Hello Meteor Families!

Just a few minutes ago, you should have gotten a message from Dr. Cohen, our superintendent, that we will be utilizing another E Learning day on Tuesday, January 16th due to the cold. Fortunately, we just had an E Learning day last Friday, so we are pros at this.

At this time, all IEP and 504 meetings that were scheduled for tomorrow will shift or continue to be held virtually. All after school events and activities will be cancelled on Tuesday.

[MJHS E LEARNING LETTER](#)

If you have any questions, please either reply to this message.

Sincerely,

Dr. Mike Rolinitis

Principal
