Julie - I wasn't copied on the email with the MTA proposals since I am not on the committee. You will need to discuss with Dr. Cohen and Lisa copied on this email.

Eric

Good Sunday morning. As the board alternate and this being my first time through school contract negotiations, I'd love an opportunity to talk these proposals through with you. Giving the demands on your time, I would limit the discussion to 30 minutes if needed.

I am available from 8-12 each day this week. If there is no availability then I can adjust my schedule for the afternoon.

Thank you,
