Kelli - The purpose is for the Board to provide feedback on the agenda. We discussed this process with IASB's Natalie Williams at our workshop and at last month's meeting.

Board - Please see Kelli's comments.

Eric,

What is the purpose of sending out a tentative agenda the week prior to the board packet release? No one responds to my feedback. No one so much as acknowledges my email.

Everyone complains about the number of emails I send but you force me to constantly follow up and ask multiple times.

What is the deal? Is this something we discuss at the meeting again?

Mark and Eric,

1. Has the BOE been provided any information on action requests G and H?
2. Please remove item E from the Action Items.
3. Is the III Student Spotlight a new section to our standard agenda format?
4. Please provide the BOE a copy of the FOIA request and our response from Suzanne Spurck.

Kindly acknowledge receipt of this email and update the BOE at your earliest convenience.

Thank you,
Kelli MacMillan
