

Date of Board Meeting: August 18, 2026

Subject: Purchase equipment and materials for the plumbing and pipefitting programs as part of the Phase II expansion of the Skills Trade Center.

Recommendation: Approve \$242,100 for the purchase of equipment and materials from Grainger for the plumbing and pipefitting programs.

Background and Rationale:

On October 24, 2025, the Board approved the development of the pipefitting and plumbing programs as part of Phase II of the Trade School Program. Additionally, on March 24, 2026, the Board approved authorizing the College administration to execute purchases, contracts, and related agreements necessary to implement these programs. The proposed purchase of equipment and materials for the plumbing and pipefitting programs from Grainger, in the amount of \$242,100, exceeds this threshold. Accordingly, this request is presented for Board approval in accordance with the Board's prior authorization and purchasing policies.

The equipment and materials will outfit the instructional spaces supporting the plumbing and pipefitting programs, providing students with hands-on training resources that reflect current industry standards and support the workforce training objectives of the Phase II expansion.

The College will utilize Grainger, an awarded vendor under BuyBoard Contract #756-24, for this purchase. Use of this cooperative purchasing contract satisfies the competitive procurement requirements of Texas Education Code §44.031, which authorizes governmental entities, including community colleges, to procure goods and services through approved cooperative purchasing programs.

Budgetary Implications: \$242,100 (Special State Appropriations, Bay City Trade School)

Strategic Priority Alignment:

☒ Student Success	☐ Community Impact
☒ Resource Optimization	☒ Institutional Excellence

Resource Personnel: Kimberly Ashburn, Director of Continuing Education
Lindsey McPherson, Associate VP of Academic Affairs

Approval:

Cabinet-Level Member

President

Thank you for the opportunity to provide this quotation.

Please reference our Grainger quote number when you are ready to place your order.

Any changes to the products and/or quantities identified in the quotation may result in different pricing. If Grainger's cost to supply a product increases due to changes in laws, tariffs, commodity prices, or unforeseen events like the COVID-19 pandemic during the quote period, Grainger reserves the right to adjust the product price.

Quoted shipping charges and delivery date are subject to change. Upon acceptance of the quotation by customer. Grainger will provide actual shipping charges for the order, if applicable.

This transaction is subject to the current contract between customer and Grainger; or if no contract exists, the Terms of Sale as set forth on <https://grainger.com/>

Thank you for the opportunity to provide this quotation.

Please reference our Grainger quote number when you are ready to place your order.

Any changes to the products and/or quantities identified in the quotation may result in different pricing. If Grainger's cost to supply a product increases due to changes in laws, tariffs, commodity prices, or unforeseen events like the COVID-19 pandemic during the quote period, Grainger reserves the right to adjust the product price.

Quoted shipping charges and delivery date are subject to change. Upon acceptance of the quotation by customer. Grainger will provide actual shipping charges for the order, if applicable.

This transaction is subject to the current contract between customer and Grainger; or if no contract exists, the Terms of Sale as set forth on <https://grainger.com/>
