**To:** School Board <schoolboard@mokena159.org>

Board - Kelli asked the following questions regarding e-learning. Dr. Cohen and/or Dr. Johnson will address.

Regards,

Eric

Dr Cohen,

I am interested for the BOE to better understand how much live instruction is happening on our remote learnings days:

By grade  
By subject

How much of the live/ independent work mix is decided by the administration?

Does this School year differ from last?

Are there any state/federal requirements when it comes to what constitutes a remote learning day?

I am interested for the BOE to review how we compare to all other LW210 feeder districts when it comes specifically to the live instruction we provide our students during remote learning.

Do we have a standardized process to get families new to the district oriented?

Thanks,  
Kelli MacMillan

Dear Mokena Families,

Tomorrow, January 12, will be an e-learning day due to the forecast inclement weather. Information on e-learning, including the schedule, may be found [HERE](#) or on our website at <https://www.mokena159.org/page/curriculum-instruction-documents>.

Please be safe this weekend as the cold sets in, and have a great day tomorrow!

Mokena School District 159
