

Community Education Update
August 17, 2026 School Board Meeting

Greetings from Community Education,

Fall Programs

Our fall programming is in full swing, and we're excited to continue expanding our offerings. Alongside returning favorites like NFL Flag Football, Fall Dance Team, Mini Me Dance, and 5th/6th Grade Tackle Football, we're introducing new opportunities this season. In collaboration with DASH Sports, we're offering additional programs for younger students, including Flag Football, Soccer, and a Multi-Sport Camp.

FKC Fall Hiring

As summer wraps up and many of our staff head off to college, we're actively hiring for before and afterschool positions. We're reaching out to local high school students to highlight this excellent job opportunity, perfect for gaining experience.

Preschool Updates

Placement letters have been sent to parents and guardians. Due to an increase in recent registrations, we're adding a program EA to help support students and teachers in the classroom. We currently have 78 students enrolled into our 4-5 year old program and 18 in our 3 year old program. Throughout the school year, we take in students who are referred after screening.

Open House Invite

We will be inviting all school and youth groups to attend Open House again this year. The goal of this event is to showcase all the great opportunities our school and community has to offer our students and families.

Thank You!

- Thank you to Paul and his crew for working hard to continue to maintain and better our facilities
- Thank you to all the coaches for taking the time to offer programs to our students and to be engaged
- Thank you to all the FKC summer team for your hard work and putting students first each and every day. I truly believe you made their summers one to remember

Thank you,
Alyssa

The mission of Foley Community Education is to provide lifelong learning opportunities and experiences to community members of all ages.
