently at work navigating the "organized chaos" in her classroom. Along with Elyse providing constant hands-on activities, she is providing guidance to all of her para-educators that are working with our students in and out of the general education classrooms. I know that you have heard me say this a million times, but the work Elyse has done with the Intensive Verbal Program is just unbelievable. When I watch her and/or her paras working with those who were once nonverbal students who have built their vocabulary up to 100 or more words, I get the opportunity to hear those little voices...it is truly amazing and a true goose bump moment. (Honestly, I can't image how their parents are feeling!) Elyse is energetic, creative and has shown that she is very flexible and can roll with the punches with her great sense of humor. There has never been a time that I didn't walk out of Elyse's room thinking to myself she is truly a gift from God to our school district and to the children of Schuyler Elementary!

Curriculum, Assessment, Professional Development Director: Dr. Gibbons
Program/Staff Member Spotlight - Guadalupe Ramirez, Rhonda Sellentin, Maria Bonilla, Denise Stevenson, Heather Bebout, Evelyn Recinos, Brandi Zavadil, Elizabeth Lickei, Joey Lefdal, Becky Lefdal and I attended the National Association of Bilingual Education Conference recently. We must provide professional development as part of our Title III grant so this met the criteria for that grant. We went with three goals in mind:

1. Examine strategies to improve our Dual Language Program.
2. Look for materials or programs to help service Kindergarten and 1st grade Newcomer students.
3. Develop a plan to improve EL programing at SCHS.

Over the next couple weeks we will create action plans as a part of our overall strategic plan.
Science Curriculum Adoption - Members of the K-5 Science Curriculum Team will be piloting the use of the 2019 NGSS Edition of the Discovery Education Science Techbook. We will have a training on March 17.
Curriculum Development Requests -

- With new standards this year, it is important for our Social Studies curriculum team to get together this summer to identify priority standards and develop curriculum materials.
- The Science team will also do curriculum work with the adoption of new materials.
- Jared Severson has requested time to work on the Culinary Arts curriculum and,
- The dual language team has requested time to improve their curriculum.

Testing Season - State testing season starts soon.

- ELPA 21 (ELL) - February 3 - March 13
- NSCAS ELA, Math and Science (grades 3 - 8) - March 16 - April 24
- ACT - April 7

V.D. Superintendent's Report

Dan Hoesing

1. **March Priority School Report:** I just received the report and had to add it to my report, rather than create an additional agenda item within the 24 hours of the meeting. See attached report.

2. **COVID-19 Response:** I met with our nurses and crisis team leaders about the best way to make sure our students, staff, parents and community are aware that we are paying attention to the recent COVID-19 health crisis while not creating unnecessary fear. Attached are the English/Spanish versions of information flyers and posters we will make available to parents during P-T Conferences on Tuesday. We will also use our website to display these posters as well as a website for more information is: **https://scdhec.gov/health/infectious-diseases/viruses/coronavirus-disease-2019-covid-19/educational-outreach-materials-2019-ncov**

3. **Sale of the Special Education Building:** The special education building was sold to NuTrend. This is the same company that bought the high school and preschool portable classroom. The high bid was $25,000 and the building will be moved over spring break (March 11-13)

4. **District 4-R:** Attached below is correspondence with Chris Langemeier and Landmark Realty on his thoughts about the District 4-R Building. See attachment.

5. **2020-21 Hiring Process:** The principals are doing an excellent job of getting out early and hiring replacement teacher positions. Due to recent resignations and early retirements, we currently have the following positions listed and will be working at filling these positions as soon as possible.
1. SCHS Language Arts Teacher
2. SCHS Math Teacher
3. SES Physical Education Teacher
4. SES Regular Classroom Teacher
5. Fishers Regular Classroom Teachers

Program/Staff Member Spotlight: Penny Janousek does an excellent job as our business manager. She goes above and beyond to manage the day-to-day payroll and accounting practices, to asking questions about best practice and responding to staff payroll and benefit questions. She is approachable and willing serve our staff and public with a great attitude. This month she moved to the new district office and kept routines moving forward without missing a beat.

Custodial Staff: I also want to recognize the maintenance staff, especially Ronnie, Paul, Juan, Maria, Ramona, Terry, Marv, and Rick for their work on the new district building and moving offices over the last month. This was a huge undertaking, and they did so with a great attitude.

Principal Interview Teams: Big thank you to the interview teams that worked extra hours and accepted the responsibility of interviewing and vetting elementary principal and middle

school assistant principal candidates.
SES Teachers: Rachel Wood, Elyse Belina, Meridith Riha, and Sheila Hoppe
SES Admin Team: Bill Comley, Jesse Zavadil, Darli Vrba, and Dave Gibbons
SMS Teachers: Andy Hall, Chad Wiseman, Michael Baptiste, Paula Kment, and Samantha Ladwig,
SMS Admin Team: Jesse Zavadil, Jim Kasik, Darli Vrba, and Dave Gibbons
These teams took input from staff through the Thoughtexchange process, selected questions from a pool of high reliability questions, interviewed and represented our district in securing our first choices for these two positions.

RESOLUTION

WHEREAS, due to the COVID-19 pandemic, the District has shifted student learning from the physical classroom to a distance learning setting; and,

WHEREAS, as a result of this shift in student learning, the Board recognizes that certain aspects of student learning have been disrupted and that certain Board policies and procedures may need to be suspended or modified, including grading, credits and the like; and

WHEREAS, the Board desires to allow eligible students in their final year in the District (including seniors) to graduate and receive a diploma at the end of the 2019-2020 school year.

NOW, THEREFORE, **BE IT RESOLVED** that, notwithstanding any policy, regulation, protocol, practice or directive to the contrary, the Board hereby finds, determines, delegates and authorizes as follows:

1. For the remainder of the 2019-2020 school year, the Board suspends all graduation and curriculum-related policies, except for those policies that the Superintendent and Board President jointly determine need to remain in effect.

2. The Superintendent shall determine which students would have been eligible or on track for graduation immediately prior to the COVID-19 temporary shutdown.

3. The Superintendent shall implement requirements (such as the continued completion of coursework) to be in effect during the remainder of the 2020 spring semester for students who are eligible or on track to graduate. It is the Board's intent to require students in their final year to continue learning during the remainder of the 2019-2020 school year. If said students satisfy such requirements during the remainder of the 2019-2020 school year, then the Board hereby authorizes the Superintendent and Board President to issue a diploma to said students, so that said students will graduate and receive a diploma at the end of the 2019-2020 school year.

4. The Superintendent is hereby directed to identify students in their final year in the District who are neither eligible nor on track to graduate at the end of the 2019-2020 school year, and determine what requirements, if any, or supports, if any, will be in place for those students to become eligible or on track for graduation at the end of the 2019-2020 school year. At the end of the 2019-2020 school year, the Superintendent shall then determine whether any of these students have satisfied said requirements and, if so, along with the Board President, issue a diploma for such students in order for them to graduate and receive a diploma at the end of the 2019-2020 school year.

5. For all students (including those not in their final year in the District), the Superintendent shall develop a grading procedure to be implemented for the spring 2020 semester. The Superintendent is encouraged to consult with key stakeholder groups to identify the grading procedures that will be fair, reasonable in light of the circumstances and in the best interests of the District. The Superintendent's grading procedure shall be final, and the Board will not hear any appeals over the Superintendent's grading procedure or any grades issued under the Superintendent's grading procedure.

6. For those students who are not in their final year in the District, the Superintendent shall develop a plan to determine how students will progress (or not) to the next grade level or advanced courses next year, and what resources or supports may be made available for those students who are not or will not be prepared to progress to the next grade level or advanced courses next year. It is the Board's intention to advance students to the next grade level next year, but, at the same time, the Board does not want students unprepared for next year's curriculum.

7. The Board recognizes the fluid and unprecedented circumstances currently faced by students, parents and staff members, and hereby adopts this Resolution in order to be proactive and prepared to respond to the evolving events without further delay. As a result, by delegating various responsibilities and authority to the Superintendent and Board President, all actions (or inactions) taken by the Superintendent and Board President pursuant to this Resolution shall be final, ratified in full by the Board and need not be formally approved by the Board at a later date.

8. The Board hereby ratifies all curriculum-related decisions implemented or enacted to date.

The foregoing Resolution having been read in its entirety, Member _____ moved for their passage and adoption. Member _____ seconded same. After discussion and on roll call vote the following members voted in favor of passage and adoption of the above Resolution: _____
_____.

The following members voted against the same: _____
_____.

The following members were absent or not voting: _____.

The above Resolution having been consented to by a majority of a quorum of the Board, it was declared as passed and adopted by the President at a duly held and lawfully convened meeting in full compliance with the Nebraska Open Meetings law.

DATED this 13th day of April, 2020.

Dear Mr. Comley,
Dr. Hoesing,
Members of the Board of the Schuyler Community School District,

Please accept my letter of resignation as fourth grade special education teacher at Schuyler Elementary School.

The decision to not return for the 2020-2021 school year was very difficult for me, but ultimately, I needed a closer commute to home. I have thoroughly enjoyed my time at Schuyler Elementary. The 4th grade team I had the pleasure of working with is helpful and supportive. It has been very rewarding to watch my students learn and grow and to build relationships with them. The administration and school board were supportive and helpful. I have nothing but high praise for this school and district.

It has been my utmost pleasure to serve the students, staff, administration, and school board of Schuyler. I wish the best to everyone. Thank you for the opportunity to be a part of such a wonderful school district.

Sincerely,

Hanna L. Sedlacek

Dear Mr. Zavadil,

I would like to inform you about my decision to resign from the 6th grade social studies position in the Middle School.

I really want to thank you for giving me many opportunities to improve my teaching through APL and capturing kids' hearts strategies. I know I will become a better teacher because of the workshops I was able to attend. I want to thank you for all the support and help along the way as well! I really enjoyed working with all the staff members and being around Schuyler Middle School.

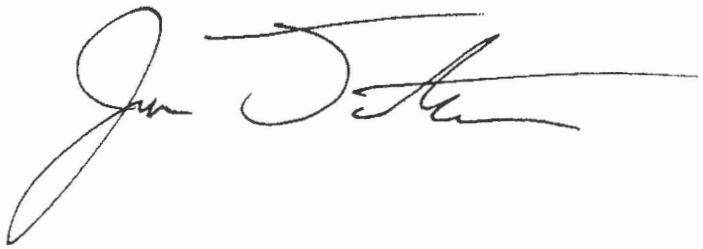
Again, thank you very much for giving me an opportunity this year!

God Bless,

James Kaiser

This letter is to inform that I, Jason Trautman, will not be renewing my contract for the 20-21 school year; I will be resigning after my current contract has been fulfilled. I have learned a lot from being part of this program, and I will cherish the relationships and memories that I have formed in the process.

Thank you-



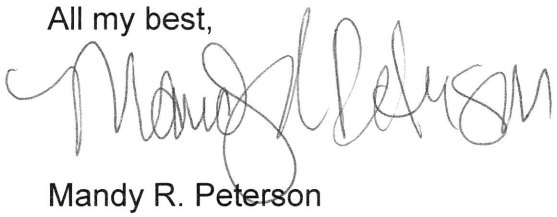
March 23, 2020

To whom it may concern:

When you've been in a district as long as I've had the pleasure of teaching at Schuyler Community Schools, you've formed a lot of relationships, grown as an educator, and experienced the ups and downs of education. The good times I've experienced at SCS outweigh the bad. I never envisioned myself leaving Schuyler. However, an opportunity to do work that challenges and excites me has emerged. I have been offered and accepted a contract with Shelby-Rising City. Pending that signed and approved contract, I am officially resigning my position and extra duties at Schuyler Community Schools.

I would be happy to participate in the interview process for the potential librarian of SCHS as well as provide guidance for that individual to ease the transition. I want nothing more than for SCHS to have an amazing, qualified school librarian.

All my best,



Mandy R. Peterson

Please accept my formal announcement of resignation as Spanish Teacher for levels I-IV at Schuyler Central High School effective May 21st, 2020.

My time at Schuyler Central High School has been incredible! I have enjoyed working here. I would like to thank you for the time and support you have given me since August 2019. The entire Schuyler Community created a climate, which made it enjoyable to come to work every morning, and I will miss you all.

I would like to inform you that I have decided to take a position closer to home, and believe that at this precise moment is more appropriate for my growing family. Thank you for understanding. I am willing and available to answer any further questions in reference to my decision.

Thank you once more.
In complete gratitude,

Martha Vanessa Gascón-Guarcas

Dear SCS Community Schools,

I would like to inform you that I am resigning from my position as Music Teacher in the Schuyler Elementary School. I greatly enjoyed my year in the district and I truly believe this school goes above and beyond for their students and families. The staff in the school helped me grow professionally and I will forever be thankful for that.

My reason for leaving is to move closer to home due to a family illness. Thank you for this opportunity to be a part of your school. Please let me know if you need anything further for me.

Sincerely,

Dear Dr. Dan Hoesing,

I would like to inform you of my resignation for the 2020-2021 school year.
My resignation will take affect on June 26, 2020.

Thank you for your support and all you have done to allow me to do a better job around the schools. By purchasing new equipment, I have been able to do my job more efficiently. It has been great working for you and I will truly miss the pride I feel doing my job. I will also miss my relationships that I have had with the student athletes, coaches and teachers.

Thank you again for everything you have done. I will miss coming to work, but I look forward to my retirement.

Sincerely,

Marvin Aldrich

Dear Parents and Guardians,

April 8, 2020

Elementary and middle school parents, it seems like a long time ago when your children were in our halls and classrooms. I realize placing this responsibility on you and your family seems a bit overwhelming and unfair. With this in mind, we will do our best to provide your children with extended resources and activities to reinforce learning at home. In addition to the homework packets, our staff remains committed to work with you and your child at home, make weekly contacts, assist you with questions and concerns, and provide you with options to continually challenge and reward your child's efforts to keep learning.

8th grade students enrolled in high school classes and high school students, I hope you are finding success with homework completion for 4th quarter. Please know that your teachers want you to contact them if you need assistance or support to complete assigned work. In addition, remember that your mentor (R-Time, Focus) teachers are there to support you as well.

Seniors, we are reviewing your graduation progress to make sure we keep you on track to graduate with your class. Board President, Rich Brabec, and I are working with your guidance counselors and principals to review your graduation progress. Your counselors will be in contact with each of you to assist and support you as you complete your high school requirements, scholarships, and college entrance applications.

With the mandate to close schools, our first responsibility is to make sure we meet your educational needs. Last week NSAA officials sent out a request for us to recognize our seniors involved in spring activities. We will be working with your coaches, sponsors, and directors to make sure we submit your involvement for recognition. Finally, the year-end culminating activities are **Prom, Awards Nights, and Graduation**. As of this week, the governor told us to postpone these events until July at the earliest, but more realistically in August. We will be finalizing dates for these events as soon as we are allowed.

Our food program provides a valuable food source for our families. Please continue to take advantage of this program for all children 1-18 years of age. We are hoping our backpack shipment comes in this next week. If possible, we will begin our weekend food program on Friday, April 17and continue each week until our food is gone. The backpack program weekend meal pickup will also be at the middle school.

I saw a post the other day where a parent was calling in for a substitute teacher for the day! I also had a request from an employee to send their children back to school. I hope this switch in roles increases our awareness and appreciation for each other's positions.

In closing, I hope you all had a blessed Easter weekend. Stay safe and healthy with your family. Keep in touch and let us know if we can be of assistance to you or your family. Together, we will get through this.

Sincerely,
Daniel Hoesing, Superintendent

Estimados padres y tutores,

8 de abril de 2020

Padres de primaria y secundaria, parece que fue hace mucho tiempo cuando sus hijos estaban en nuestros pasillos y aulas. Me doy cuenta de que poner esta responsabilidad sobre usted y su familia parece un poco abrumador e injusto. Con esto en mente, haremos todo lo posible para brindarles a sus hijos recursos y actividades extendidas para reforzar el aprendizaje en casa. Además de los paquetes de tareas, nuestro personal sigue comprometido a trabajar con usted y su hijo en casa, hacer contactos semanales, ayudarlo con sus preguntas e inquietudes y brindarle opciones para desafiar y recompensar continuamente los esfuerzos de su hijo para seguir aprendiendo.

Estudiantes de octavo grado que toman clases de secundaria y estudiantes de secundaria, espero que encuentren éxito al completar la tarea para el cuarto trimestre. Tenga en cuenta que sus maestros quieren que se comunique con ellos si necesita ayuda o apoyo para completar el trabajo asignado. Además, recuerde que sus maestros mentores (R-Time, Focus) también están allí para apoyarle.

Seniors, estamos revisando el progreso de su graduación para asegurarnos de mantenerlo en camino para graduarse con su clase. El Presidente de la Junta, Rich Brabec, y yo estamos trabajando con sus consejeros y directores para revisar el progreso de su graduación. Sus consejeros se pondrán en contacto con cada uno de ustedes para ayudarle y apoyarle a medida que complete sus requisitos de la escuela secundaria, becas y solicitudes de ingreso a la universidad.

Con el mandato de cerrar las escuelas, nuestra primera responsabilidad es asegurarnos de satisfacer sus necesidades educativas. La semana pasada, los funcionarios de la NSAA enviaron una solicitud para que reconozcamos a nuestros seniors que participan en las actividades de primavera. Trabajaremos con sus entrenadores, patrocinadores y directores para asegurarnos de enviar su participación para su reconocimiento. Finalmente, las actividades culminantes de fin de año son **Prom, Noches de Premios y Graduación**. A partir de esta semana, el gobernador nos dijo que pospusiéramos estos eventos hasta julio lo más pronto posible, pero de manera más realista en agosto. Finalizaremos las fechas de estos eventos tan pronto como se nos permita.

Nuestro programa de alimentos sirve como una valiosa fuente de alimentos para nuestras familias. Continúe aprovechando este programa para todos los niños de 1 a 18 años de edad. Esperamos que nuestro envío de mochila llegara esta semana que viene. Si es posible, comenzaremos nuestro programa de comida de fin de semana el viernes el 17 de abril y continuaremos cada semana hasta que se acabe nuestra comida. El programa de mochila para la comida del fin de semana también estará en la escuela intermedia.

¡Vi una publicación el otro día donde un padre llamaba para un maestro sustituto para el día! También tuve una solicitud de un empleado para enviar a sus hijos a la escuela. Espero que este cambio de roles aumente nuestra conciencia y aprecio por las posiciones de los demás.

Para terminar, espero que Uds. tuvieron un bendito fin de semana de Pascua. Manténgase seguro y saludable con su familia. Manténgase en contacto y háganos saber si podemos ayudarle a usted o su familia. Juntos, superaremos esto.

Sinceramente,
Daniel Hoesing, Superintendente

EAST-CENTRAL DISTRICT
Health Department

4321 41st Avenue, Columbus, NE 68601 • 402-563-9224 • ADMINISTRATION FAX 402-563-0544

EAST CENTRAL DISTRICT HEALTH DEPARTMENT
COVID-19 DIRECTIVE HEALTH MEASURES
April 3, 2020

WHEREAS, The Novel Coronavirus (COVID-19, also known as severe acute respiratory syndrome coronavirus 2, or "SARS-CoV-2") has impacted the citizens of the counties of Boone, Colfax, Nance, and Platte, Nebraska; and

WHEREAS, Pursuant to Nebraska Revised Statute section 71-501 and East Central District Health Department Regulation 2006-01, the East Central District Board of Health is authorized to promulgate rules and regulations concerning contagious, infectious, and malignant diseases in the county under its jurisdiction; and

WHEREAS, Pursuant to Nebraska Revised Statute section 71-1631(7), the East Central District Board of Health has promulgated such regulations concerning public health and the prevention of communicable diseases within its jurisdiction as approved by the Nebraska Department of Health and Human Services and amended through May 15, 2020; and

WHEREAS, Pursuant to the Rules and Regulations of Boone, Colfax, Nance, and Platte Counties for the Prevention of Spread of Communicable Disease, Illness, or Poisoning, the Chief Public Health Officer of the East Central District Health Department has the authority to implement Directed Health Measures, including protocols or measures as identified as effective against public health threats by the United States Department of Health and Human Services Centers for Disease Control and Prevention ("the CDC"); and

WHEREAS, Pursuant to the East Central District Health Department Regulation 2006-01, the Chief Public Health Officer has authority to issue such orders, regulations and instructions as may, in their judgment, limit the threat of an epidemic or contagious disease;

WHEREAS, The Chief Public Health Officer makes the following findings:

1. I have received information from the World Health Organization (WHO), CDC and treating health care providers that the general public may be in danger of being exposed to communicable disease.
2. I find that Directed Health Measures exist to effectively prevent, limit or slow the spread of communicable disease.
3. I further find that the disease presents a risk of death to any person; and that the exposure is wide-spread and poses a significant risk of harm to people in the general population; and that there is a particular subset of the population that is more vulnerable to the threat and thus at increased risk.
4. In assessing the nature of the risk presented, I further find that the threat is from a novel infectious agent.
5. I do hereby further find that a delay in the imposition of Directed Health Measures and evaluation would significantly jeopardize the ability to prevent or limit the transmission of a communicable disease and pose unacceptable risks to any person or persons.

WHEREAS, The Chief Public Health Officer issued a Directed Health Measure Order on April 4, 2020 concerning COVID-19, the Directed Health Measure Order is as follows:

1. All public gatherings within the jurisdiction of the East Central District Health Department with an expected presence of more than ten (10) patrons, customers or other invitees, excluding staff, taking place between April 4, 2020 and May 15, 2020 are hereby prohibited. If a venue is subdivided into multiple spaces separated by physical walls or sufficient airspace, the limit per subdivision of space is 10. This Order includes, but is not limited to, the following spaces, schools, gymnasiums, salons, fitness centers, auditoriums, stadiums, arena, large event conference rooms, meeting halls, theaters, libraries, or any other confined indoor or outdoor spaces. This Order also includes,

but is not limited to, the following events, weddings, funerals, parades, fairs, festivals, concerts and other indoor and outdoor events.

A gathering is defined as any event or convening that brings together more than ten (10) patrons, customers or other invitees, excluding staff.

Liquor, beer, and wine sales are restricted to carry-out sales and delivery only, to the extent permitted by law. No onsite consumption is permitted. This includes bars, taverns, and private clubs, regardless of name or characterization.

Food and beverage sales at restaurants, bars, taverns, private clubs, and any dine-in establishments are restricted to carry-out, drive-thru, and delivery only. This does not apply to and/or exempts food service in health care facilities.

Lines for carry-out and drive-throughs in the above-referenced establishments must have an environment where patrons and staff maintain social distancing (a distance of six feet away from other persons) whenever possible.

2. It is further ordered that even for gatherings below this size, if a minimum social distance of six feet between attendees or attendees and venue staff cannot be maintained in the venue or a subdivision thereof, the gathering is prohibited.

3. This order does not apply to courts of law; medical providers; public utilities; critical federal, state, county, and city operations; continuity of business operations; logistics/distribution centers; congregate living settings, shelters, public transportation, airport travel, necessary shopping at fuel stations; stores or malls; election offices; polling places on an election day; or to family residences housing ten or more people. However, these settings are instructed to observe all applicable state and federal guidelines for infection control.

4. Daycare and childcare facilities must operate under the following mandatory conditions: A. Childcare must be carried out in stable groups of 10 or fewer children; "stable" means that the same 10 or fewer children are in the same group each day. B. Children shall not change from one group to another. C. If more than one group of children is cared for at one facility, each group shall be in a separate room. Groups shall not mix with each other. D. Childcare providers shall remain solely with one group of children.

5. This Order is issued as a result of the worldwide pandemic of COVID-19 disease, also known as "novel coronavirus," which has infected at least 932,000 individuals worldwide and is implicated in over 46,800 worldwide deaths. The East Central District has three (3) cases as of April 2, 2020.

6. This Order is issued based on evidence of increasing transmission of COVID-19 both within the East Central District, Nebraska, and worldwide, scientific evidence regarding the most effective approach to slow transmission of communicable diseases generally and COVID-19 specifically, as well as best practices as currently known and available to protect the public from the risk of spread of or exposure to COVID-19.

7. This Order is intended to reduce the likelihood of exposure to COVID-19, thereby slowing the spread of COVID-19 in communities worldwide. As the presence of individuals increases, the difficulty and magnitude of tracing individuals who may have been exposed to a case rises exponentially, increasing the likelihood that such gatherings will impair efforts at mitigating the spread of the illness.

8. To the extent necessary, the Chief Public Health Officer requests that the Sheriff and all Chiefs of Police in the Counties of Boone, Colfax, Nance, and Platte ensure compliance with and enforcement of this Order. Pursuant to Nebraska Revise Statute section 71-501 and 506 and Nebraska Administrative Code 173 sections 6-009 and 6-006, any person violating this order may be subject to a Class III Misdemeanor for each offense.

9. Elective surgeries and elective procedures are hereby prohibited. For the purposes of this Order, this means a surgery or procedure that is scheduled in advance because it does not involve a medical emergency. or procedures that must

be done to preserve the patient's life or physical health, but do not need to be performed immediately, are allowed by a case-by-case determination of the medical provider.

10. Individuals who test positive for COVID-19 or who have any of the following symptoms: fever of 100.4° F or above, shortness of breath and individuals who reside or resided with individuals who have tested positive for COVID -19 or with individuals who have any of the above symptoms shall home-quarantine, unless quarantined in a health care facility, for a period of no less than 14 days, from the date of the positive test or onset of symptoms, per attached Quarantine Directions. For household members of a person under home-quarantine, home-quarantine can be discontinued 7 days after the original person has been released from home-quarantine, however, household members must continue self-monitoring for the above-listed symptoms for an additional 7 days (a total of 14 days). Please see the attached, and hereby incorporated in full, Quarantine directions, per 173 NAC 6-006.03B, Individuals with the above-listed symptoms who have tested positive for influenza and individuals who reside or have resided with individuals who have tested positive for influenza or an alternative diagnosis are not subject to quarantine under this Order.

11. This Order takes effect at 12:01 A.M. on April 4, 2020 and can be extended by amendment as necessary.

This Order will remain in effect no longer than necessary to ensure that individuals or groups affected by COVID-19 no longer pose a public health threat.

Failure to comply with this Order will result in legal action for enforcement by civil and/or criminal remedies.

Upon request, the East Central District Health Department ("Department") will schedule a hearing to be held as soon as reasonably possible under the circumstances. Unless requested otherwise, the hearing will be scheduled no sooner than three days after the request is received by the Department. The hearing will be conducted in accordance with the Department's rules of practice and procedure adopted pursuant to the Administrative Procedure Act.

The parties to the hearing will be limited to the Department and requesting party unless one or more additional persons have requested the contested case hearings on substantially identical issues; the interests of administrative economy require that the matters be consolidated; and no party would be prejudiced by consolidation, in which case notice of the consolidation will issue.

A party may be represented by counsel at the party's own expense, or may appear *pro se* if a natural person.

Reasonable prior notice of the time and place for hearing will be given. The hearing may be conducted in whole or in part by telephone.

The purpose of the hearing is to determine if the factual bases for the Order exist and the reasonableness of the ordered measures. The Director may affirm, reverse or modify the Order by a written Findings of Fact, Conclusions of Law, and Order to be issued as soon as reasonably possible after the hearing

You have the right to present evidence to the Chief Public Health Officer of the East Central District Health Department or their designee to show that the Order should be modified or terminated. Please contact the Director's office at 402-562-9656 to make the arrangements.

Chief Public Health Officer

Quarantine Directions

Symptoms of the subject disease and course of treatment:

These symptoms may appear 2-14 days after exposure: fever of 100.4 degrees Fahrenheit or above, cough, and shortness of breath. Follow your medical provider's directions for course of treatment. Emergency warning signs for COVID-19 require medical attention immediately. Emergency warning signs include: trouble breathing, persistent pain or pressure in the chest, new confusion or inability to arouse and bluish lips or face. Consult your medical provider for any other symptoms that are severe or concerning.

Instructions on the disinfecting or disposal of any personal property;

Surfaces

- Wear disposable gloves when cleaning and disinfecting surfaces. Gloves should be discarded after each cleaning. If reusable gloves are used, those gloves should be dedicated for cleaning and disinfection of surfaces for COVID-19 and should not be used for other purposes. Consult the manufacturer's instructions for cleaning and disinfection products used. Clean hands immediately after gloves are removed. If surfaces are dirty, they should be cleaned using a detergent or soap and water prior to disinfection.
- For disinfection, diluted household bleach solutions, alcohol solutions with at least 70% alcohol, and most common EPA-registered household disinfectants should be effective.
- Diluted household bleach solutions can be used if appropriate for the surface. Follow manufacturer's instructions for application and proper ventilation. Check to ensure the product is not past its expiration date. Never mix household bleach with ammonia or any other cleanser. Unexpired household bleach will be effective against coronaviruses when properly diluted.
- Prepare a bleach solution by mixing:
    - 5 tablespoons (1/3 cup) bleach per gallon of water or
    - 4 teaspoons bleach per quart of water
    - Products with EPA-approved emerging viral pathogen claims https://www.epa.gov/pesticide-registration/list-n-disinfectants-use-against-sars-cov-2 are expected to be effective against COVID-19 based on data for harder to kill viruses. Follow the manufacturer's instructions for all cleaning and disinfection products (e.g., concentration, application method and contact time, etc.).
- For soft (porous) surfaces such as carpeted floors; rugs, and drapes, remove visible contamination if present and clean with appropriate cleaners indicated for use on these surfaces.
- After cleaning: Launder items as appropriate in accordance with the manufacturer's instructions. If possible, launder items using the warmest appropriate water setting for the items and dry items completely, or Use products with the EPA-approved emerging viral pathogens claims (examples at this link https://www.epa.gov/pesticide-registration/list-n-disinfectants-use-against-sars-cov-2 that are suitable for porous surfaces.

Clothing, towels, linens and other items that go in the laundry

- Wear disposable gloves when handling ditty laundry from an ill person and then discard after each use. If using reusable gloves, those gloves should be dedicated for cleaning and disinfection of surfaces for COVID-19 and should not be used for other household purposes. Clean hands immediately after gloves are removed.
- If no gloves are used when handling dirty laundry, be sure to wash hands afterwards.
- If possible, do not shake dirty laundry. This will minimize the possibility of dispersing virus through the air.
- Launder items as appropriate in accordance with the manufacturer's instructions. If possible, launder items using the warmest appropriate water setting for the items and dry items completely. Dirty laundry from an ill person can be washed with other people's items.

- lean and disinfect clothes hampers according to guidance above for surfaces. If possible, consider placing a bag liner that is either disposable (can be thrown away) or can be laundered. Precautions to prevent the spread of the subject disease;

Stay home except to get medical care.

- Stay home: People who are mildly ill with COVID-19 are able to recover at home.
- Do not leave, except to get medical care. Do not visit public areas.
- Stay in touch with your doctor. Call before you get medical care. Be sure to get care if you feel worse or you think it is an emergency.
- Avoid public transportation: Avoid using public transportation, ride-sharing, or taxis.

Separate yourself from other people in your home, this is known as home isolation

- Stay away from others: As much as possible, you should stay in a specific "sick room" and away from other people in your home. Use a separate bathroom, if available.
- Limit contact with pets & animals: You should restrict contact with pets and other animals, just like you would around other people.
- Although there have not been reports of pets or other animals becoming sick with COVID-19, it is still recommended that people with the virus limit contact with animals until more information is known.
- When possible, have another member of your household care for your animals while you are sick with COVID-19. If you must care for your pet or be around animals while you are sick, wash your hands before and after you interact with them.

Call ahead before visiting your doctor

- Call ahead: If you have a medical appointment, call your doctor's office or emergency department} and tell them you have or may have COVID- 1 9, This will help the office protect themselves and other patients.

Wear a facemask if you are sick

- If you are sick: You should wear a facemask when you are around other people and before you enter a healthcare provider's office.
- If you are caring for others: If the person who is sick is not able to wear a facemask (for example, because it causes trouble breathing), then people who live in the home should stay in a different room. When caregivers enter the room of the sick person, they should wear a facemask Visitors, other than caregivers, are not recommended.

Cover your coughs and sneezes

- Cover: Cover your mouth and nose with a tissue when you cough or sneeze.
- Dispose: Throw used tissues in a lined trash can.
- Wash hands: Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not available, clean your hands with an alcohol-based hand sanitizer that contains at least 60% alcohol.

Clean your hands often

- Wash hands: Wash your hands often with soap and water for at least 20 seconds. This is especially important after blowing your nose, coughing, or sneezing; going to the bathroom; and before eating or preparing food.
- Hand sanitizer: If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol, covering all surfaces of your hands and rubbing them together until they feel dry.
- Soap and water: Soap and water are the best option, especially if hands are visibly dirty.
- Avoid touching: Avoid touching your eyes, nose, and mouth with unwashed hands.

Avoid sharing personal household items

- Do not share: Do not share dishes, drinking glasses, cups, eating utensils, towels, or bedding with other people in your home.
- Wash thoroughly after use: After using these items, wash them thoroughly with soap and water or put in the dishwasher.

Clean all "high-touch" surfaces everyday

You have a right to an independent medical exam at your own expense.

Provisions to ensure and monitor compliance;

Self-monitor twice daily for fever and other symptoms listed above for fourteen days. Coordinate with your health care provider and local public health department.

Individuals who tested positive for COVID-19 may be released from quarantine if at least seven (7) days have passed since onset of symptoms and symptoms have improved and the individual has been fever-free for at least 72 hours without the use of fever-reducing medication.

Parents and Guardians,

April 2, 2020

Last night, the Governor issued a broad and statewide Directed Health Measure (DHM) to further make clear, and direct that schools across Nebraska will not return to a normal status in the current school year. Instead, schools should continue to operate the remainder of the year without students in their buildings. Although this statewide DHM may be a disappointment to schools and districts, it does clarify the path we are on for the remainder of the school year.

In this time, Dr. Matt Blomstedt, Nebraska Commissioner of Education, asks that schools and districts continue to participate in the communication and information sharing we have established to monitor and respond to the growing COVID-19 crisis. The commissioner will continue to hold weekly video conferences each Monday at 4:00 pm with school superintendents.

Additionally, Dr. Blomstedt asks that school leaders participate in the regular Educational Service Unit regional conversations. The Nebraska Department of Education will be preparing further written guidance to assist local schools and districts over the next several weeks.

This Friday, the State Board of Education will consider a resolution granting the Commissioner broader authorities as permitted by policy, rule, and law. Additionally, the Board will consider language in the resolution that allows the Commissioner to work closely with the Governor to further request or exercise emergency powers at this time.

As superintendent of Schuyler Community Schools, I will continue to keep you informed of changes or new information as I receive it. In the meantime, I post all district and staff meetings on the school website at: https://www.schuylercommunityschools.org/ under board of education board meetings and under recorded meetings. In addition, the board of education has been given authority through May to conduct board meetings electronically.

Please be assured that our administrators, teachers, and support staff will continue to provide your children with access to continued education. Thank you for supporting your children in this home-bound education setting. The second and third packets will be ready for pickup/mailing on April 14 and April 29 and 30. Your teachers stand ready to assist you with your child's education. Thank you to our teachers and support staff for their extra work in providing this work and the creative ways they are connecting with students and parents through technology, phone calls, etc.

The school will continue our breakfast and lunch program throughout this school closure. Meals can be picked up from 11:00 to 12:30 at the middle school. We are currently serving over 2,000 meals per day. Beginning next week, we will be expanding our food program to include a backpack program to support meals on weekends. These weekend meals may be picked up with your meals on Fridays. Big thank you to the food service and support staff for providing this service to your children.

Finally, we have been ordered to close all school playgrounds. Playground surfaces have not been cleaned on a regular basis, therefore, any person who violates this order does so at their own risk. All district playgrounds have posted signs. For your child's safety, please make sure you comply with this order.

Sincerely,

Padres y tutores, 2 de abril de 2020

Anoche, el Gobernador emitió una Medida de Salud Dirigida (DHM) amplia y estatal para aclarar aún más y ordenar que las escuelas de Nebraska no regresen a su estado normal en el año escolar actual. En cambio, las escuelas deberían continuar operando el resto del año sin estudiantes en sus edificios. Aunque este DHM en todo el estado puede ser una decepción para las escuelas y los distritos, aclara el camino en el que nos encontramos durante el resto del año escolar.

En este momento, el Dr. Matt Blomstedt, Comisionado de Educación de Nebraska, pide que las escuelas y los distritos continúen participando en la comunicación y el intercambio de información que hemos establecido para monitorear y responder a la creciente crisis de COVID-19. El comisionado continuará realizando videoconferencias semanales cada lunes a las 4:00 pm con los superintendentes escolares.

Además, el Dr. Blomstedt pide que los líderes escolares participen en las conversaciones regionales regulares de la Unidad de Servicio Educativo. El Departamento de Educación de Nebraska preparará más información escrita para ayudar a las escuelas y distritos locales durante las próximas semanas.

Este viernes, la Junta de Educación del Estado considerará una resolución que puede dar al Comisionado autoridades más amplias según lo permitan las políticas, normas y leyes. Además, la Junta considerará el lenguaje en la resolución que le permite al Comisionado trabajar en estrecha colaboración con el Gobernador para solicitar o ejercer poderes de emergencia en este momento.

Como superintendente de las Escuelas Comunitarias de Schuyler, continuaré manteniéndolo informado sobre los cambios o la nueva información a medida que la reciba. Mientras tanto, publico todas las reuniones del distrito y del personal en el sitio web de la escuela en: https://www.schuylercommunityschools.org/ bajo las reuniones de la junta de educación y bajo las reuniones grabadas. Además, la junta de educación ha recibido autoridad hasta mayo para llevar a cabo reuniones de la junta electrónicamente.

Por favor, tenga la seguridad de que nuestros administradores, maestros y personal de apoyo continuarán brindando a sus hijos acceso a educación continua. Gracias por apoyar a sus hijos en este entorno educativo en casa. El segundo y tercer paquete estarán listos para ser recogidos/enviados por correo el 14 y 29 y 30 de abril. Sus maestros están listos para ayudarlo con la educación de su hijo. Gracias a nuestros maestros y al personal de apoyo por su trabajo extra para preparar este trabajo y las formas creativas en que se conectan con los estudiantes y los padres a través de la tecnología, llamadas telefónicas, etc.

La escuela continuará nuestro programa de desayuno y almuerzo durante el cierre de la escuela. Las comidas se pueden recoger de 11:00 a 12:30 en la escuela intermedia. Actualmente estamos sirviendo más de 2,000 comidas por día. A partir de la próxima semana, ampliaremos nuestro programa de alimentos para incluir un programa de mochila para apoyar las comidas los fines de semana. Estas comidas de fin de semana se pueden recoger con sus comidas los viernes. Muchas gracias al servicio de alimentos y al personal de apoyo por brindar este servicio a sus hijos.

Finalmente, se nos ordenó cerrar todos los patios escolares. Las superficies de juegos no se han limpiado regularmente, por lo tanto, cualquier persona que viole esta orden lo hace bajo su propio riesgo. Hemos publicado carteles en todos los patios de recreo del distrito. Para la seguridad de su hijo, asegúrese de cumplir con este pedido.

Sinceramente, DJH

STAFF "WORK FROM HOME" EXPECTATIONS

As we navigate the unfolding developments related to the evolving COVID-19 pandemic, we need to make sure that all remote staff members understand the District's expectations for those staff members while they are "on duty." The following expectations apply, effective immediately, to all staff members working remotely during the workday and during working hours:

1. If a staff member will appear via videoconference (such as Zoom), the staff member must be dressed professionally and in the same manner expected as if the staff member reported to work in-person. A staff member appearing by videoconference is expected to minimize background noise (such as a dog barking) that may interfere with the communication, and be in a professional setting (such as at a table or in a home office—not in bed).
2. Staff members should respond promptly to school-related communications. "Promptly" will depend on the context but, as a general matter, staff members who are not teachers will be expected to respond to phone calls within 15 minutes of receiving such calls. Teachers who receive a phone call or other school-related communication (such as an email) will be expected to respond after their teaching assignments, but not later than the end of the workday. We understand that staff members may be engaged during the workday with webinars, teaching, holding office hours, talking with colleagues or parents, and so forth. As such, each staff member's situation will depend on the circumstances. However, generally, all staff members (including teachers) are expected to be checking their phone and email during the workday and responding in a timely manner. The intent of this rule is to ensure that no staff member who is being paid during working hours is misusing worktime by not working.
3. During working hours, all staff members are bound by the same computer and Internet expectations as if they were in the physical classroom. This expectation includes not watching shows or movies, shopping for personal items, browsing social media, and so forth. Staff members who use District-owned devices may be subject to a search of their Internet browsing history. Staff members' District-owned email accounts may also be searched. We would prefer not to have to use these options, so please use work time for work purposes only.
4. All staff members continue to be bound by the applicable professional boundaries policy and/or rules. Staff members will not communicate directly with students via texting, social media or one-on-one Zoom sessions, unless the staff member has received approval in advance from a school administrator.
5. Hourly staff members must keep track of their work time. Hourly staff members must receive prior approval from their immediate supervisor before working overtime. The District may review each hourly staff member's Internet browsing history and/or email history to determine whether a staff member was working during their claimed work time. Hourly staff members must keep current a detailed log of the time they spent on work-related items and the time that they spent working on such items.

6. All staff members must communicate in a professional manner. Although much communication may be accomplished via electronic means, all staff members need to remember that communications should be professional and avoid inappropriate or vulgar language.
7. Staff members should refrain from communicating with each other about non-school business during the workday. For instance, calling or emailing other staff members during worktime to gossip is not an appropriate use of the workday.
8. Staff members should coordinate with their immediate supervisor on clock-in/clock-out procedures so that your immediate supervisor ensures that you are working that workday. If you need to miss work during a workday, you must contact your immediate supervisor as soon as practicable.
9. Each staff member's duty hours will be determined by each staff member's immediate supervisor. As a result, staff members are expected to maintain regular communication with their immediate supervisor about the upcoming workweek.
10. Staff members will comply with the recommendations of the Technology Director with regards to secure technology arrangements.
11. Staff members are expected to follow all other directives from their supervisors in a positive and professional manner.
12. A staff member who repeatedly violates these expectations may be subject to discipline.
13. All other provisions of board policy and the staff handbook remain in effect.

If a staff member has any questions or needs clarification, they should contact their supervisor in advance for clarification.

Please know that these expectations are subject to change and may be modified by the Superintendent or Superintendent's designee.

SCS Superintendent

Schuyler, NE 68661

Dear Dr. Hoesing and Members of SCS School Board,

I am writing to inform you that I will be formally retiring from my position as a Second Grade Teacher at Schuyler Elementary effective May 21, 2020 or the last contract day determined by the board, due to the unusual circumstances created by the Covid 19 outbreak.

I have given considerable thought to this significant decision over the last few years, but I feel this is the right time to retire. I am very proud to have served the students of Schuyler Community Schools and Colfax County Schools for the last 40 years. It has been a great personal and professional experience. I am thankful for all the wonderful relationships I have been privileged to develop with my students, colleagues, administration, parents, and community members throughout my career here in Schuyler.

I sincerely appreciate the support of Schuyler Community Schools during my long tenure. You have provided many exceptional opportunities for professional and personal development through the years that I feel helped me grow and develop as an educator.

I wish all my colleagues the best and am certain that students and staff will continue to grow and be successful here in Schuyler Community Schools. I will always consider myself a part of Schuyler Schools.

Sincerely yours,

Barbara L. McGowan
