

**NYE COUNTY SCHOOL DISTRICT
BOARD OF TRUSTEES'
SUPERINTENDENT EVALUATION**

**SECTION REMARKS
JUNE 20, 2017**

SECTION I REMARKS:

“Great job with organizing your administrative team. We have great people in place with a good division of responsibilities. The schedule change was rushed at first and lacked sufficient information and investigation for us to make an informed decision. You promptly corrected this and gave us what we needed. The teacher collaboration plan was a great idea and I am excited to watch it unfold.”

“Dale is doing a good job. No negative remarks.”

“Does an excellent job of keeping school board informed. Always has time to go over the agenda or answer questions. He expects district personnel to maintain high standards of performance and receives it 100% of the time. Nye County is fortunate to have him as our Superintendent.”

SECTION II REMARKS:

“Excellent leader – doesn’t ask anyone to do anything he wouldn’t do.”

SECTION III REMARKS:

“You are great at collaborating with others, seeking input and analyzing the pros and cons of decisions.”

SECTION IV REMARKS:

“A great people person – relates to and visits with people of all walks of life. Knows people at all levels of the school system and community.”

“I have been impressed with Mr. Norton’s interpersonal skills since I met him. He works hard to make people feel welcomed, wanted, and important. It has been a pleasure to watch his interactions, especially with the students of the district.”

SECTION V REMARKS:

“You have always emphasized communication as a key component to your leadership and continue to do so.”

“Great communication skills – makes everyone feel comfortable to visit with him.”
