STILLWATER BOARD OF EDUCATION

PREPARED BY: Bo Gamble, Assistant Superintendent of Operations
APPROVED BY: Dr. Janet Vinson, Acting Superintendent
DATE: April 8, 2025

AGENDA ITEM:

Consider and Vote to Approve or Not Approve the addition of instructional time at Highland Park Elementary

BOARD ACTION REQUESTED:

Vote to Approve or Not Approve the addition of instructional time at Highland Park Elementary

BACKGROUND INFORMATION:

Highland Park Elementary experienced two additional days of school closure, in comparison to the other district sites, as a result of high numbers of absences for students and staff related to influenza. Instructional time is stipulated by the State Department of Education and confirmed through the accreditation process. To resolve this shortage in instructional time, Highland Park Elementary is adding 10 minutes per day to its school calendar for the remainder of the year to correct for loss of instructional time during the school closure.
