Jackie Hanson, Superintendent
Craig City School District
PO Box 800
Craig, AK 99921

Dear Ms. Hanson:

The Department of Education & Early Development recently concluded the annual disparity test for each school district. This test compares revised state aid based on audited local revenues with the actual amount of state aid that has been paid to each district through the Foundation Program in the previous fiscal year, 2024-2025. The results illustrating the comparison of audits to actual amount paid appear on the enclosed worksheet. This worksheet demonstrates how the district has been overpaid in state aid.

In accordance with 4 AAC 09.010(f)(4), the amount of \$24,059 is due immediately to the Department of Education & Early Development. If you have any questions, do not hesitate to contact me.

If you have questions regarding the enclosed information, please contact me at (907) 269-6607.

Sincerely,

A handwritten signature in cursive script that reads "Jared De Lara".
