Curriculum, Instruction, Program

The sixth grade had their annual Greek Fest celebration of Greek mythology, as the grand finale of their Ancient Greece studies. Students and staff dressed up as ancient Greeks and gods and joined in The Olympic Games. Students collaborated in the spirit of sportsmanship and represented their Greek city-states. To wrap up the day, everyone enjoyed a traditional Greek meal featuring gyros, baklava, and grape juice.

Grade level teams met the first week of March to look at IXL data, classroom grades, and teacher input for students to determine potential intervention placement or changes.
