Facts of this Matter:

The Indiana State Board of Accounts mandates that all Indiana school corporations demonstrate their compliance with IC 20-41-1-8. This statute requires that the annual reports of each of the extra-curricular treasurers in a school corporation be filed with the school corporation's Board of School Trustees or equivalent. The State Board of Accounts prescribes Forms SA5-1, SA5-3 and SA6 to be used for this reporting purpose. Although the statutes merely state that these reports are to be filed and maintained as public records open to public inspection, the State Board of Accounts has requested that these reports be presented to and received by the respective Boards of School Trustees in a public meeting to provide evidence for audit of the Board's receipt of the reports. Accordingly, the attached Forms SA5-1, SA5-3 and SA6 for each of our schools are hereby presented to the Board of School Trustees.
