Subject: Charter bus services for athletic travel in Fiscal Year 2027

Recommendation: Approve the use of First Class Transportation charter bus services for athletic travel in Fiscal Year 2027.

Background and Rationale:

Wharton County Junior College utilizes charter bus services to transport its volleyball and baseball teams to athletic competitions. Reliable, safe, and timely transportation is essential to ensuring student athletes arrive at events as scheduled and return safely following competition.

The College has utilized First Class Transportation for the past year and a half and has been highly satisfied with the quality of service provided. The company has consistently demonstrated reliability, professionalism, and a strong commitment to safety. Based on this positive experience, the administration recommends continuing to utilize First Class Transportation for athletic travel during FY 2027.

The College will utilize First Class Transportation, an awarded vendor under Choice Partners Cooperative, Contract #23/014MR-02, for these services. Use of this cooperative purchasing contract satisfies the competitive procurement requirements of Texas Education Code §44.031, which authorizes governmental entities, including community colleges, to procure goods and services through approved cooperative purchasing programs.
