COVID/Illness Report:

I am planning on rescheduling the Narcan Administration Presentation for Friday, February 3rd at 2:00. I will talk about it more at the Leadership Meeting to see if that works for other schools to send their Emergency Response Staff for the training.

We have 1 COVID+ staff member at SCHS, but they are not a teacher/para/student, so technically they are at zero.

We might have 1 COVID+ staff member and 1 COVID+ student both at SMS, but I need to reach Jenna to confirm. I have been unable to get a hold of her. So for now, I'm going to put zero because her office staff does not know anything about confirmed COVID cases at her school.
