Agenda Item – 9A6

**Background Information**

The Texas Department of Agriculture regulations require competitive sealed proposals for child nutrition contracts at least every five years. The District’s last formal proposal was for the 2024-25 year. The mandated term for the contract was for one year with four one year renewal options.

The projected budget for the 2026-27 school year is a projected surplus of \$36,263. This includes an indirect cost charge to the Child Nutrition Fund of \$250,000.

The contract renewal package that will be forwarded to the Texas Department of Agriculture for approval is attached.
