In an effort to make it easier to find the material in policy and reduce the length of individual policies being updated after the 2026 Legislative session, ISBA and McCall-Donnelly School District administration recommends adopting policy 3331 – Weapons at School. To bring McCall-Donnelly School District policy numbers and naming conventions into alignment, it is also the recommendation of McCall-Donnelly School District administrative staff to repeal policy 3310 – Prohibition of Weapons.

The recommendation aligns with the MDSD Strategic Plan.

IV. Continuous Improvement
