**BACKGROUND INFORMATION:**

**Trafera Student Device Lease**

- Term: 09/10/25 - 06/30/29 (pending annual mutual ratification on 07/01 every year of the lease)
- Cost: \$115,596.00 per year of the lease, for a total of \$462,386.00 over four years
- Fund: Chromebooks & Carts Bond (076)

This is a new contract with Trafera, our primary student device vendor for a four-year lease on 920 Lenovo 14E and 115 Lenovo 300e student chromebooks. This lease is flexibly structured to allow us to:

- Sustainably support the 1:1 student device initiative throughout our current bond cycle.
- Bring Kindergarten and 1st grade up to one device per student to align with the rest of the higher grades.
- Replace aging portions of our current chromebook fleet that have reached the end of their lifecycle.
