Dear Galaxy Award Committee Members,

Attached are the nominations for this year's Galaxy Awards. We may select up to 5 recipients, and no one should win the award twice (the list of previous winners is attached). Please look over the list and consider the following criteria:

- Accomplishments/Contributions that go ABOVE AND BEYOND the expectations for the role
- Degree of impact on others
- Specific, concrete details for the positive contribution to the District or community
- Any personal knowledge of other service to the community

We need to look at our calendars for a time we can meet virtually. I am open after 3 next Monday and Tuesday (May 8 & 9) and all day on Wednesday (May 10). I can also meet this Wednesday after 12 noon if that isn't too soon for everyone. Please reply all to the thread with your availability. I will set up a Google meet for us, but if anyone wants to come by my office we can do that as well. Thanks!

Mark
