Good morning,

We are in need of two to three buses for Friday, May 3rd from MJH to MIS in the morning. In the past, we have had buses pick up the MJH music students right after the MES drop off and bring them over to MIS to play a concert.

The concert should be over at approximately 10:30 am and will need to be driven back to MJH.

Please confirm that you have received this request.

Thank you so much!
