Dear Superintendent and Mokena School District159 Board Members:

I am submitting my intent to participate in the district retirement option (Article 13 of the 2024-2029 Professional Negotiations Agreement).

Upon completion of the 2024/2025 school year, I ask to enter my final four years of teaching as a participant in the district retirement option with my last year being the 2028/2029 school year.

My service as a tenured teacher in the Mokena School District has been an honor..

Sincerely,

A handwritten signature in blue ink, appearing to read 'David Balis'.
