Hello Meteor Families!

This week's MJHS Friday Update is now available. Please take a few minutes to check out the Update and the links below.

I want to note that some of you may have noticed that the intro is missing from the past few Updates. The software I was using has gone through an upgrade and it no longer works for me. I am going to try to find a new one that allows me to do more creative work with these videos. Until then, there will not be an intro.

Thanks for joining me today. I'll be back next week with another Friday Update. If you have questions, please check the website, reply to this email, or call the office at 708-342-4870.

Sincerely,

Dr. Mike Rolinitis
