COMMUNITY TASK FORCE PRESENTS TO UNITY BOARD

During the Unity Board of Education's regular meeting on July 13th, four members from the Community Task Force presented the Task Force's recommendations for a potential referendum in November of 2026. Following a four-month-long process in partnership with Kraus-Anderson, the community members were excited to share their recommendations for facilities changes and updates, and additional programming for Unity's students. Their recommendations included, but weren't limited to, facilities upgrades for Career and Technical Education (CTE), expansion of Family and Consumer Education (FCE) and healthcare, parking lot improvements to increase safety and accessibility, deferred maintenance items such as roof replacements and kitchen upgrades, outdoor athletic facility improvements, including ADA accessibility, and operational considerations. Unity School District would like to thank all of the Community Task Force members for their time and dedication to this important process. A special shout-out goes out to Ryan Flaherty, Kasie O'Donovan, Bill Alleva, and Sue Reed for doing an excellent job presenting to the Board! The Board of Education will look to make final decisions in August regarding a potential referendum in November. Stay tuned for more updates!

Mrs. Gina Tourville

If you have had the chance to visit the High School Office over the past few years, you have undoubtedly received a warm welcome with a giant smile from Mrs. Gina Tourville. Gina is heading into her third year as a Unity staff member, but has been part of the Unity community for more than 21 years! She works incredibly hard to step up and help wherever needed, and she takes a lot of pride in making sure students, staff, and community members have an excellent experience with high levels of support when they are here. Gina is an active member of the Unity Booster Club, and she also works closely with Cory Nelson, Unity Athletic Director, to help student-athletes and families get the support they need to take care of registrations, paperwork, and scheduling. Overall, Gina goes out of her way to meet the needs of others. She is an excellent representation of what it means to be an Eagle! Thank you, Gina, for all that you do!
