To: School Board <schoolboard@mokena159.org>

Board - We will be discussing MTA negotiations during closed session on Wednesday. Julie has suggested that individuals interested in being selected to serve on the Board's Collective Bargaining Team make a statement as to why he/she should be selected. Please let me know your thoughts so I can determine the Board's Will. I want to make sure individuals have time to prepare a statement if this is the Will of the Board. DO NOT REPLY ALL.

Regards,

Eric
