

Resignation - Roger Andersson

Position- Bus Driver, Foley Public school district 51

Address- 840 Norman Avenue North, Foley, MN 56329

Dear Bob Gross, Transportation Director Foley Public Schools 51

I am writing to formally resign my position as bus driver from Foley Public Schools. After much consideration with family and friends I have made this difficult decision to resign / retire again from bus driving. Factors that make this decision for me are my health, and time in retirement.

I appreciate the oppertunity that was given me to drive the bus once again. I enjoyed my experience of meeting several other people such as yourself, office people, mechanics, other drivers and not least the students as well as coaches during activity transport.

Last Day if this needs to be a two-week notice will be August 3rd.

Thank You again for this opportunity.

Roger Anderson
