GENERAL TERMS AND CONDITIONS

1. Legal Authority.

The Texas Workforce Commission (TWC) is responsible for administering an integrated workforce development system, including job training, employment, employment related educational programs, and the unemployment compensation insurance program, under the authority of Texas Labor Code § 302.021. TWC has the authority to enter into contracts and administer programs pursuant to Texas Labor Code § 302.002(b).

2. Purpose.

This grant award sets forth the responsibilities and obligations of TWC, the other party(ies) to this grant (hereinafter identified as the Grantee), and its Fiscal Agent (if different from the Grantee), with respect to the implementation and administration of the program defined within the Request for Applications (RFA) and the Grant Application.

3. Grant Performance.

3.1 The Grantee agrees to perform under this grant award in accordance with the commitments established within the RFA and the Grant Application. Services under this award shall be provided in compliance with:

- all applicable federal and state laws, regulations, and rules;
- all TWC policies and procedures or guidance materials incorporated herein by specific reference; and
- all terms and conditions of this grant award.

3.2 The Grantee has, or shall obtain within forty-five (45) days, personnel capabilities necessary to implement project requirements and to ensure compliance with this grant award.

3.3 The Grantee shall notify TWC in writing, within ten (10) days, of any change in key personnel assigned to the implementation and administration of this grant award. Key personnel are defined for the purposes of this grant award, as those personnel whose oversight and guidance are essential to the work being performed hereunder and whose knowledge, qualifications, and experiences are critical to the achievement of the objectives of this grant award.

3.4 In consideration of the Grantee's full and satisfactory performance of the specified services, TWC shall be liable to the Grantee in accordance with the terms and limitations established within this grant award.

3.5 Except with respect to defaults of contractors or subrecipients, no liability or loss of rights hereunder shall result to either party from delay or failure in performance (including any failure by the grantee to progress in the performance of the work) if such failure arises out of causes beyond the reasonable control and without the default or negligence of the party affected. Such causes may include but are not limited to acts of God, acts of a public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, serious labor disputes, shortage of or inability to obtain material or equipment, and unusually severe weather. In every case, however, the failure to perform must be beyond the control and without the fault or negligence of the party affected.

4. Administrative Requirements.

4.1 This grant award shall be construed, interpreted, and applied in accordance with the laws of Texas, excluding its choice of law rules.

4.2 If any of the provisions of this grant award shall contravene or be invalid under the laws of the United States or the State of Texas, such contravention or invalidity shall not invalidate the entire grant award. It shall be construed as if not containing the particular provision or provisions held to be invalid, and the rights and obligations of the parties shall be construed and enforced accordingly. The Grantee and TWC shall endeavor to agree on a mutually acceptable alternative provision.

In the event of a conflict between such laws and regulations and the terms and conditions of this grant award, precedence shall be given to the laws and regulations.

4.3 This grant award between the Grantee and TWC shall conform to the administrative requirements found in:

6.2 The Grantee shall obtain a bond sufficient to cover the largest cumulative amount of all cash requests submitted by a grantee on any given day or the cumulative amount of funds on hand at any given point. Under no circumstances shall TWC disburse to the Grantee an amount of cash that exceeds the bond amount.

6.3 The bond shall be executed by a corporate surety or sureties holding Certificates of authority, authorized to do business in the State of Texas, and acceptable to TWC.

If a surety upon a bond loses its authority to do business in the State of Texas, or the bond is cancelled, reduced, or otherwise amended, the Grantee shall immediately notify TWC and provide a replacement bond adequate to cover the terms and conditions of this section. Until such time that, an adequate replacement bond is secured by the insurer and provided to TWC, no further disbursements shall be made to the Grantee.

9.1 The Grantee shall take every reasonable course of action to maintain integrity in the expenditure of these public funds and to avoid favoritism and questionable or improper conduct.

9.2 The Grantee shall administer this award in an impartial manner, free from efforts to gain personal, financial, or political benefit, tangible or intangible. The Grantee and its executive staff and employees, while administering this grant award, shall avoid situations which could give the appearance that any decision was influenced by prejudice, bias, special interest or desire for personal gain.

9.3 The Grantee assures that no person shall participate in any decision relating to any subcontract which affects his/her personal pecuniary interest including, but not limited to:

- employees, contractors or subrecipients of the Grantee; or

9.4 The Grantee shall maintain on file, and make available for inspection by TWC, a statement submitted by each Grantee employee, contractor, subrecipient or governing body member disclosing any interest, fact or circumstance, which does or may present a potential conflict of interest. Such conflict of interest disclosure statements shall be updated, as circumstances require, but at least annually.

The above paragraph shall serve as a minimum standard and shall not be construed as to limit the Grantee's authority for more restrictive governance to prevent real and/or apparent conflicts of interest.

12.2 The Grantee shall establish and maintain a method to secure the confidentiality of records and other information relating to clients in accordance with applicable federal and state laws, rules, and regulations. This provision shall not be construed, as limiting TWC's right of access to client case records or other information relating to clients served under this contract.

12.3 The Grantee shall grant access and the right to examine, copy, or mechanically reproduce, all reports, books, papers, documents, automated data systems, and other records pertaining to this contract from Monday through Friday, between the hours of 8:00 a.m. and 5:00 p.m., local time, excluding state or federal holidays. In the event of suspected fraud, malfeasance, or program abuse, Agency investigators may retain the original records and leave the mechanically reproduced copies in place of the original records. 13. Monitoring, Audits, and Evaluations.

Part 200, Subpart F, TxGMS, TWC's FMGC, and any other applicable federal, state, or program-specific audit requirements, applicable at the time costs were incurred. Other applicable federal, state, or program-specific audit requirements, may include, but are not limited to the U.S. Department of Health and Human Services regulations at 45 C.F.R. Part 75, and U.S. Department of Labor regulations at 2 C.F.R. Part 2900, as applicable.

Such an audit may be performed by the local government audit staff, a certified public accounting firm, or other auditors as designated by TWC and must be conducted in accordance with applicable federal rules and regulations, grant award guidelines, and established professional standards and practices.

13.3 The Grantee understands that acceptance of funds under this grant award acts as acceptance of the authority of the SAO, or any successor agency, to audit or investigate the expenditure of funds under this grant award or any subcontract. The Grantee further agrees to cooperate fully with the SAO or its successor, including providing all records requested. The Grantee will ensure that this clause concerning the authority to audit funds received indirectly by contractors and subrecipients through the Grantee and the requirement to cooperate is included in any subcontract it awards.

13.4 The Grantee shall develop and maintain a contractor or subrecipient monitoring system, acceptable to TWC, covering any contract or subrecipient it awards from this grant award.

Complete records of all monitoring performed by the Grantee shall be maintained and made available to TWC during such subcontract performance periods and for as long thereafter as an unresolved deficiency may require.

13.5 TWC reserves the right to conduct or cause a designee to conduct monitoring and evaluation studies of the performance of the Grantee or any contractor or subrecipient for services rendered under this grant award.

TWC retains the right to perform such monitoring and evaluation studies that it determines necessary and will report preliminary results to the Grantee and any contractor or subrecipient before the monitoring and evaluation is concluded and the final results are made a matter of record.

13.6 If a charitable or faith-based organization who is a contractor or subrecipient to the Grantee establishes a separate account for the government funds provided through this grant award, then only the services and activities supported by those funds will be subject to audit by TWC or its duly authorized representatives.

13.7 The Grantee shall cooperate with any monitoring, review, audit or examination conducted pursuant to this section.

14. Dispute Resolution.

14.1 To the extent applicable under state and federal law, a Grantee's claim for breach that the parties cannot resolve in the ordinary course of business shall be submitted to the dispute resolution process provided for in 40 TAC, Chapter 800, Subchapter K, as further described in this section.

- To initiate the process, the Grantee shall submit written notice to TWC's contract manager. Said notice shall specifically include the information required by 40 TAC § 800.453, as well as other supporting documentation or other tangible evidence to facilitate TWC's evaluation of the Grantee's claim.
- Neither the execution of this grant award by TWC nor any other conduct of any representative of TWC relating to this grant

award or the dispute resolution process described herein shall be considered a waiver of sovereign immunity to suit.

14.2 Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the Grantee, in whole or in part.

15. Sanctions and Penalties.

15.1 The Grantee acknowledges and accepts that special conditions may be imposed by TWC, and certain enforcement remedies exercised (set forth within OMB UG, 2 C.F.R. Part 200) if the Grantee has been designated as a "high risk" grantee. Special conditions or restrictions could include:

- payment on a reimbursement basis;
- withholding authority to proceed to the next project phase until receipt of evidence of acceptable performance;
- additional and more detailed financial reporting;
- additional project monitoring;
- requiring the Grantee to obtain technical or management assistance;
- establishing additional prior approvals; or
- other conditions or restrictions appropriate to the circumstances.

15.2 The Grantee acknowledges and accepts that failure of the Grantee to comply with any provision of this grant award, whether stated in a federal or state statute or regulation, Commission rule, an

assurance, a certification, an application or TWC policy or procedure referenced in a grant award may subject the Grantee to sanctions and enforcement or remedial measures appropriate to the circumstances, including temporary withholding of cash payments, disallowance of costs, whole or partial suspension of the award, withholding of further awards, or other remedies that may be legally available.

16. Appeals.

Any sanctions or penalties imposed under this grant may be appealed pursuant to Texas Government Code, Chapter 2260.

17. Changes and Amendments.

17.1 This grant award, and all documents or subsequent agreements referenced herein, is the entire agreement between the parties. All oral or written agreements between the parties hereto relating to the subject matter of this grant award that were made prior to the execution of this grant award have been reduced to writing and are contained or referenced herein.

17.2 Any alterations, additions, or deletions to the terms of this grant award required by changes in federal or state law or by regulations are automatically incorporated into this grant award without written amendment hereto and shall become effective on the date designated by such law or regulation.

17.3 To ensure effective performance under this grant award, all parties agree that TWC may amend performance requirements during this grant period, to interpret or clarify a change in federal or state law, rules or regulations, by issuing formal directives to establish or clarify such performance requirements.

- After a period of no less than thirty (30) days subsequent to written notice (unless more rapid implementation is required by law) such formal directives shall have the effect of qualifying the terms of this grant award and shall be binding upon the Grantee and TWC as if written herein.
- Such TWC directives shall not alter the terms of this grant award to relieve TWC of any obligation specified in this grant award to reimburse the Grantee for costs properly incurred prior to the effective date of such formal directives.

17.4 Except as specifically provided by Sections 17.1, 17.2 and 17.3 of these GTCs, any additions, alterations, deletions, or extensions, to the terms of this grant award shall be by amendment hereto in writing and executed by all parties to this grant award except for budget line item changes, which shall be processed pursuant to Financial Requirements, Section I, Expenditure Limitations attached to this grant award. Any other attempted changes, including oral modifications, written notices that have not been signed by all parties, or other modifications of any type, shall be invalid.

17.5 TWC reserves the sole option to renew or extend this grant award after the initial period. Such renewal will be based upon a compliance review and TWC's continuing need for the services. TWC may consider a written request for renewal or extension submitted by the Grantee. Such written request must be received by TWC no later than thirty (30) calendar days prior to the expiration of this grant award.

18. Termination.

18.1 This grant award may be terminated without cause, in whole or in part, by TWC whenever it determines that such termination is in the best interest of TWC or the State.

18.2 Either party may terminate this grant award for breach, pending completion of any reports or audits required by TWC. Such termination shall be effective upon receipt of written notification of termination, provided no less than sixty (60) days in advance.

How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
