Board - I will forward the two email strings so you can better understand Dr. Cohen's email. I was able to find the petition on the Change.org website and can confirm the District's logo has been removed. Julie's request also mentioned obtaining a trademark for the District's logos. That item is still open for Board discussion.

Regards,

Eric

Dear Board Members,

Kelli and Julie reached out to me about a petition on Change.org using a Mokena District logo. I reached out to them to file a complaint about the unauthorized use of our image. They have replied positively to my request. The correspondence is attached to this email.

Mark
