Dear Board Members,

I am attaching 6 documents to this email which I will go over in closed session on Wednesday. These documents provide some materials and background information which support the work done year-to-date in each of my 6 goal areas. Each document has links to other supporting documents or websites.

In the event that you cannot open the links I have also shared the Google drive with you that contains all of these documents as well. Please let me know if you have any difficulty accessing the documents.

I look forward to the conversation on Wednesday. Thanks!

Mark
