Thank you for the follow up email Becca. If we can nail these dates down that would be great. I will need to make some adjustments to the athletic schedules and the sooner the better would be good.

Good afternoon!

I don't remember hearing back from anyone on these.

Are these the MJH concert dates we plan on moving forward with for next year?

Do you know when you want the MIS concert dates?

I would like to make sure we get these on the district/building calendars.

We received these dates earlier this week from the high school.

Can we sit down in person some time all together to compare all of the calendars to set those dates? I feel like we've made mistakes the past couple of years when trying to do it over email.
