Board Agenda Item Request

Agenda Item: 2026-2027 School Bus Routes

Purpose: Approve/Deny School Bus Routes for upcoming school year

Meeting Date: 8/19/2026

Prepared By: Michael DeBrunner

Informational Summary:

2026-2027 To and From School bus Routes, No change to previous non-transportation zone, or Safety Busing stops. Adding a new route for LHS/LMS/GE. This addition will help significantly with over-crowding. It will service the Brookshire area with 2 buses instead of 5, which will save time, fuel, mileage, and capacity on the other buses. Also making time to service some areas we weren't previously able to accommodate. The route changes will make us better prepared for the upcoming sub divisions going in at W Wyoming Ave & N Meyer Rd, and the expanding area near N Genesis Blvd & E Lancaster Rd.

Recommendation: My recommendation is to approve all routes. Creating better efficiency, coverage, capacity range, and preparedness for the future.
