FES August 2026 School Board Update

PBIS at FES

The FES PBIS Team will meet later this month to review and strengthen our PBIS practices for the upcoming school year. The team will focus on consistency in staff expectations and responses, increasing recognition of positive student behavior, and providing additional support for students who are struggling with behavior.

Summer Projects

Several summer projects are nearing completion:

- The cafeteria has been repainted, and the new flooring has been installed.
- Playground wood chips are being replaced.
- Painting has been completed in several classrooms and offices.

Staffing

Staffing work continues as we prepare for the upcoming school year. We currently have openings for a music teacher and a special education teacher, as well as two long-term substitute EA positions. We will continue working to fill these positions as soon as possible.
