Re: Cooperative Programs

We are requesting you to approve cooperative agreements for the 2026-27 and 2027-28 school years with Salmon River for Boys/Girls Soccer. This is a new co-op agreement in which they had students interested in those activities. It will not increase any cost for MDHS.

Administration recommends the McCall-Donnelly Board of Trustees to approve the Co-Ops with Salmon River for the 2026-27 and 2027-28 school years. Thank you for your consideration.

Sincerely,

Conor Kennedy
