Localized Policy Manual Update 127

031901 Brownsville ISD

Update 127 contains local policies that require board action and adoption notification before we can incorporate the revisions into your district's Policy Online® manual. Local policies are completely within the control of each local school board. You may use the draft local policies provided, amend them, or write your own policy to meet your district's unique needs. Your assigned policy consultant[1] is happy to help you with revisions.

Please note that legal framework documents, which may not be adopted by the board, will not be published on Policy Online until the board acts on the local policies or the district specifically requests earlier publication.

What should I do to prepare for board adoption?

1. Log in to Policy Online,[2] select **Local Manual Updates** from the **My Policy Manual** menu, click **Numbered Updates**, then click **UPDATE 127**.
2. Download and save the numbered update resource materials for Update 127.
3. Present the local policies to your board for adoption. Provide your board with the explanatory notes and encourage them to review those along with the local policies.

How do I notify Policy Service that the board has adopted the update?

1. Following board action, go to **Numbered Updates**,[3] select the appropriate numbered update, then click **Notify TASB of Board Action**.
2. Fill out and submit the electronic form so we can incorporate the adopted policies into your district's Policy Online manual.
3. If there are additional changes, submit the annotated changes with your adoption notification. Please provide these documents in Word, if possible, rather than a PDF.

Overview

Update 127 includes revisions to legal framework documents based in large part on changes to Administrative Code rules after the 89th Legislative Session. Changes to local policies offered for consideration address the following topics:

- Superintendent nonrenewal
- Term contracts
- Other types of contracts
- Elective instruction
- Gifted and talented students
- Prekindergarten
- Student safety

Other changes are to accommodate restructuring of codes in the DH and DP series of the manual and to delete local policies in the FO series for which District of Innovation exemptions are no longer allowed.

Please see the Explanatory Notes included in this update packet for a description of the specific changes for each policy.

Board action on the local policies included in the update must occur within a properly posted, open meeting of the board. Instructions for placing policy changes on the agenda for board action and keeping minutes are included with the Update 127 materials under Local Manual Updates[3] on Policy Online.

For more guidance on reviewing and adopting TASB numbered updates, including information on incorporating the update into the district's policy manual and maintaining a historical record of policies, please refer to *The Administrator's Guide to Policy Management*,[4] available in the Policy Online Governance and Management Library[5] (TASB login required).

(LEGAL) vs. (LOCAL): Remember the Difference

Legal framework documents:

- Reflect the ever-changing legal context for governance and management of the district
- Inform local decision making
- Are NOT adopted, but only reviewed

Local policies:

- Require close attention by the administration and the board
- Reflect the practices of the district and the intentions of the board
- Are changed only by board action (adopt, revise, or repeal)

Keep Your Administrative Regulations Current

Inspect your district's administrative procedures and documents — including exhibits, regulations, handbooks, and guides — that may be affected by Update 127 policy changes. If you need to make changes to the regulations or exhibits contained in your board policy manual, please notify your policy consultant.

The *Regulations Resource Manual*[6] contains model regulations and forms and is available in the Governance and Management Library (TASB login required).

Explanatory Notes

TASB Localized Policy Manual Update 127

Brownsville ISD

ATTN(NOTE) GENERAL INFORMATION ABOUT THIS UPDATE

All changes to the legal framework provided in this update are currently effective unless otherwise indicated in the explanatory note for that code.

AIA(LEGAL) ACCOUNTABILITY: ACCREDITATION AND PERFORMANCE INDICATORS

Revisions throughout the A-F Performance Ratings section of this legal framework are due to House Bill 8 from the Second Special Session of the 89th Legislature.

AIB(LEGAL) ACCOUNTABILITY: PERFORMANCE REPORTING

Citations have been updated in accordance with redesignated Administrative Code rules.

AIC(LEGAL) ACCOUNTABILITY: INTERVENTIONS AND SANCTIONS

Revisions to this legal framework are due to House Bill 8 from the Second Special Session of the 89th Legislature. This legislation repealed some provisions and amended others.

BAA(LEGAL) BOARD LEGAL STATUS: POWERS AND DUTIES

An obsolete cross-reference has been deleted at Discretionary Powers and Duties.

BJA(LEGAL) SUPERINTENDENT: QUALIFICATIONS AND DUTIES

A cross-reference has been updated due to recoding material in the DP series of policies.

BJCF(LOCAL) SUPERINTENDENT: NONRENEWAL

Recommended revisions to this local policy on nonrenewal of a superintendent align with language at DFBB(LOCAL) relating to accommodations of disability and the addition of two nonrenewal reasons included in Update 126 that were related to Senate Bill 12 from the 89th Legislature.

CAA(LOCAL) FISCAL MANAGEMENT GOALS AND OBJECTIVES: FINANCIAL ETHICS

A cross-reference in the Note has been updated to reflect changes to the DH series of policies, which are described in more detail below.

CBB(LEGAL) STATE AND FEDERAL REVENUE SOURCES: FEDERAL

The Federal Acquisition Regulation has increased the micro-purchase threshold limit to $15,000 and increased the simplified acquisition threshold to $350,000. The language under Procurement Methods has been adjusted accordingly.

CE(LEGAL) ANNUAL OPERATING BUDGET

Revisions at Authorized Expenditures are due to House Bill 8 from the Second Special Session of the 89th Legislature. Section 3.006 of the bill amends Education Code 45.105(c-1).

CFB(LOCAL) ACCOUNTING: INVENTORIES

As of July 1, 2025, TEA increased the capitalization threshold to $10,000 to align with changes to the federal definition of equipment. The Financial Accountability System Resource Guide (FASRG) is in the process of being updated to reflect this change to rule 1.2.4.3 Capitalization of Assets.

Our records indicate that the district's capitalization threshold in CFB(LOCAL) is less than $10,000. Districts may continue to use the lower threshold; however, if, after consultation with your auditor and other

Brownsville ISD

advisors, your district wishes to increase the threshold, please contact your policy consultant for assistance with updates.

CHE(LEGAL) PURCHASING AND ACQUISITION: VENDOR DISCLOSURES AND CONTRACTS

Citations in the Required Contract Provisions section relating to Energy Companies have been updated after redesignation of the material by House Bill 4595 and to correct a typographical error.

CKEA(LEGAL) SECURITY PERSONNEL: COMMISSIONED PEACE OFFICERS

Substantive revisions are due to rule changes. For readability, additional margin notes have been included. A note has been added under the Required Policies section to point the reader to TCOLE model policies and forms available on the TCOLE website.

CKEB(LEGAL) SECURITY PERSONNEL: SCHOOL MARSHALS

The citation has been corrected at Fit for Duty Review.

CMD(LEGAL) EQUIPMENT AND SUPPLIES MANAGEMENT: INSTRUCTIONAL MATERIALS CARE AND ACCOUNTING

19 Administrative Code 67.1001(e) has been amended. On page 4, the list at Permitted Expenditures adds items to implement Senate Bill 13 from the 89th Texas Legislature by updating the allowable expenditures from a district's instructional materials and technology allotment.

CNC(LEGAL) TRANSPORTATION MANAGEMENT: TRANSPORTATION SAFETY

Language has been added from the Texas Administrative Code. The amended provisions regarding safety standards changed requirements that were once placed on manufacturers of school buses to now be requirements for school districts. The citation to the Transportation Code has been removed, as it is not necessary.

COA(LEGAL) FOOD AND NUTRITION MANAGEMENT: PROCUREMENT

A citation has been corrected at Procurement Training.

CPC(LEGAL) OFFICE MANAGEMENT: RECORDS MANAGEMENT

13 Administrative Code 7.125 has been repealed, and separate rules for each retention schedule have been adopted. Citations relating to the TSLAC Retention Schedules have been updated accordingly.

CQA(LEGAL) TECHNOLOGY RESOURCES: DISTRICT, CAMPUS, AND CLASSROOM WEBSITES

The Required Website Postings section has been revised to reflect new statutory and rule requirements for postings, and the format has been modified to provide a clear citation to each requirement. The Note preceding the list has been revised to provide information regarding why the requirements are posted in the order that has been chosen by TASB.

D(LEGAL) PERSONNEL

Restructuring of codes in the DH section and the DP section necessitates an update to the D section table of contents.

Brownsville ISD

DC(LEGAL) EMPLOYMENT PRACTICES

A cross-reference in the Employment Policies section has been updated to reflect changes to the DP series of policies.

DC(LOCAL) EMPLOYMENT PRACTICES

The cross-reference at Employment Assistance Prohibited has been updated to reflect changes to the DH series of policies. Standard policy language at BJA(LOCAL) notes that the superintendent may delegate responsibilities to other employees of the district but shall remain accountable to the board for the performance of all duties, delegated or otherwise. For this reason, TASB recommends removing "or designee" from the Posting Vacancies section.

DEAA(LEGAL) COMPENSATION PLAN: INCENTIVES AND STIPENDS

House Bill 2, Article 2.20(b) from the 89th Legislature repealed Education Code 48.114 effective September 1, 2026. TASB has opted to include this repeal with Update 127, as it will be the Update closest in time to the effective date.

DF(LEGAL) TERMINATION OF EMPLOYMENT

The cross-reference at Report to Superintendent has been updated to reflect changes to the DP series of policies. We have also updated the cross-reference at Prohibited Classroom Instruction to reflect policy EMB.

DFBA(LEGAL) TERM CONTRACTS: SUSPENSION/TERMINATION DURING CONTRACT

The cross-reference at Report by Principal has been updated to reflect changes to the DP series of policies.

DFE(LEGAL) TERMINATION OF EMPLOYMENT: RESIGNATION

The cross-reference at Report by Principal has been updated to reflect changes to the DP series of policies.

DH(LEGAL) EMPLOYEE STANDARDS OF CONDUCT

Because DHA(LEGAL) has been created to focus on educator ethics, the section by that name has been deleted from this code. In addition, the Duty to Report section of this legal framework has been bolstered with additional text around the duty to report child abuse or neglect.

DH(LOCAL) EMPLOYEE STANDARDS OF CONDUCT

The two cross-references to DH(EXHIBIT) have been revised to reflect changes to the DH series of policies, which are described in more detail below.

DH(EXHIBIT) EMPLOYEE STANDARDS OF CONDUCT

This exhibit is being deleted from the manual, and the Educators' Code of Ethics is being recoded to DHA(LEGAL).

DHA(LEGAL) EMPLOYEE STANDARDS OF CONDUCT: EDUCATOR CODE OF ETHICS

This new legal framework has been created to house information relating to the Educators' Code of Ethics. This material has been recoded to clarify that elements 3.8 and 3.9 of the Code of Ethics now form the basis of the reporting requirements for educator misconduct that changed during the 89th Legislature. Prior to Update 127, the Educators' Code of Ethics was housed as an exhibit to the manual at

Brownsville ISD

DH(EXHIBIT). Because the definitions relating to inappropriate communication and boundaries are from the Code of Ethics, they are now in this new legal framework.

DHB(LEGAL) EMPLOYEE STANDARDS OF CONDUCT: REPORTS TO STATE BOARD FOR EDUCATOR CERTIFICATION

The cross-reference at Deadline to Report After Termination or Resignation has been updated to reflect changes to the DP series of policies.

DHC(LEGAL) EMPLOYEE STANDARDS OF CONDUCT: REPORTS TO TEXAS EDUCATION AGENCY

The cross-reference at Deadline to Report has been updated to reflect changes to the DP series of policies. A citation has been corrected in the Contents of Report section.

DP(LEGAL) PERSONNEL POSITIONS

Material at DP(LEGAL) is being recoded to DPA, regarding principals, and DPB, regarding other personnel positions, as the requirements specific to principals have expanded sufficiently to warrant a separate legal framework.

DP(LOCAL) PERSONNEL POSITIONS

To accommodate the restructuring of the DP series due to the requirements specific to principals, this local policy is recommended for deletion. Materials regarding principal qualifications have been moved to a new code at DPA(LOCAL), and the language relating to school counselors has been moved to DPB(LOCAL).

DPA(LEGAL) PERSONNEL POSITIONS: PRINCIPALS

Information relating to principals previously found at DP has been relocated to this new code. In addition, a note relating to the requirement to report child abuse or neglect has been added so all reporting requirements for principals are housed in one location for clarity.

DPA(LOCAL) PERSONNEL POSITIONS: PRINCIPALS

This new code specifically related to principals now houses principal qualification language that was previously at DP(LOCAL). Minor revisions have been made to the text at Qualifications to align with the model job description provided by TASB HR Services. Any posting for a principal position would, at minimum, include the items provided in this list. Other qualifications may be included as provided by the last item in the list.

DPB(LEGAL) PERSONNEL POSITIONS: OTHER PERSONNEL POSITIONS

All information previously at DP(LEGAL) that is not related to principals (now at DPA) and substitutes (now at DPC) has been moved to this legal framework. The School Psychological Services section has been amended to reflect changes in 22 Administrative Code 465.38(b)-(c).

DPB(LOCAL) PERSONNEL POSITIONS: OTHER PERSONNEL POSITIONS

This new policy now houses text relating to school counselors that was previously at DP(LOCAL).

Brownsville ISD

DPC(LEGAL) PERSONNEL POSITIONS: SUBSTITUTE, TEMPORARY, AND PART-TIME POSITIONS

This new legal framework now houses information formerly in DPB(LEGAL) relating to substitute positions.

EB(LEGAL) SCHOOL YEAR

The note at the top of this legal framework has been updated to remove the hyperlink to the district's innovation plan. The hyperlink to the district's innovation plan is located in AF(LOCAL), and a cross-reference to that code has been included.

EFA(LEGAL) INSTRUCTIONAL RESOURCES: INSTRUCTIONAL MATERIALS

Substantive revisions are due to amendments to 19 Administrative Code 67.1501 and 67.1502 regarding TEA standards for review of instructional materials. Additional revisions have been made for organization and to margin notes to improve clarity and readability.

EHAC(LEGAL) BASIC INSTRUCTIONAL PROGRAM: REQUIRED INSTRUCTION (SECONDARY)

Changes to this policy regarding course offerings in grades 9-12 were needed after amendments to 19 Administrative Code 74.3. Citations have also been updated to conform with the new amendments.

EHBB(LEGAL) SPECIAL PROGRAMS: GIFTED AND TALENTED STUDENTS

Revisions to this legal framework are due to amendments to 19 Administrative Code 89.1.

EHBB(LOCAL) SPECIAL PROGRAMS: GIFTED AND TALENTED STUDENTS

Recommended changes at Identification Criteria are the result of amendments to 19 Administrative Code 89.1.

EHBCA(LEGAL) COMPENSATORY SERVICES AND INTENSIVE PROGRAMS: ACCELERATED INSTRUCTION

Revisions to this legal framework are due to House Bill 8 from the Second Special Session of the 89th Legislature. Please note that the English II end-of-course (EOC) assessment is still a requirement for the 2026 and 2027 graduating classes.

EHDD(LEGAL) ALTERNATIVE METHODS FOR EARNING CREDIT: COLLEGE COURSE WORK/DUAL CREDIT

The FAST Program section has been revised due to amendments to 19 Administrative Code 13.503(a)-(b). Deletions throughout are due to repealed provisions from the Administrative Code.

EKB(LEGAL) TESTING PROGRAMS: STATE ASSESSMENT

Revisions throughout this legal framework are due to changes from House Bill 8 from the Second Special Session of the 89th Legislature.

FA(LEGAL) PARENT RIGHTS AND RESPONSIBILITIES

A section prohibiting infringement on parental rights has been added after voters approved Senate Joint Resolution 34 from the 89th Legislature.

Brownsville ISD

FED(LEGAL) ATTENDANCE: ATTENDANCE ENFORCEMENT

Changes regarding sanctions as they relate to truancy prevention measures are due to revisions at 19 Administrative Code 129.1047.

FFAC(LEGAL) WELLNESS AND HEALTH SERVICES: MEDICAL TREATMENT

13 Administrative Code 7.125, which contained all the TSLAC retention schedules, was repealed and replaced with 13 Administrative Code 7.126-.137. Each rule now contains a single retention schedule. The Records of Public School Districts schedule is now located at 13 Administrative Code 7.131. The revision at Records in the section on the Maintenance and Administration of Epinephrine Delivery Systems reflects this change. Related revisions also appear in CPC(LEGAL).

FFEB(LEGAL) COUNSELING AND MENTAL HEALTH: MENTAL HEALTH

The cross-reference in the Exception: Court Order section has been updated to reflect changes to the DP series of policies.

FFF(LOCAL) STUDENT WELFARE: STUDENT SAFETY

The definition of misconduct has been amended to include provisions from Senate Bill 571 from the 89th Legislative Session. The misconduct definition has also been reformatted to improve readability.

FM(LEGAL) STUDENT ACTIVITIES

In the Limits on Participation and Practice section, "one activity" has been revised to "two activities" due to amendments to 19 Administrative Code 76.1001(d).

FOA(LEGAL) STUDENT DISCIPLINE: REMOVAL BY TEACHER OR BUS DRIVER

At Appeals, a citation error has been corrected, and margin notes have been added to assist with clarity and readability.

GKA(LEGAL) COMMUNITY RELATIONS: CONDUCT ON SCHOOL PREMISES

A citation in the Tobacco and E-Cigarettes section has been updated after 20 U.S.C. 7183 was redesignated to 20 U.S.C. 7973.

GKD(LEGAL) COMMUNITY RELATIONS: NONSCHOOL USE OF SCHOOL FACILITIES

Substantial revisions have been made regarding Facilities Use by Religious Organizations based on Senate Bill 2986 from the 89th Legislature.

GNC(LEGAL) RELATIONS WITH EDUCATIONAL ENTITIES: COLLEGES AND UNIVERSITIES

19 Administrative Code 9.141-9.144, 9.146, and 9.147 have been repealed, which led to substantive changes to this legal framework. Provisions that are duplicative of those in EHDD(LEGAL) have been deleted.

Accreditation

Each district must be accredited by Texas Education Agency (TEA). A district that is not accredited may not receive funds from TEA or hold itself out as operating a public school of this state. *Education Code 11.001, 39.052(f)*

District accreditation is determined in accordance with Education Code Chapter 39, Subchapter C and rules adopted by the commissioner of education at 19 Administrative Code, Chapter 97, Subchapter EE (Accreditation Status, Standards, and Sanctions). *Education Code 39.051*

Statuses

The commissioner shall determine criteria for the following accreditation statuses:

1. Accredited. Accredited means TEA recognizes the district as a public school of this state that meets the standards determined by the commissioner under Education Code 39.052(b) and (c), and specified in 19 Administrative Code 97.1059; and is not currently assigned an accreditation status of Accredited-Warned or Accredited-Probation;

2. Accredited-Warned. Accredited-Warned means the district exhibits deficiencies in performance, as specified in 19 Administrative Code 97.1055(b), that, if not addressed, will lead to probation or revocation of its accreditation status;

3. Accredited-Probation. Accredited-Probation means the district exhibits deficiencies in performance, as specified in 19 Administrative Code 97.1055(c), that must be addressed to avoid revocation of its accreditation status; and

4. Not Accredited-Revoked. Not Accredited-Revoked means TEA does not recognize the district as a Texas public school because the district's performance has failed to meet standards adopted by the commissioner under Education Code 39.052(b) and (c), and specified in 19 Administrative Code 97.1055(d).

Education Code 39.051; 19 TAC 97.1055(a)(1)

Annual Evaluation

Each year, the commissioner shall determine the accreditation status of each district. In determining the accreditation status of a district, the commissioner:

1. Shall evaluate and consider performance:

    a. On achievement indicators under Education Code 39.053 [see Performance Indicators, below]; and

b. Under the financial accountability rating system developed under Education Code, Chapter 39, Subchapter D [see CFA].

2. May evaluate and consider:

a. The district's compliance with statutory requirements and requirements imposed by rule of the commissioner or State Board of Education that relate to:

(1) Reporting data through the Public Education Information Management System (PEIMS) or other reports required by state or federal law or court order;

(2) High school graduation requirements; or

(3) Extracurricular activities, student health and safety, purchasing, elementary class size limits, removal of a disruptive student from the classroom, at-risk programs, and prekindergarten programs;

b. The effectiveness of the district's programs for special populations; and

c. The effectiveness of the district's career and technology program.

Based on a district's performance, the commissioner shall assign each district an accreditation status or revoke the accreditation of the district and order closure of the district.

A district's accreditation status may be raised or lowered based on the district's performance or may be lowered based on the performance of one or more campuses in the district that is below a standard required by Education Code Chapter 39, Subchapter C.

Education Code 7.056(e)(3)(C)-(I), 39.052; 19 TAC 97.1055

For additional information on the commissioner process for assigning accreditation status, see 19 Administrative Code 97.1055.

Notice of Status

The commissioner shall notify a district if the district has received an accreditation status of accredited-warned or accredited-probation, or a campus's performance is below standard. *Education Code 39.052(e)*

To Parents and Property Owners

A district assigned an accreditation status of accredited-warned, accredited-probation, or not accredited-revoked shall notify the parents of students enrolled in the district and property owners in the district as specified in 19 Administrative Code 97.1055. The district's notice must contain information about the accreditation status, the implications of such status, and the steps the district is tak-

ing to address the areas of deficiency identified by the commissioner. The district's notice shall use the format and language determined by the commissioner.

The district's notice must:

1. Not later than 30 calendar days after the accreditation status is assigned, appear on the home page of the district's website, with a link to the required notification, and remain until the district is assigned the accredited status; and

2. Appear in a newspaper of general circulation, as defined in 19 Administrative Code 97.1051 (Definitions), in the district for three consecutive days as follows:

   a. From Sunday through Tuesday of the second week following assignment of the status; or

   b. If the newspaper is not published from Sunday through Tuesday, then for three consecutive issues of the newspaper beginning the second week following assignment of the status; or

3. Not later than 30 calendar days after the status is assigned, be sent by first class mail addressed individually to each parent of a student enrolled in the district and each property owner in the district; or

4. Not later than 30 calendar days after the status is assigned, be presented as a discussion item in a public meeting of the board of trustees conducted at a time and location that allows parents of students enrolled in the district and property owners in the district to attend and provide public comment.

To TEA

A district required to act under this subsection shall send the following to TEA via certified mail, return receipt requested:

1. The universal resource locator (URL) for the link to the notification required above; and

2. Copies of the notice in the newspaper showing dates of publication, or a paid invoice showing the notice content and its dates of publication; or

3. Copies of the notice sent by mail and copies of all mailing lists and postage receipts; or

4. Copies of the notice presented at a public meeting and copies of the board of trustees meeting notice and minutes for the

board meeting in which the notice was presented and publicly discussed.

19 TAC 97.1055(f)

Performance Indicators

The commissioner shall adopt a set of indicators of the quality of learning and achievement, including three domains of achievement indicators. [See Achievement Indicators, below] *Education Code 39.053(a)*

The indicators must measure and evaluate districts and campuses with respect to:

1. Improving student preparedness for success in subsequent grade levels and entering the workforce, the military, or post-secondary education;
2. Reducing, with the goal of eliminating, student academic achievement differentials among students from different racial and ethnic groups and socioeconomic backgrounds; and
3. Informing parents and the community regarding campus and district performance.

Education Code 39.053(a-1)

Achievement Indicators

Districts and campuses must be evaluated based on indicators of achievement grouped in three domains:

1. Student achievement domain;
2. School progress domain; and
3. Closing the gaps domain.

Education Code 39.053(c)

Performance on the achievement indicators in the three domains shall be compared to state-established standards. The indicators must be based on information that is disaggregated by race, ethnicity, and socioeconomic status. *Education Code 39.053(b)*

Each school district shall submit the data required for the indicators to the commissioner. *Education Code 39.053(i)*

A-F Performance Ratings

Except when the commissioner determines the assignment of an overall performance rating would be inappropriate [see Assignment of Not Rated, below], the commissioner shall adopt rules to evaluate district and campus performance and, each school year, assign each district and campus an overall performance rating of A, B, C, D, or F.

In addition to the overall performance rating, each school year, the commissioner shall assign each district and campus a separate domain performance rating of A, B, C, D, or F for each domain under Education Code 39.053(c) [see Achievement Indicators, above].

An overall or domain performance rating of:

A reflects exemplary performance.

B reflects recognized performance.

C reflects acceptable performance.

D reflects performance that needs improvement.

F reflects unacceptable performance.

A district may not receive an overall or domain performance rating of A if the district includes any campus with a corresponding overall or domain performance rating of D or F.

For purposes of assigning districts and campuses an overall and a domain performance rating, the commissioner shall ensure that the method used to evaluate performance is implemented in a manner that provides the mathematical possibility that all districts and campuses receive an A rating.

Except as provided below, not later than August 15 of each year, the following information shall be made publicly available as provided by rules adopted by the commissioner:

1. The performance ratings for each district and campus; and

2. If applicable, the number of consecutive school years of unacceptable performance ratings for each district and campus.

The commissioner shall make the information above available as soon as reasonably possible in years in which the standards are modified or recalibrated or in which a new assessment instrument is offered.

Education Code 39.054(a), (a-3), (b), (c)

Assignment of Not Rated

Reasons for Assignment

Notwithstanding any other law, the commissioner may assign a district or campus an overall performance rating of “Not Rated” if the commissioner determines that the assignment of a performance rating of A, B, C, D, or F would be inappropriate because:

1. The district or campus is located in an area that is subject to a declaration of a state of disaster under Government Code Chapter 418 and due to the disaster, performance indicators for the district or campus are difficult to measure or evaluate

and would not accurately reflect quality of learning and achievement for the district or campus;

2. The district or campus has experienced breaches or other failures in data integrity to the extent that accurate analysis of data regarding performance indicators is not possible;

3. The number of students enrolled in the district or campus is insufficient to accurately evaluate the performance of the district or campus; or

4. For other reasons outside the control of the district or campus, the performance indicators would not accurately reflect quality of learning and achievement for the district or campus.

Education Code 39.054(a-4)

No Statewide Assignment

The commissioner may not assign an overall performance rating of "Not Rated" to all school districts or all campuses on a statewide basis. *Education Code 39.054(a-6)*

Calculating Consecutive Years

Notwithstanding any other law, an overall performance rating of "Not Rated" is not included in calculating consecutive school years of unacceptable performance ratings and is not considered a break in consecutive school years of unacceptable performance ratings for purposes of any provision of the Education Code. *Education Code 39.054(a-5)*

Continuation of Interventions or Sanctions

Any interventions or sanctions to which a district or campus is subject under Education Code Chapter 39A shall continue during a period in which the district or campus is assigned an overall performance rating of "Not Rated." *Education Code 39.054(a-5)*

Acceptable Performance

A reference in law to an acceptable performance rating or acceptable performance includes an overall or domain performance rating of A, B, or C or performance that is exemplary, recognized, or acceptable. A reference in law to an unacceptable performance rating or unacceptable performance includes an overall or domain performance rating of F. For the purposes of public reporting requirements, an overall or domain performance rating of D shall be referred to as performance that needs improvement. *Education Code 39.0543(a)*

D Rating

A reference in law to an acceptable performance rating or acceptable performance for a district or campus includes an overall performance rating of D if, since previously receiving an overall performance rating of C or higher, the district or campus has not previously received more than one overall performance rating of D or has not received an overall performance rating of F. *Education Code 39.0543(b)*

Appeal and Revision

The process and timeline by which a district or campus may appeal ratings are based upon the requirements described in the *Accountability Ratings Appeals Process and Timeline* adopted under 19 Administrative Code 97.1002 and apply to all accountability rating appeals from 2023 and beyond until otherwise updated. The calendar dates for the accountability year will be announced in conjunction with the release of preliminary accountability ratings. *19 TAC 97.1002(b)*

Ratings may be revised as a result of investigative activities by the commissioner as authorized under Education Code 39.003. *19 TAC 97.1002(c)*

Local Accountability System

The local accountability system standards established by the commissioner under Education Code 39.0544 shall be used by districts to develop a plan to locally evaluate the performance of their campuses. *19 TAC 97.1003(a)*

Local Accountability Plan

A local accountability plan created by a district must include domain performance ratings assigned by the commissioner under Education Code 39.054, and performance ratings based on locally developed domains or sets of accountability measures. *19 TAC 97.1003(b)*

A district must create its local accountability plan based on school type. The four school types are elementary school, middle school, high school, and kindergarten-grade 12. The plan must include all campuses within a school type. The district may also request to identify an additional school group within a school type for which to customize its local accountability plan. Otherwise, all campuses within a school type must be evaluated on a common set of components determined by the district. A district may also request to identify a campus rated under alternative education accountability provisions as a unique school type. *19 TAC 97.1003(b)(4)*

Plan Components

A locally developed domain or set of accountability measures is referred to as a plan component. Plan components must describe each item and the reason for its inclusion in the plan. A district must assign each component to one of the following five domains: academics, culture and climate, extra- and co-curricular, future-ready learning, and locally determined. The weight of all plan components must equal 100 percent. *19 TAC 97.1003(b)(1)*

A district may assign weights to each plan component, as determined by the district, provided that the plan components must in the aggregate account for no more than 50 percent of the combined overall performance rating. A local accountability plan may include no fewer than two and no more than 10 components weighted between 5 percent and 60 percent. *19 TAC 97.1003(c)*

Each plan component must contain levels of performance that allow for differentiation, with assigned standards for achieving the differentiated levels that are aligned to a letter grade of A, B, C, D, or F and meet the requirements of 19 Administrative Code 97.1003(d)(1)-(3). *19 TAC 97.1003(d)*

Each plan component measure must meet standards for reliability and validity as required by 19 Administrative Code 97.1003(e)(1)-(3). *19 TAC 97.1003(e)*

Campuses without STAAR or State Ratings

For the purposes of assigning state accountability ratings, a campus that does not serve any grade level for which a State of Texas Assessments of Academic Readiness (STAAR) examination is administered is paired with a campus in its district that serves grade levels for which STAAR examinations are administered.

A campus not rated under the state accountability system is not eligible to combine state and local ratings. Local accountability data for a campus without state ratings may be displayed on TEA, district, and campus websites but will not be combined with state accountability data. The state accountability manual adopted under 19 Administrative Code 97.1001 (Accountability Rating System) provides information about campus ratings and eligibility for applicable years.

19 TAC 97.1003(b)(3)

Campus Performance Ratings

A district authorized to assign campus performance ratings shall evaluate the performance of each campus and assign each campus a performance rating of A, B, C, D, or F for overall performance and for each locally developed domain or set of accountability measures. Not later than a date established by the commissioner, the district shall:

1. Report the performance ratings to the agency; and
2. Make the performance ratings available to the public as provided by commissioner rule.

Education Code 39.0544(e)

Each campus with an approved district plan is eligible to receive a local accountability rating. A campus with an overall state accountability rating of C or higher based on ratings derived from student performance at the campus is eligible to combine an overall local accountability rating with the overall state accountability rating to determine the combined rating. *19 TAC 97.1003(b)(2); Education Code 39.054(a)*

Submission and Audit Standards

Calculations for each plan component and overall performance ratings must be capable of being audited by a third party.

A district must use a one-to-one correspondence when converting campus grades based on plan component measures to a standard scale of 30-100 where A=90-100, B=80-89, C=70-79, D=60-69, and F=30-59.

Categorical data, or data not on a continuous scale, must be converted to the standard scale of A=90-100, B=80-89, C=70-79, D=60-69, and F=30-59 by assigning the maximum value for each scaled score interval with the corresponding category used in the campus rating scale.

A district is required to submit a local accountability plan that includes components, domains, and overall scaled scores and ratings to TEA on a timeline determined by the commissioner. The timeline will be published on the TEA website.

All scaled scores and letter grades submitted by a school district are subject to audit. Any data discrepancies or any indication that data have been compromised may result in verification and audit of district and campus data used to assign local accountability ratings. The audit process may include requests for data used for campus-level calculation of component and domain scaled scores.

On an annual basis, TEA will randomly select districts for local accountability audits, and, for each such audit, TEA will randomly select components for review. Selected districts must submit the requested data for review within the timeframe specified. A district must maintain documentation of its local accountability plan, along with all associated data used to assign campus ratings, for two years after the end of the plan implementation period.

Responsibility for the accuracy and quality of data used to determine local accountability ratings rests with each district. Superintendent certification of data accuracy during the ratings submission process shall include an assurance that calculations have been verified to ensure that all data were included as appropriate for all components.

19 TAC 97.1003(f)(1)-(6)

Scorecard and Website

A district must produce a campus scorecard and make available on the district website an explanation of the methodology used to assign local accountability performance ratings. The campus scorecard shall include, at a minimum, the scaled score and rating for each component and domain along with the overall rating. A link to the local accountability ratings posted by the district must be pro-

vided to TEA and may be included on the agency-developed school report card. *19 TAC 97.1003(g)*

Appeal and Revision

An appeal of a local accountability rating may be submitted by the superintendent once ratings are released. The local accountability appeals timeline follows the appeal deadline dates and processes as described in the state accountability manual adopted under 19 Administrative Code 97.1001 of this title for the applicable year. *19 TAC 97.1003(f)(7)*

Ratings may be revised as a result of investigative activities by the commissioner as authorized under Education Code 39.057(d) and (e) (redesignated to Education Code 39.003). *19 TAC 97.1003(h)*

Distinction Designations for Outstanding Performance

The commissioner shall award distinction designations for outstanding performance. A distinction designation awarded to a district or campus shall be referenced directly in connection with the performance rating assigned to the district or campus and made publicly available together with the A-F performance ratings.

A district or campus may not be awarded a distinction designation unless the district or campus has acceptable performance under the A-F performance ratings.

Education Code 39.201

Academic Distinction

The commissioner shall establish an academic distinction designation for districts and campuses for outstanding performance in attainment of postsecondary readiness based on the commissioner's adopted criteria. *Education Code 39.202*

Campus Distinction

The commissioner shall award a campus a distinction designation for outstanding performance in:

1. Improvement in student achievement;
2. Closing student achievement differentials; and
3. Academic achievement in English language arts, mathematics, science, or social studies.

Education Code 39.203

The commissioner may award a distinction designation for outstanding performance in advanced middle or junior high school student achievement. *Education Code 39.203(d)*

Excellence Exemptions

Except as listed below, a district or campus that is rated A (exemplary) is exempt from requirements and prohibitions imposed under the Education Code, including regulations adopted under the Education Code.

An exemplary campus or district is not exempt from:

1. A prohibition on conduct that constitutes a criminal offense;
2. Requirements imposed by federal law or rule, including requirements for special education or bilingual education programs;
3. A requirement, restriction, or prohibition relating to:
    a. Curriculum essential knowledge and skills or high school graduation requirements;
    b. Public school accountability;
    c. Extracurricular activities;
    d. Health and safety;
    e. Purchasing;
    f. Elementary class size limits;
    g. Removal of a disruptive student from the classroom;
    h. At-risk programs;
    i. Prekindergarten programs;
    j. Rights and benefits of school employees;
    k. Special education programs; or
    l. Bilingual education programs.

The commissioner may exempt an exemplary campus from class size limits if the campus submits a written plan showing steps that will be taken to ensure that the exemption will not be harmful to the academic achievement of the students on the school campus. If granted, the exemption remains in effect until the commissioner determines that achievement levels of the campus have declined.

Education Code 39.232

District Annual Report

The board shall publish an annual report describing the educational performance of the district and of each campus in the district that includes uniform student performance and descriptive information as determined under rules adopted by the commissioner of education. *Education Code 39.306(a)*

Texas Academic Performance Report (TAPR)

The performance report provided by the Texas Education Agency (TEA) under Education Code 39.306 shall be termed the Texas Academic Performance Report (TAPR). The intent of the TAPR is to inform the public about the educational performance of the district and of each campus in the district in relation to the district, the state, and a comparable group of schools. The TAPR will present the campus performance information as well as the student, staff, and financial information required by statute. It will also include any explanations and additional information deemed appropriate to the intent of the report.

The district may not alter the report provided by TEA. However, the district may concurrently provide additional information to the public that supplements or explains information in the TAPR.

Campus Performance Report

Each school year, TEA shall prepare and distribute to each district a report card for each campus. The campus report card distributed by TEA shall be termed the “school” report card (SRC). The intent of the SRC is to inform each student’s parents or guardians about the school’s performance and characteristics. The SRC will present the student, staff, financial, and performance information required by statute, as well as any explanations and additional information deemed appropriate to the intent of the report.

Distribution

The district must disseminate each SRC within six weeks after the SRC is received from TEA. The school may not alter the report provided by TEA; however, it may concurrently provide additional information to the parents or guardians that supplements or explains information in the SRC.

The SRC must be distributed to the parent, guardian, conservator, or other person having lawful control of each student at the campus. On written request, a district shall provide a copy of the SRC to any other party.

The campus administration may provide the SRC in the same manner it would normally transmit official communications to parents and guardians, such as including the SRC in a weekly folder sent home with each student, mailing it to the student’s residence, providing it at a teacher-parent conference, enclosing it with the student report card, or sending it via electronic mail.

Education Code 39.305; 19 TAC 97.1007

Performance of Students Receiving Special Education Services

At least once each year, the board shall include during a public meeting a discussion of the performance of students receiving special education services at the district.

TEA shall adopt a set of performance indicators for measuring and evaluating the quality of learning and achievement for students receiving special education services at the district to be considered at a meeting held under this section. The indicators must include performance on the college, career, or military readiness outcomes described by Education Code 48.110.

Education Code 29.0012

Federal Report Card

A district that receives Title I funding shall prepare and disseminate an annual federal report card that includes information on the district as a whole and each school within the district.

Implementation

The federal report card shall be concise; presented in an understandable and uniform format, and to the extent practicable, in a language that parents can understand; and accessible to the public, which shall include placing the report card on the district's website. If the district does not operate a website, the information in the report card must be provided to the public in another manner determined by the district.

Minimum Requirements

The federal report card shall include the information required in the annual state report card described at 20 U.S.C. 6311(h)(1)(C), as applied to the district and each school served by the district, including:

1. In the case of the district, information that shows how students served by the district achieved on state academic assessments compared to students in the state as a whole;

2. In the case of a school, information that shows how the school's students' achievement on state academic assessments compared to students served by the district and the state as a whole; and

3. Any other information that the district determines is appropriate and will best provide parents, students, and other members of the public with information regarding the progress of each public school served by the district, whether or not such information is included in the annual state report card.

20 U.S.C. 6311(h)(2)

District Data on Academic Achievement

On request by the board, TEA shall create a website that members of the board may use to review campus and district academic achievement data. The website must also be made available to campuses in a similar manner that access is provided to the board.

The website must:

1. Include district information, disaggregated by campus, grade, sex, race, academic quarter or semester, as applicable, and school year, regarding the following:
    a. Student academic achievement and growth;
    b. Teacher and student attendance; and
    c. Student discipline records; and
2. Be updated at least once each quarter of the school year.

The commissioner shall provide information that permits a board member to compare the district's academic performance with the academic performance of other districts of similar size and racial and economic demographics.

A district must provide requested information to the commissioner for the creation of the website. Confidential information received by the commissioner remains confidential. The commissioner shall design the website to ensure that public information is made available to the public, and information submitted by districts noted as confidential is not made available to the public.

A request for public information under this provision shall be submitted to the district that provides the agency with the information. TEA may not release information submitted by a district that is noted as confidential information.

Interventions and Sanctions for School Districts

The commissioner of education shall take any of the actions authorized by Education Code Chapter 39A, Subchapter A, to the extent the commissioner determines necessary if:

Grounds for Commissioner Action

1. A district does not satisfy:
    a. The accreditation criteria under Education Code 39.052 [see AIA];
    b. The academic performance standards under Education Code 39.053 or 39.054 [see AIA]; or
    c. Any financial accountability standard as determined by commissioner rule [see CFA]; or
2. The commissioner considers the action to be appropriate on the basis of a special investigation under Education Code 39.003.

Education Code 39A.001

Authorized Commissioner Actions

If a district is subject to commissioner action, the commissioner may:

1. Issue public notice of the deficiency to the board;
2. Order a hearing to be conducted by the board to notify the public of:
    a. The insufficient performance;
    b. The improvements in performance expected by the Texas Education Agency (TEA); and
    c. The interventions and sanctions that may be imposed if the performance does not improve;
3. Order the preparation of a student achievement improvement plan that addresses each academic achievement indicator under Education Code 39.053(c) for which the district's performance is insufficient, the submission of the plan to the commissioner for approval, and the implementation of the plan;
4. Order a hearing to be held before the commissioner or the commissioner's designee at which the president of the board and the district's superintendent shall appear and explain the district's low performance, lack of improvement, and plans for improvement;
5. Arrange a monitoring review of the district;
6. Appoint a TEA monitor to participate in and report to TEA on the activities of the board or superintendent;

7. Appoint a conservator to oversee the operations of the district;

8. Appoint a management team to direct the operations of the district in areas of insufficient performance or require the district to obtain certain services under a contract with another person;

9. Authorize the district to enter into a memorandum of understanding with an institution of higher education that provides for the assistance of the institution of higher education in improving the district's performance; or

10. Order the use of the board improvement and evaluation tool as provided by Education Code 11.182 [see BG].

Education Code 39A.002

Regardless of whether the commissioner lowers a district's status or rating, the commissioner may take action under Education Code Chapters 39 and 39A or 19 Administrative Code 97.1057 if the commissioner determines that the action is necessary to improve any area of performance by the district or campus.

Subject to 19 Administrative Code 97.1057(h)-(k), once the commissioner takes action under 19 Administrative Code Chapter 97, Subchapter EE (accreditation status, standards, and sanctions), the commissioner may impose on the district or campus any other sanction under Education Code Chapter 39 or 39A, or Subchapter EE, singly or in combination, to the extent the commissioner determines is reasonably required to achieve the purposes specified in 19 Administrative Code 97.1053.

19 TAC 97.1057(c), (e)

In making a determination to impose district and campus accreditation sanctions under 19 Administrative Code Chapter 97, Subchapter EE, the commissioner shall meet the requirements of 19 Administrative Code 97.1059. *19 TAC 97.1059*

Conservator or Management Team

The commissioner shall clearly define the powers and duties of a conservator or management team appointed to oversee the operations of a district.

At least every 90 days, the commissioner shall review the need for the conservator or management team and shall remove the conservator or management team unless the commissioner determines that continued appointment is necessary for effective governance of the district or delivery of instructional services.

A conservator or management team, if directed by the commissioner, shall prepare a plan for the implementation of the appointment of a board of managers or the revocation of accreditation.

The conservator or management team may:

1. Direct an action to be taken by the principal of a campus, the superintendent of the district, or the board; and

2. Approve or disapprove any action of the principal of a campus, the superintendent of the district, or the board.

The conservator or management team may not:

1. Take any action concerning a district election, including ordering or canceling an election or altering the date of or the polling places for an election;

2. Change the number of or method of selecting the board;

3. Set a tax rate for the district; and

4. Adopt a budget for the district that provides for spending a different amount, exclusive of required debt service, from that previously adopted by the board.

A conservator or management team may exercise the powers and duties defined by the commissioner or described above regardless of whether the conservator or management team was appointed to oversee the operations of a district in its entirety or the operations of a certain campus within the district.

Education Code 39A.003

Regardless of whether a district has satisfied the accreditation criteria, if for two consecutive school years, including the current school year, a district has had a conservator or management team assigned to the district or campus for any reason, the commissioner may appoint a board of managers, a majority of whom must be residents of the district, to exercise the powers and duties of the board of trustees. For purposes of this subsection, a school year begins on the first day of instruction and includes any portion of the school year. This applies to an appointed conservator or management team, regardless of the scope or any changes to the scope of the conservator's or team's oversight. *19 TAC 97.1057(d); Education Code 39A.006(a)-(b)*

Board of Managers

The commissioner may appoint a board of managers to exercise the powers and duties of a district's board if the district is subject to commissioner action and:

1. Has a current accreditation status of accredited-warned or accredited-probation;
2. Fails to satisfy any standard under Education Code 39.054(e); or
3. Fails to satisfy financial accountability standards as determined by commissioner rule.

Education Code 39A.004

Revocation of Accreditation

The commissioner may revoke the accreditation of a district if the district is subject to commissioner action, and for two consecutive school years, including the current school year, the district has:

1. Received an accreditation status of accredited-warned or accredited-probation;
2. Failed to satisfy any standard under Education Code 39.054(e); or

A campus that has received an unacceptable rating for the school year following the development of the campus turnaround plan must implement its commissioner-approved campus turnaround plan with fidelity until the campus operates for two consecutive school years without an unacceptable rating.

Change in Circumstances

A campus may modify its campus turnaround plan with commissioner approval if it is determined that due to a change in circumstances occurring after the plan's approval under Education Code 39A.107 a modification of the plan is necessary to achieve the plan's objectives.

A change in circumstance may be the following, but not limited to:

1. A campus that has written a turnaround plan but has not yet been ordered to implement it and has received a Not Rated; Declared State of Disaster rating for two consecutive years prior to receiving its next F rating; or

The commissioner may appoint a monitor, conservator, management team, or board of managers to the district to ensure and oversee district-level support to low-performing campuses and the implementation of the updated targeted improvement plan.

The commissioner shall appoint a conservator to a district unless and until each campus in the district for which a campus turnaround plan has been ordered receives an acceptable performance rating for the school year or the commissioner determines a conservator is not necessary.

In making appointments, the commissioner shall consider individuals who have demonstrated success in managing campuses with

student populations similar to the campus at which the individual appointed will serve.

Education Code 39A.102, .108

Commissioner Approval or Rejection

Not later than June 15 of each year, the commissioner shall, in writing, either approve or reject any campus turnaround plan prepared and submitted to the commissioner by a district. If the commissioner rejects a campus turnaround plan, the commissioner must also send the district an outline of the specific concerns regarding the turnaround plan that resulted in the rejection. *Education Code 39A.107(a-1)*

Education Code 12.0522(b) does not apply to a district charter approved by the commissioner. An approved district charter may be renewed or continue in effect after the campus is no longer subject to the commissioner’s order under Education Code 39A.101.

If the commissioner does not approve a campus turnaround plan, the commissioner shall order:

1. Appointment of a board of managers to govern the district;
2. Alternative management of the campus;
3. Operation of the campus by an entity with which the district contracts under Education Code 11.174; or
4. Closure of the campus.

Education Code 39A.107; 19 TAC 97.1065

Preparation

the commissioner, the district, in consultation with the campus intervention team, shall take any actions needed to implement the plan. *Education Code 39A.108*

Assistance and Partnerships

A district may:

1. Request that a regional education service center provide assistance in the development and implementation of a campus turnaround plan; or
2. Partner with an institution of higher education to develop and implement a campus turnaround plan.

Education Code 39A.109

Subsequent Acceptable Performance Rating

If a campus for which a campus turnaround plan has been ordered receives an acceptable performance rating subsequent to the order, the district is no longer required to implement the campus turnaround plan.

The commissioner may authorize modification of an approved campus turnaround plan if the commissioner determines that due to a change in circumstances occurring after the plan's approval, a modification of the plan is necessary to achieve the plan's objectives.

Education Code 39A.110

Continued Unacceptable Performance Rating

If a campus is considered to have an unacceptable performance rating for five consecutive school years, the commissioner shall order:

1. Appointment of a board of managers to govern the district; or
2. Closure of the campus.

Education Code 39A.111

Parent Petition for Action

“Parent” means the parent who is indicated on the student registration form at that campus and the signature of only one parent of a student is required.

If the commissioner is presented, in the time and manner specified by commissioner rule, with a written petition signed by the parents of a majority of the students enrolled at a campus with an unacceptable performance rating for three consecutive school years, specifying an authorized action that the parents request the commissioner to order, the commissioner shall order the specific action requested.

If the board presents to the commissioner, in the time and manner specified by commissioner rule, a written request that the commis-

sioner order specific authorized action other than the specific action requested in the parents' petition and a written explanation of the basis for the board's request, the commissioner may order the action requested by the board.

Education Code 12.051, 39A.112; 19 TAC 97.1065(d)

Repurposing of Closed Campus

If the commissioner orders the closure of a campus, that campus may be repurposed to serve students at that campus location only if the commissioner finds that the repurposed campus offers a distinctly different academic program and approves a new campus identification number for the repurposed campus. A campus may be repurposed if the campus:

1. Serves a majority of grade levels not served at the original campus; or

2. Is operated under a contract, approved by the school board, with a nonprofit organization exempt from federal taxation under Section 501(c)(3), Internal Revenue Code of 1986 that:

    a. Has a governing board that is independent of the district;

    b. Has a successful history of operating school district campuses or open-enrollment charter schools:

        (1) That cumulatively serve 10,000 or more students; and

        (2) A majority of which have been assigned an overall performance rating of B or higher under Education Code 39.054 for the preceding school year; and

    c. Has been assigned an overall performance rating of B or higher under Education Code 39.054 for the preceding school year.

Student Enrollment and Assignment

Any student assigned to a campus that has been closed must be allowed to transfer to any other campus in the district that serves that student's grade level and on request must be provided transportation to the other campus.

The commissioner may grant an exemption allowing students assigned to a closed campus to attend the repurposed campus if there is no other campus in the district at which the students may enroll.

Noncontracted Repurposed Campus

The majority of students assigned to a campus that has been closed and repurposed may not have attended that campus in the previous school year if the campus was repurposed to serve a majority of grade levels not served at the original campus.

Enrollment Provision in Contract

A contract approved by the school board with a nonprofit organization must provide that a student residing in the attendance zone of the campus immediately before the campus was repurposed shall be admitted for enrollment at the repurposed campus.

Education Code 39A.113; 19 TAC 97.1066

Targeted Technical Assistance

If the commissioner determines that the basis for the unacceptable performance of a campus for more than two consecutive school years is limited to a specific condition that may be remedied with targeted technical assistance, the commissioner may require the district to contract for the appropriate technical assistance. *Education Code 39A.114*

Alternative Management

The commissioner shall appoint a monitor, conservator, management team, or board of managers whenever such action is required, as determined by 19 Administrative Code 97.1073. Action under any other section of 19 Administrative Code Chapter 97, Subchapter EE is not a prerequisite to acting under this section. *19 TAC 97.1073*

The superintendent, upon appointment, immediately assumes all powers, duties, rights, and responsibilities of the superintendent of the district to which the superintendent is appointed.*19 TAC 97.1073(f)*

Solicitation of Proposals

If the commissioner orders alternative management of a campus, the commissioner shall solicit proposals from qualified nonprofit entities to assume management of the campus or appoint a school district as provided below. The commissioner may solicit proposals from qualified for-profit entities if a nonprofit entity has not responded to the commissioner's request for proposals.

The commissioner may appoint a school district to assume management of the campus if the district:

1. Is not the district in which the campus is located; and
2. Is located within the boundaries of the same regional education service center as the campus.

If a school district is appointed, the district shall assume management of the campus in the same manner as a qualified entity or in accordance with commissioner rule.

The commissioner may annually solicit proposals for the alternative management of a campus. The commissioner shall notify a qualified entity that has been approved as a provider under this section.

Education Code 39A.151

Qualifications of Managing Entity

To qualify for consideration as a managing entity, the entity must submit a proposal that provides information relating to the entity's management and leadership team that will participate in management of the campus under consideration, including information relating to individuals who have:

1. Documented success in whole school interventions that increased the educational and performance levels of students in campuses considered to have an unacceptable performance rating;
2. A proven record of effectiveness with programs assisting low-performing students;
3. A proven ability to apply research-based school intervention strategies;
4. A proven record of financial ability to perform under the management contract; and
5. Any other experience or qualifications the commissioner determines necessary.

In selecting a managing entity, the commissioner shall give preference to a qualified entity that:

1. Meets any of the commissioner’s qualifications; and
2. Has documented success in educating students from similar demographic groups and with similar educational needs as the students who attend the campus to be operated by the managing entity.

Education Code 39A.152

Contract with Managing Entity

If the commissioner has ordered alternative management of a campus, the district shall execute a contract with an approved provider to serve as a managing entity for the campus. The term of the contract may not exceed five years with an option to renew the contract. The district must execute the contract and relinquish control of the campus before January 1 of the school year.

The management contract must include:

1. A provision describing the district's responsibilities in supporting the operation of the campus; and
2. Provisions approved by the commissioner requiring the managing entity to demonstrate improvement in campus performance, including negotiated performance measures.

Performance measures must be consistent with the priorities of Education Code Chapters 39 and 39A.

The management contract must be approved by the commissioner before the contract is executed. As appropriate, the commissioner may require the district, as a term of the contract, to support the campus in the same manner as the district was required to support the campus before the execution of the contract.

Education Code 39A.153; 19 TAC 97.1067

Extension of Management Contract

The commissioner may require a district to extend the term of a management contract with a managing entity if the commissioner determines that extending the contract on expiration of the initial term is in the best interest of the students attending the campus. The terms of the contract must be approved by the commissioner. *Education Code 39A.154*

Evaluation of Managing Entity

The commissioner shall evaluate a managing entity's performance on the first and second anniversaries of the date of the management contract.

If the evaluation fails to demonstrate improvement as negotiated under the management contract by the first anniversary of the date of the contract, the district may:

1. Terminate the contract, with the commissioner's consent, for nonperformance or breach of contract; and
2. Select another provider from an approved list provided by the commissioner.

If the evaluation fails to demonstrate significant improvement, as determined by the commissioner, by the second anniversary of the date of the management contract, the district shall:

1. Terminate the contract; and
2. Select another provider from an approved list provided by the commissioner or resume operation of the campus if approved by the commissioner.

If the commissioner approves the district's resumed operation of the campus, the commissioner shall assign a technical assistance team to assist the campus.

Education Code 39A.155

Cancellation of Management Contract

If a campus receives an unacceptable performance rating for two consecutive school years after a managing entity assumes management of the campus, the commissioner shall cancel the contract with the managing entity. *Education Code 39A.156*

Return of Management to District

Unless a campus has an unacceptable performance rating for three consecutive school years [see Continued Unacceptable Performance Rating, above], at the end of a management contract term or on the cancellation of a management contract, the board shall resume management of the campus. *Education Code 39A.157*

Applicability of Accountability Provisions

Each campus operated by a managing entity is subject to Education Code Chapters 39 and 39A in the same manner as any other campus in the district. *Education Code 39A.158*

Funding

The funding for a campus operated by a managing entity may not be less than the funding of the other campuses in the district on a per student basis so that the managing entity receives at least the same funding the campus would otherwise have received. *Education Code 39A.159*

Open Meetings and Public Information

With respect to the management of a campus by a managing entity:

1. A managing entity is considered to be a governmental body for purposes of Government Code Chapter 551 (Open Meetings Act) and Government Code Chapter 552 (Public Information Act); and

2. Any requirement in the Open Meetings Act or Public Information Act that applies to a school district or the board of trustees of a district applies to a managing entity.

A board of managers appointed by the commissioner is required to take appropriate actions to resolve the conditions that caused a campus to be subject to the commissioner's order, including amending the district's budget, reassigning staff, or relocating academic programs. The commissioner may adopt rules necessary to implement this subsection.

Education Code 39A.201

Training of Board of Managers

The commissioner must provide each individual appointed to a board of managers with training in effective leadership strategies. *Education Code 39A.205*

The training in effective leadership strategies shall be provided by TEA-approved authorized providers of board training to each individual appointed by the commissioner to a board of managers, and, following the expiration of the appointment of the board of managers, to the board of trustees of the school district. *19 TAC 97.1073(i)*

A board member appointed under 19 Administrative Code 97.1073(h)(4) must complete the training required in this provision prior to or within 10 days of the appointment. Failure to do so may result in the removal of the board of trustees member from the board of managers. *19 TAC 97.1073(j)*

Compensation

The commissioner may authorize payment of a board of managers from TEA funds.

A conservator or a member of a management team appointed to serve on a board of managers may continue to be compensated as determined by the commissioner.

Education Code 39A.206

Replacement of Member of Board of Managers

The commissioner may at any time replace a member of a board of managers. The commissioner may adopt rules necessary to implement this section. *Education Code 39A.207*

Expiration of Appointment

A board of managers shall, during the period of the appointment, order the election of members of the board of trustees of the school district in accordance with the law. The members of the board of trustees do not assume any powers or duties after the election until the appointment of the board of managers expires.

Not later than the second anniversary of the date the board of managers of a school district was appointed, the commissioner shall notify the board of managers and the board of trustees of the date on which the appointment of the board of managers will expire. Following each of the last three years of the period of the appointment, one-third of the members of the board of managers shall be replaced by the number of members of the board of trustees who were elected at an election that constitutes, as closely as possible, one-third of the membership of the board of trustees.

If, before the second anniversary of the date the board of managers of a school district was appointed, the commissioner determines, after receiving local feedback, that insufficient progress has been made toward improving the academic or financial performance of the district, the commissioner may extend the authority of the board of managers for a period of up to two additional years.

On the expiration of the appointment of the board of managers, the board of trustees assumes all of the powers and duties assigned to a board of trustees by law, rule, or regulation.

Following the expiration of the period of appointment of a board of managers for a school district, the commissioner shall provide training in effective leadership strategies to the board of trustees.

Education Code 39A.208; 19 TAC 97.1073

Removal of Board of Managers

The commissioner may remove a board of managers appointed to govern a school district only if the campus that was the basis for the appointment of the board of managers receives an acceptable performance rating for two consecutive school years.

If a campus that was the basis for the appointment of a board of managers receives an unacceptable performance rating for two additional consecutive years following the appointment of the board of managers, the commissioner may remove the board of managers and, in consultation with the local community, may appoint a new board of managers to govern the district.

Following the removal of a board of managers, or at the request of a managing entity to oversee the implementation of alternative management, the commissioner may appoint a conservator or monitor for the district to ensure district-level support for low-performing campuses and to oversee the implementation of the updated targeted improvement plan.

Education Code 39A.209; 19 TAC 97.1073

Challenge of Intervention or Sanction

Review of Sanctions by SOAH

A district must appeal under this provision if the district intends to challenge the commissioner's decision to close the district or a campus, pursue alternative management of a campus, appoint a board of managers to the district, or appoint a conservator or management team to the district.

A challenge is under the substantial evidence rule [see Government Code Chapter 2001, Subchapter G]. The commissioner shall adopt procedural rules for a challenge under this section.

Notwithstanding other law:

1. The State Office of Administrative Hearings (SOAH) shall conduct an expedited review of a challenge;
2. The administrative law judge shall issue a final order not later than the 30th day after the date on which the hearing is finally closed;
3. The decision of the administrative law judge is final and may not be appealed; and
4. The decision of the administrative law judge may set an effective date for an action under this section.

Education Code 39A.301

Appeals

If an order, decision, or determination is described as final in Education Code Chapter 7, 11, 12, 39, or 39A, an interlocutory or intermediate order, decision, report, or determination made or reached before the final order, decision, or determination may be appealed only as specifically authorized by the Education Code or a rule adopted under the Education Code. *Education Code 5.003*

A decision by the commissioner under Education Code Chapter 39 or 39A is final and may not be appealed unless an applicable provision of Chapter 39 or 39A provides otherwise. *Education Code 39A.906*

Annual Review

The commissioner shall annually review the performance of a district or campus subject to intervention and sanction to determine the appropriate actions to be implemented.

The commissioner must review at least annually the performance of a district for which the accreditation status or performance rating has been lowered due to insufficient student performance and may not raise the accreditation status or performance rating until the district has demonstrated improved student performance.

If the review reveals a lack of improvement, the commissioner shall increase the level of state intervention and sanction unless the commissioner finds good cause for maintaining the current status.

Education Code 39A.901

Increasing Intensity

If a district or campus does not exhibit improvement in student performance, the commissioner may increase the intensity of intervention and sanction that would otherwise be required by statute or rule, including ordering campus closure, district annexation, or appointment of a board of managers.

For purposes of this section, improvement means an increase in the scaled score for the overall academic performance rating under Education Code Chapter 39.

19 TAC 97.1070(a)-(b)

Intervention Programs

ACE Turnaround Plan

A campus may submit an accelerated campus excellence (ACE) turnaround plan. The plan must meet the requirements of Education Code 39A.105(b). *Education Code 39A.105(b)-(c)*

Resource Campus

An eligible campus may apply to the commissioner to be designated as a resource campus that provides quality education and enrichment for campus students. To apply to be designated as a resource campus, the campus must have received an overall performance rating of D or F, or an overall performance rating under Education Code 39.054(a-4)(1) (following declaration of disaster) or 39.0546 (COVID-19 recovery) of "Not Rated," for three years over a 10-year period of time. *Education Code 29.934(a)-(b)*

1. Includes students at any grade level from prekindergarten through fifth grade;
2. Is assigned an overall performance rating of D or F; and
3. Is in the bottom five percent of campuses in the state based on student performance on the grade three state reading language arts assessment during the previous school year, as determined by the commissioner.

Education Code 39A.064(a)

Miscellaneous Provisions

Acquisition of Professional Services

In addition to other authorized interventions and sanctions, the commissioner may order a district or campus to acquire professional services at the expense of the district or campus to address the applicable financial, assessment, data quality, program, performance, or governance deficiency. The commissioner's order may require the district or campus to:

1. Select or be assigned an external auditor, data quality expert, professional authorized to monitor district assessment instrument administration, or curriculum or program expert; or
2. Provide for or participate in the appropriate training of district staff or board members in the case of a district, or campus staff, in the case of a campus.

Campus Name Change

In reconstituting, repurposing, or imposing any other intervention or sanction on a campus, the commissioner may not require that the name of the campus be changed. *Education Code 39A.905*

Special Program Performance Determination

The commissioner shall assign districts an annual determination level based on performance levels of certain special populations student groups under 19 Administrative Code 97.1001 [see AIA] according to the criteria and requirements in 19 Administrative Code 97.1071(e)-(g).

In addition to determination levels, the commissioner shall develop a system of cyclical monitoring to ensure every district participates in general supervision activities. Based on a district’s assigned de-

termination level, as part of its cyclical monitoring process, or as part of compliance monitoring activities, a district may be required to implement and/or participate in:

1. Focused self-analysis of district data and program effectiveness;
2. Focused remote and/or on-site review;
3. Required stakeholder engagement;
4. Focused compliance reviews;
5. Strategic support and continuous improvement planning; and/or
6. Corrective action plan development.

The commissioner shall notify in writing each district identified for review under this provision as a result of assigned determination level or cyclical selection prior to requiring a district to implement or participate in any activities included in items 1-6 above.

Actions taken under this provision are intended to assist the district in raising its performance and/or achieving compliance under 19 Administrative Code 97.1001 and 74.28 and Education Code sections 28.006, 29.062 and 38.003 do not preclude or substitute for a sanction under another provision of Chapter 97, Subchapter EE.

Actions taken under this provision do not preclude or substitute for other responses to or consequences of program ineffectiveness or noncompliance identified by TEA, such as those described in 19 Administrative Code 89.1076 (relating to Interventions and Sanctions) and expanded oversight, including, but not limited to, frequent follow-up contacts with the district, submission of documentation verifying implementation of intervention activities and/or an improvement plan, and submission of district/program data.

19 TAC 97.1071(e)-(k)

[See AIE for information regarding TEA's process for investigating and issuing findings regarding credible allegations of violations of the Individuals with Disabilities Education Act (IDEA), Part B, and other supervision and monitoring activities under 19 Administrative Code 97.1071(a)-(b).]

Intervention Pause

Except as otherwise provided by 19 Administrative Code 97.1062 and unless extended by the commissioner, TEA will cease to enforce the interventions under Education Code 39A.101-39A.111 until conclusion of the second consecutive school year of operation under:

1. A partnership as defined by 19 Administrative Code 97.1077(a)(2), (b), or (c) of this title [see ELA]; or
2. Designation as a mathematics innovation zone under Education Code 28.020 and applicable rules.

Any intervention or sanction not covered by the provision above shall continue.

If a campus ceases to qualify for the intervention pause at any point during a school year, TEA will resume previously ordered interventions and sanctions, order interventions and sanctions based on the rating from that school year, and count that rating for purposes of consecutive years of performance.

19 TAC 97.1062

Failure to Submit Emergency Operations Plan

If TEA receives notice from the Texas School Safety Center of a district's failure to submit a multihazard emergency operations plan [see CKC], the commissioner may appoint a conservator for the district under Education Code Chapter 39A. The conservator may order the district to adopt, implement, and submit a multihazard emergency operations plan. If a district fails to comply with a conservator's order to adopt, implement, and submit a multihazard emergency operations plan within the time frame imposed by the commissioner, the commissioner may appoint a board of managers under Education Code Chapter 39A to oversee the operations of the district. *Education Code 37.1082(a)-(b)*

Note: The following provisions apply to a district with a central administrative office that is located in a county with a population of more than two million and that has a student enrollment that is more than 125,000 and less than 200,000, and that is operating under a turnaround plan.

Student Board Member

Notwithstanding Education Code 11.051(b) (number of trustees on a school board), the board may adopt a resolution establishing as a nonvoting member a student trustee position. If a board adopts such a resolution, the board shall adopt a policy addressing the topics specified in statute. A student trustee may not participate in a closed session of a board meeting [see BEC] in which any issue related to a personnel matter is considered. *Education Code 11.0511(a)-(f)*

Note: This policy addresses many of the powers and duties of the board set forth in Education Code Chapter 11, Subchapter D. For other powers and duties of the board not listed below, see the applicable policy codes.

Governance

A district is governed by a board of trustees who, as a body corporate, shall oversee the management of the district and ensure that the superintendent implements and monitors plans, procedures, programs, and systems to achieve appropriate, clearly defined, and desired results in the major areas of district operations. *Education Code 11.051(a)*

General Powers and Duties

The trustees constitute a body corporate and in the name of the district may acquire and hold real and personal property, sue and be sued, and receive bequests and donations or other moneys or funds coming legally into their hands.

Except as provided by Education Code 39A.201 and 39A.202 [see AIC], the trustees as a body corporate have the exclusive power and duty to govern and oversee the management of the public schools of the district. All powers and duties not specifically delegated by statute to the Texas Education Agency (TEA) or the State Board of Education are reserved for the board, and TEA may not substitute its judgment for the lawful exercise of those powers and duties by the trustees.

The trustees may adopt rules and bylaws necessary to carry out these powers and duties.

6. Unauthorized disclosure of confidential or proprietary information to outside parties.
7. Unauthorized disclosure of investment activities engaged in or contemplated by the District.
8. Accepting or seeking anything of material value from contractors, vendors, or other persons providing services or materials to the District, except as otherwise permitted by law or District policy. [See CB, DBD]
9. Inappropriately destroying, removing, or using records, furniture, fixtures, or equipment.
10. Failure to provide financial records required by federal, state, or local entities.
11. Failure to disclose conflicts of interest as required by law or District policy.
12. Any other dishonest act regarding the finances of the District.
13. Failure to comply with requirements imposed by law, the awarding agency, or a pass-through entity for state and federal awards.

Financial Controls and Oversight

Each employee who supervises or prepares District financial reports or transactions shall set an example of honest and ethical behavior and shall actively monitor his or her area of responsibility for fraud and financial impropriety.

Fraud Prevention

The Superintendent shall maintain a system of internal controls to deter and monitor for fraud or financial impropriety in the District.

Reports

Any person who suspects fraud or financial impropriety in the District shall report the suspicions immediately to a person with authority to investigate the suspicions, including any supervisor, the Superintendent, the Board President, or local law enforcement.

Reports of suspected fraud or financial impropriety shall be treated as confidential to the extent permitted by law. Limited disclosure may be necessary to complete a full investigation or to comply with

law. All employees involved in an investigation shall be advised to keep information about the investigation confidential.

Protection from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against a person who in good faith reports perceived fraud or financial impropriety. [See DG]

Fraud Investigations

In coordination with legal counsel and other internal or external departments or agencies, as appropriate, the Superintendent, Board President, or a designee shall promptly investigate reports of potential fraud or financial impropriety.

Response

If an investigation substantiates a report of fraud or financial impropriety, the Superintendent shall promptly inform the Board of the report, the investigation, and any responsive action taken or recommended by the administration.

If an employee is found to have committed fraud or financial impropriety, the Superintendent shall take or recommend appropriate disciplinary action, which may include termination of employment. If a contractor or vendor is found to have committed fraud or financial impropriety, the District shall take appropriate action, which may include cancellation of the District's relationship with the contractor or vendor.

When circumstances warrant, the Board, Superintendent, or a designee may refer matters to appropriate law enforcement or regulatory authorities. In cases involving monetary loss to the District, the District may seek to recover lost or misappropriated funds.

The final disposition of the matter and any decision to file a criminal complaint or to refer the matter to the appropriate law enforcement or regulatory agency for independent investigation shall be made in consultation with legal counsel.

Federal Awards Disclosure

In connection with federal awards, the District shall promptly disclose in writing whenever the District has credible evidence of the commission of a violation of federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in federal law, including the Civil False Claims Act. This provision applies to any activities or subawards of a federal award. [See CBB]

Analysis of Fraud

After any investigation substantiates a report of fraud or financial impropriety, the Superintendent shall analyze conditions or factors that may have contributed to the fraudulent or improper activity. The Superintendent shall ensure that appropriate administrative procedures are developed and implemented to prevent future misconduct. These measures shall be presented to the Board for review.

Retirement and Insurance Contributions

Under the Texas Public School Retired Employees Group Benefits Act, Insurance Code Chapter 1575, a district that applies for money provided by the United States or a privately sponsored source shall, if any of the money will pay part or all of an active employee's salary, also apply for any legally available money to pay state contributions required by Insurance Code Chapter 1575, Subchapter E. *Insurance Code 1575.252*

The board may hold this meeting or hearing in conjunction with another board meeting or hearing if the meeting or hearing to consider block grant funds is clearly noted in an announcement of the other meeting or hearing. *Gov't Code 2105.058*

Education Department General Administrative Regulations (EDGAR)

Note: For information regarding procurement under state law, see the CH policy series regarding Purchasing and Acquisition and the CV series regarding Facilities Construction.

For additional legal requirements applicable to school nutrition procurement, see COA.

EDGAR means the Education Department General Administrative Regulations (34 C.F.R. 75, 76, 77, 79, 81, 82, 84, 86, 97, 98, and 99). *34 C.F.R. 77.1(c)*

Uniform Guidance (2 C.F.R. 200)

The Department of Education (ED) adopts the Office of Management and Budget (OMB) Guidance in 2 C.F.R. Part 200 Uniform Guidance, except for 2 C.F.R. 200.102(a) and 2 C.F.R. 200.207(a). Thus, 2 C.F.R. Chapter XXXIV, Part 3474 gives regulatory effect to the OMB guidance and supplements the guidance as needed for the ED. *2 C.F.R. 3474.1*

The Uniform Guidance establishes uniform administrative requirements, cost principles, and audit requirements for federal awards. *2 C.F.R.200.100(a)(1)*

Note: For more information on EDGAR, the Uniform Guidance, and the federal regulations that apply to federal education grant awards, visit TEA's EDGAR Materials and Resources[1] and the ED's EDGAR website[2] and Uniform Guidance website.[3]

General Compliance

Throughout 2 C.F.R. Part 200, Subparts A through F, the word "must" indicates a requirement. The words "should" or "may" indicate a recommended approach and permit discretion. *2 C.F.R. 200.101(a)(3)*

Mandatory Disclosures

A district must disclose in writing any potential conflict of interest to the federal agency (e.g., ED) or pass-through entity (e.g., TEA) in accordance with the established federal agency policies. *2 C.F.R. 200.112*

A district must promptly disclose whenever, in connection with the federal award (including any activities or subawards thereunder), it has credible evidence of the commission of a violation of federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 of the United States Code or a violation of the civil False Claims Act (31 U.S.C. 3729-3733). The disclosure must be made in writing to the federal agency, the agency's Office of Inspector General, and pass-through entity (if applicable). Districts are required to report matters related to recipient integrity and performance in accordance with Appendix XII of 2 C.F.R. Part 200. Failure to make required disclosures can result in any of the remedies described in 2 C.F.R. 200.339 (Remedies for Noncompliance). *2 C.F.R. 200.113*

Procurement Standards

Documented Procurement Procedures

The district must maintain and use documented procedures for procurement transactions under a federal award or subaward, including for acquisition of property or services. These documented procurement procedures must be consistent with state, local, and tribal laws and regulations and the standards identified in 2 C.F.R. 200.317 through 200.327. [See also 2 C.F.R. 200.501 (Audit Requirements)]

Oversight of Contractors

The district must maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

Conflicts of Interest

The district must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts. No employee, officer, agent, or board member with real or apparent conflict of interest may participate in the selection, award, or administration of a contract supported by the federal award. A conflict of interest includes when the employee, officer, agent, or board member, any member of their immediate family, their partner, or an organization that employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from an entity considered for a contract. An employee, officer, agent, and board member of the district may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors. However, districts may set standards for situations where the financial interest is not substantial or a gift is an unsolicited item of nominal value. The district's standards of conduct must also provide for disciplinary actions to be applied for violations by its employees, officers, agents, or board members. [See BBFA, CAA(LOCAL), CB(LOCAL), DBD]

Procurement Records

The district must maintain records sufficient to detail the history of each procurement transaction. These records must include the rationale for the procurement method, contract type selection, contractor selection or rejection, and the basis for the contract price. [See Pre-procurement Review and Contract Cost and Price, below]

2 C.F.R. 200.318(a), (b), (c)(1), (i)

[See 2 C.F.R. 200.334 for record retention requirements.]

Financial Management

The district's financial management systems, including records documenting compliance with federal statutes, regulations, and the terms and conditions of the federal award, must be sufficient to permit the preparation of reports required by the terms and conditions; and tracking expenditures to establish that funds have been used in accordance with federal statutes, regulations, and the

terms and conditions of the federal award. [See 2 C.F.R. 200.450 (Lobbying)]

The district's financial management system must comply with 2 C.F.R. 200.302(b). [See 2 C.F.R. 200.334 (Retention requirements for records), .335 (Requests for transfer of records), .336 (Methods for collection, transmission and storage of information), and .337 (Access to records)]

2 C.F.R. 200.302

Internal Controls

The district must:

1. Establish, document, and maintain effective internal control over the federal award that provides reasonable assurance that the district is managing the award in compliance with federal statutes, regulations, and the terms and conditions of the award. These internal controls should align with the guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States or the "Internal Control-Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
2. Comply with the U.S. Constitution, federal statutes, regulations, and the terms and conditions of the federal award.
3. Evaluate and monitor the district's compliance with statutes, regulations, and the terms and conditions of federal awards.
4. Take prompt action when instances of noncompliance are identified.
5. Take reasonable cybersecurity and other measures to safeguard information including protected personally identifiable information and other types of information. This also includes information the federal agency or pass-through entity designates as sensitive or other information the district considers sensitive and is consistent with applicable federal, state, local, and tribal laws regarding privacy and responsibility over confidentiality.

2 C.F.R. 200.303

"Internal control" for districts means processes designed and implemented by districts to provide reasonable assurance regarding the achievement of objectives in the following categories:

1. Effectiveness and efficiency of operations;
2. Reliability of reporting for internal and external use; and

3. Compliance with applicable laws and regulations.

2 C.F.R. 200.1

Competition

All procurement transactions under the federal award must be conducted in a manner that provides full and open competition and is consistent with the standards of 2 C.F.R. 200.319 and 200.320 (Methods of procurement to be followed).

To ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids must be excluded from competing on those procurements.

The district must have written procedures for procurement transactions. These procedures must ensure that all solicitations meet the requirements of 2 C.F.R. 200.319(d).

The district must ensure that all prequalified lists of persons, firms, or products used in procurement transactions are current and include enough qualified sources to ensure maximum open competition. When establishing or amending prequalified lists, the district must consider objective factors that evaluate price and cost to maximize competition. The district must not preclude potential bidders from qualifying during the solicitation period.

To the extent consistent with established practices and legal requirements applicable to the district, 2 C.F.R. Part 200, Subpart D does not prohibit districts from developing written procedures for procurement transactions that incorporate a scoring mechanism that rewards bidders that commit to specific numbers and types of U.S. jobs, minimum compensation, benefits, on-the-job-training for employees making work products or providing services on a contract, and other worker protections. Subpart D also does not prohibit districts from making inquiries of bidders about these subjects and assessing the responses. Any scoring mechanism must be consistent with the U.S. Constitution, applicable federal statutes and regulations, and the terms and conditions of the federal award.

Noncompetitive procurements can only be awarded in accordance with 2 C.F.R. 200.320(c).

2 C.F.R. 200.319

Procurement Methods

For informal procurement methods (for micro-purchases and simplified acquisitions), formal procurement methods (through sealed bids or proposals), and noncompetitive procurement methods, the district must maintain and use documented procurement procedures, consistent with the standards of 2 C.F.R. 200.320 and

200.317 (Procurements by states), 200.318 (General procurement standards), and 200.319 (Competition). *2 C.F. R. 200.320*

Informal Procurement Methods for Small Purchases

These procurement methods expedite the completion of transactions, minimize administrative burdens, and reduce costs. Informal procurement methods may be used when the value of the procurement transaction under the federal award does not exceed the simplified acquisition threshold, as defined in 2 C.F.R. 200.1. The district may also establish a lower threshold. Informal procurement methods include:

Micro-Purchases — Definitions

“Micro-purchase” means an individual procurement transaction for supplies or services, the aggregate amount of which does not exceed the micro-purchase threshold. Micro-purchases comprise a subset of a district's small purchases using informal procurement methods as set forth in 2 C.F.R. 200.320.

“Micro-purchase threshold” means the dollar amount at or below which a district may purchase property, or services using micro-purchase procedures. Generally, except as provided below, the micro-purchase threshold for procurement activities administered under federal awards is not to exceed the amount set by the Federal Acquisition Regulations (FAR) at 48 C.F.R. Part 2, Subpart 2.1 [see below], unless a higher threshold is requested by the district and approved by the cognizant agency for indirect costs.

2 C.F.R. 200.1

Micro-purchase threshold means $15,000, except as otherwise provided by 48 C.F.R. 2.101. *48 C.F.R. 2.101*

Micro-Purchase Distribution

The aggregate amount of the procurement transaction does not exceed the micro-purchase threshold. [See the definition of “micro-purchase” above.] To the extent practicable, the district should distribute micro-purchases equitably among qualified suppliers. *2 C.F.R. 200.320(a)(1)(i)*

Micro-Purchase Awards

Micro-purchases may be awarded without soliciting competitive price or rate quotations if the district considers the price reasonable based on research, experience, purchase history, or other information; and maintains documents to support its conclusion. Purchase cards may be used as a method of payment for micro-purchases. *2 C.F.R. 200.320(a)(1)(ii)*

Micro-Purchase Thresholds

The district is responsible for determining and documenting an appropriate micro-purchase threshold based on internal controls, an evaluation of risk, and its documented procurement procedures. The micro-purchase threshold used by the district must be authorized or not prohibited under state, local, or tribal laws or regulations. Districts may establish a threshold higher than the federal

threshold established in the FAR in accordance with 2 C.F.R. 200.320(a)(1)(iv) and (v). *2 C.F.R. 200.320(a)(1)(iii)*

Districts may establish a threshold higher than the micro-purchase threshold identified in the FAR in accordance with the requirements of 2 C.F.R. 200.320. The district may self-certify a threshold up to $50,000 on an annual basis and must maintain documentation to be made available to the federal agency or pass-through entity and auditors in accordance with 2 C.F.R. 200.334. The self-certification must include a justification, clear identification of the threshold, and supporting documentation of any of the following:

1. A qualification as a low-risk auditee, in accordance with the criteria in 2 C.F.R. 200.520 for the most recent audit.
2. An annual internal institutional risk assessment to identify, mitigate, and manage financial risks; or,
3. For public institutions, a higher threshold is consistent with state law.

2 C.F.R. 200.320(a)(1)(iv)

Micro-purchase thresholds higher than $50,000 must be approved by the cognizant agency for indirect costs. The district must submit a request that includes the requirements in 2 C.F.R. 200.320(a)(1)(iv). The increased threshold is valid until any factor that was relied on in the establishment and rationale of the threshold changes. *2 C.F.R. 200.320(a)(1)(v)*

Simplified Acquisitions — Procedures

The aggregate dollar amount of the procurement transaction is higher than the micro-purchase threshold but does not exceed the simplified acquisition threshold. If simplified acquisition procedures are used, price or rate quotations must be obtained from an adequate number of qualified sources. Unless specified by the federal agency, the district may exercise judgment in determining what number is adequate. *2 C.F.R. 200.320(a)(2)(i)*

Simplified Acquisitions — Thresholds

“Simplified acquisition threshold” means the dollar amount below which a district may purchase property or services using small purchase methods. Districts adopt small purchase procedures in order to expedite the purchase of items at or below the simplified acquisition threshold. The simplified acquisition threshold for procurement activities administered under federal awards is set by the FAR at 48 C.F.R. Part 2, Subpart 2.1 [see below]. The district is responsible for determining an appropriate simplified acquisition threshold based on internal controls, an evaluation of risk, and its documented procurement procedures, which may be lower than, but must not exceed, the threshold established in the FAR. *2 C.F.R. 200.1, .320(a)(2)(ii)*

Simplified acquisition threshold means $350,000, except as otherwise provided by 48 C.F.R. 2.101. *48 C.F.R. 2.101*

Formal Procurement Methods

Formal procurement methods are required when the value of the procurement transaction under a federal award exceeds the simplified acquisition threshold of the district. Formal procurement methods are competitive and require public notice. The following formal methods of procurement are used for procurement transactions above the simplified acquisition threshold determined by the district in accordance with 2 C.F.R.200.320(a)(2)(ii) [Simplified Acquisitions — Thresholds, above].

Sealed Bids

Sealed bids are a procurement method in which bids are publicly solicited through an invitation and a firm fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid conforms with all the material terms and conditions of the invitation and is the lowest in price. The sealed bids procurement method is preferred for procuring construction services.

For sealed bidding to be feasible, the following conditions should be present:

1. A complete, adequate, and realistic specification or purchase description is available;
2. Two or more responsible bidders have been identified as willing and able to compete effectively for the business; and
3. The procurement lends itself to a firm-fixed-price contract, and the selection of the successful bidder can be made principally based on price.

If sealed bids are used, the following requirements apply:

1. Bids must be solicited from an adequate number of qualified sources, providing them with sufficient response time prior to the date set for opening the bids. Unless specified by the federal agency, the district may exercise judgment in determining what number is adequate. For local governments, the invitation for bids must be publicly advertised.
2. The invitation for bids must define the items or services with specific information, including any required specifications, for the bidder to properly respond.
3. All bids will be opened at the time and place prescribed in the invitation for bids. For local governments, the bids must be opened publicly.
4. A firm-fixed-price contract is awarded in writing to the lowest responsive bid and responsible bidder. When specified in the

invitation for bids, factors such as discounts, transportation cost, and life-cycle costs must be considered in determining which bid is the lowest. Payment discounts must only be used to determine the low bid when the district determines they are a valid factor based on prior experience.

5. The district must document and provide a justification for all bids it rejects.

2 C.F.R. 200.320(b)(1)

Proposals

Proposals are a procurement method used when conditions are not appropriate for using sealed bids. This procurement method may result in either a fixed-price or cost-reimbursement contract. They are awarded in accordance with the following requirements:

1. Requests for proposals require public notice, and all evaluation factors and their relative importance must be identified. Proposals must be solicited from multiple qualified entities. To the maximum extent practicable, any proposals submitted in response to the public notice must be considered.

2. The district must have written procedures for conducting technical evaluations and making selections.

3. Contracts must be awarded to the responsible offeror whose proposal is most advantageous to the district considering price and other factors.

4. The district may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby the offeror's qualifications are evaluated, and the most qualified offeror is selected, subject to negotiation of fair and reasonable compensation. The method, where the price is not used as a selection factor, can only be used to procure A/E professional services. The method may not be used to purchase other services provided by A/E firms that are a potential source to perform the proposed effort.

2 C.F.R. 200.320(b)(2)

Noncompetitive Procurement

There are specific circumstances in which the district may use a noncompetitive procurement method. The noncompetitive procurement method may only be used if one of the following circumstances applies;

1. The aggregate amount of the procurement transaction does not exceed the micro-purchase threshold;

2. The procurement transaction can only be fulfilled by a single source;

3. The public exigency or emergency for the requirement will not permit a delay resulting from providing public notice of a competitive solicitation;

4. The district requests in writing to use a noncompetitive procurement method, and the federal agency or pass-through entity provides written approval; or

5. After soliciting several sources, competition is determined inadequate.

2 C.F.R. 200.320(c)

Procurement Arrangements Using Strategic Sourcing

When appropriate for the procurement or use of common or shared goods and services, districts are encouraged to enter into state and local intergovernmental agreements or inter-entity agreements for procurement transactions. These or similar procurement arrangements using strategic sourcing may foster greater economy and efficiency. Documented procurement actions of this type (using strategic sourcing, shared services, and other similar procurement arrangements) will meet the competition requirements of 2 C.F.R. Part 200. *2 C.F.R. 200.318(e)*

Small, Minority, Women's, and Veteran-Owned Businesses

When possible, the district should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of Labor's list) are considered as set forth below. Such consideration means:

1. These business types are included on solicitation lists;

2. These business types are solicited whenever they are deemed eligible as potential sources;

3. Dividing procurement transactions into separate procurements to permit maximum participation by these business types;

4. Establishing delivery schedules (for example, the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types;

5. Utilizing organizations such as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

6. Requiring a contractor under a federal award to apply items 1 through 5 above to subcontracts.

2 C.F.R. 200.321

Domestic Preference

The district should, to the greatest extent practicable and consistent with law, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of 2 C.F.R. 200.322 must be included in all subawards, contracts, and purchase orders under federal awards.

For purposes of this provision:

1. "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

2. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

2 C.F.R. 200.322

Pre-procurement Review

When requested, the district must provide procurement documents (such as requests for proposals, invitations for bids, or independent cost estimates) to the federal agency or pass-through entity for pre-procurement review. The federal agency or pass-through entity may conduct a pre-procurement review when:

1. The district's procurement procedures or operation fails to comply with the procurement standards in 2 C.F.R. Part 200;

2. The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition, or only one bid is expected to be received in response to a solicitation;

3. The procurement is expected to exceed the simplified acquisition threshold and specifies a "brand name" product;

4. The procurement is expected to exceed the simplified acquisition threshold, and sealed bid procurement is to be awarded to an entity other than the apparent low bidder; or

5. A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

2 C.F.R. 200.325(b)

Contract Cost and Price

The district must perform a cost or price analysis for every procurement transaction, including contract modifications, in excess of the simplified acquisition threshold. The method and degree of analysis conducted depend on the facts surrounding the particular procurement transaction. For example, districts should consider potential workforce impacts in their analysis if the procurement transaction will displace public sector employees. However, as a starting point, the district must make independent estimates before receiving bids or proposals.

Costs or prices based on estimated costs for contracts under the federal award are allowable only to the extent that the costs incurred or cost estimates included in negotiated prices would be allowable for the district under 2 C.F.R. Part 200, Subpart E. The district may reference its own cost principles as long as they comply with 2 C.F.R. Part 200, Subpart E.

The district must not use the “cost plus a percentage of cost” and “percentage of construction costs” methods of contracting.

2 C.F.R. 200.324

Contract Provisions

The district's contracts must contain the applicable provisions described in appendix II of 2 C.F.R. Part 200. *2 C.F.R. 200.327*

Suspension and Debarment

Districts are subject to the nonprocurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, as well as 2 C.F.R. Part 180. These regulations restrict making federal awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from receiving or participating in federal awards. *2 C.F.R. 200.214*

Remedies for Noncompliance

The federal agency or pass-through entity may implement specific conditions if the district fails to comply with the U.S. Constitution, federal statutes, regulations, or terms and conditions of the federal award. See 2 C.F.R. 200.208 for additional information on specific conditions. When the federal agency or pass-through entity determines that noncompliance cannot be remedied by imposing specific conditions, the federal agency or pass-through entity may take one or more of the following actions:

1. Temporarily withhold payments until the district takes corrective action.

2. Disallow costs for all or part of the activity associated with the noncompliance of the district.

3. Suspend or terminate the federal award in part or in its entirety.

4. Initiate suspension or debarment proceedings as authorized in 2 C.F.R. Part 180 and the federal agency's regulations, or for pass-through entities, recommend suspension or debarment proceedings be initiated by the federal agency.

5. Withhold further federal funds (new awards or continuation funding) for the project or program.

6. Pursue other legally available remedies.

2 C.F.R. 200.339

Travel Costs

Travel costs include the transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the district. These costs may be charged on an actual cost basis, on a per diem or mileage basis, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip. The method used must be consistent with those normally allowed in like circumstances in the district's other activities and in accordance with the district's established written policies.

In the absence of an established written policy regarding travel costs, the rates and amounts established under 5 U.S.C. 5701-11 (Travel and Subsistence Expenses; Mileage Allowances), by the administrator of general services, or by the president (or their designee) pursuant to any provisions of such subchapter must apply to travel under federal awards [48 C.F.R. 31.205-46(a)].

2 C.F.R. 200.475(a), (d)

Property Standards

Federally Owned Property

Title to federally owned property remains vested in the federal government. The district must submit an inventory listing of federally owned property in its custody to the federal agency or pass-through entity on an annual basis. The district must request disposition instructions from the federal agency of pass-through entity upon completion of the federal award or when the property is no longer needed.

Exempt property means property acquired under the federal award where the federal agency has chosen to vest title to the property to the district without further responsibility to the federal government. The federal agency may only exercise this option when permitted by federal statute and set forth in the terms and conditions of the

federal award. Absent statutory authority and specific terms and conditions of the federal award, the title to exempt property acquired under the federal award remains with the federal government.

2 C.F.R. 200.312(a), (c)

Property Trust Relationship

Real property, equipment, and intangible property acquired or improved with the federal award must be held in trust by the district as trustee for the beneficiaries of the project or program under which the property was acquired or improved. The federal agency or pass-through entity may require the district to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with a federal award and that use and disposition conditions apply to the property. *2 C.F.R. 200.316*

Real Property

Subject to the requirements and conditions set forth in 2 C.F.R. 200.311, title to real property acquired or improved under the federal award will vest upon acquisition in the district.

Except as otherwise provided by federal statutes or the federal agency, real property must be used for the originally authorized purpose as long as it is needed for that purpose. While the property is being used for the originally authorized purpose, the district must not dispose of or encumber its title or other interests except as provided by the federal agency. Easements for utility, cable, and similar services that benefit the real property and are consistent with the authorized use are not considered an encumbrance.

When an appraisal of real property is required and obtained by the district, it must be conducted by an independent appraiser (for example, certified real property appraiser or General Services Administration representative) and certified by a responsible official of the district as required by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) except as provided in the implementing regulations at 49 C.F.R. Part 24, “Uniform Relocation Assistance And Real Property Acquisition For Federal And Federally Assisted Programs.”

When real property is no longer needed for the originally authorized purpose, the district must obtain disposition instructions from the federal agency or pass-through entity. The instructions must specify one of the following disposition methods:

1. Retain title after compensating the federal agency an amount determined under 2 C.F.R. 200.311(c)(1).

2. Sell the property and compensate the federal agency an amount determined under 2 C.F.R. 200.311(c)(2).

3. Transfer title to the federal agency or a third party designated/approved by the federal agency with the federal agency paying the district an amount determined under 2 C.F.R. 200.311(c)(3).

2 C.F.R. 200.311

Equipment

Title and Use

Title to equipment acquired under the federal award will vest upon acquisition in the district subject to the conditions of 2 C.F.R. 200.313. This title must be a conditional title unless a federal statute specifically authorizes the federal agency to vest title in the district without further responsibility to the federal government (and the federal agency elects to do so). A conditional title means a clear title is withheld by the federal agency until conditions and requirements specified in the terms and conditions of a federal award have been fulfilled. Title for equipment vested in a district is subject to the following conditions:

1. Use the equipment for the authorized purposes of the project during the period of performance, or until the property is no longer needed for the purposes of the project.

2. While the equipment is being used for the originally authorized purpose, the district must not dispose of or encumber its title or other interests without the approval of the federal agency or pass-through entity.

3. Use and dispose of the property in accordance with the provisions below.

The district must use equipment for the project or program for which it was acquired and for as long as needed in accordance with 2 C.F.R. 200.313(c).

Regardless of whether equipment is acquired in part or in its entirety under the federal award, the district must manage equipment (including replacement equipment) utilizing procedures that meet the requirements of 2 C.F.R. 200.313(d).

Disposition

If the district is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

When equipment acquired under a federal award is no longer needed for the original project, program, or for other activities currently or previously supported by a federal agency, the district must request disposition instructions from the federal agency or pass-through entity if required by the terms and conditions of the federal award. Disposition of the equipment will be made as prescribed in

	2 C.F.R. 200.313(e), in accordance with federal agency or pass-through entity disposition instructions. *2 C.F.R. 200.313*
Supplies	Title to supplies acquired under the federal award will vest upon acquisition in the district. When there is a residual inventory of unused supplies exceeding $10,000 in aggregate value at the end of the period of performance, and the supplies are not needed for any other federal award, the district may retain or sell the unused supplies. Unused supplies means supplies that are in new condition, not having been used or opened before. The federal agency or pass-through entity is entitled to compensation in an amount calculated under 2 C.F.R. 200.314(a). *2 C.F.R. 200.314(a)*
Intangible Property	Title to intangible property acquired under a federal award vests upon acquisition in the district. The district must use that intangible property for the originally authorized purpose and must not encumber the property without the approval of the federal agency or pass-through entity. When no longer needed for the originally authorized purpose, disposition of the intangible property must occur in accordance with the provisions in 2 C.F.R. 200.313(e). *2 C.F.R. 200.315(a)*
Foreign Telecommunications Equipment	Recipients and subrecipients are prohibited from obligating or expending loan or grant funds in violation of 2 C.F.R. 200.216(a).
Direct Grant Programs	The regulations in 34 C.F.R. Part 75 apply to each direct grant program of the ED, except as specified in the regulations for direct formula grant programs, as referenced in 34 C.F.R. 75.1(c)(3). *34 C.F.R. 75.1*
State-Administered Programs	The regulations in 34 C.F.R. Part 76 apply to each state-administered formula grant program of the ED. *34 C.F.R. 76.1*
General Education Provision Act	The regulations in 34 C.F.R. Part 81 govern the enforcement of legal requirements under applicable programs administered by the ED and implement Part E of the General Education Provisions Act (GEPA). *34 C.F.R. 81.1*

The individual must be declared by that professional, on a form prescribed by TCOLE, to be in satisfactory psychological and emotional health to carry out the duties of a school marshal in an emergency shooting or situation involving an active shooter.

If, after examination, the professional declines to declare the individual as psychologically fit, the individual must report the outcome to TCOLE on a form prescribed by TCOLE.

An examination for license renewal or reactivation must be conducted within 90 days of the date of the application for license renewal or reactivation.

District Responsibilities

A district shall:

1. Submit and receive approval for an application to appoint a person as a school marshal;
2. Upon authorization, notify TCOLE using approved format prior to appointment;

3. Report to TCOLE, within seven days, when a person previously authorized to act as a school marshal is no longer employed with the district;

4. Report to TCOLE, within seven days, when a person previously authorized to act as a school marshal is no longer authorized to do so by the district, TCOLE standards, another state agency, or under other law;

5. Immediately report to TCOLE a school marshal's violation of any TCOLE standard, including the discharge of a firearm carried under the authorization of these provisions outside of a training environment; and

6. Immediately report to TCOLE any indication, suspicion, or allegation that a school marshal is no longer psychologically fit to carry out the duties of a school marshal.

For five years, the district must retain documentation that the district has met all requirements under law in a format readily accessible to TCOLE. This requirement does not relieve a district from retaining all other relevant records not otherwise listed.

37 TAC 227.1

Powers and Duties

A school marshal may make arrests and exercise all authority given to peace officers under the Code of Criminal Procedure, subject to written regulations adopted by the board and may only act as necessary to prevent or abate the commission of an offense that threatens serious bodily injury or death of students, faculty, or visitors on school premises.

A school marshal may not issue a traffic citation for a violation of the Transportation Code.

Code of Criminal Procedure 2A.008(c), (d)

Reporting Requirements

Once appointed, a school marshal shall:

1. Immediately report to TCOLE and the district any circumstance which would render them unauthorized to act as a school marshal by virtue of their employment with the district, failure to meet the standards of TCOLE, another state agency, or under law;

2. Immediately report to TCOLE any violation of applicable TCOLE standards, including any discharge of a firearm carried under the authorization of these provisions outside of training environment; and

3. Comply with all requirements under law, including Education Code 37.0811.

37 TAC 227.3(b)

Fit for Duty Review

When TCOLE receives a report or other reliable information that a school marshal may no longer be psychologically fit to carry out the duties of a school marshal, TCOLE may:

1. Issue an emergency suspension order; or
2. Require a fit for duty review upon identifying factors that indicate the licensee may no longer be able to perform the duties of a school marshal safely and effectively.

TCOLE shall provide written notice of the psychological examination to the license holder not later than the 10th business day before the deadline to submit to the examination. Written notice shall include the reasons for the examination.

The examination shall be conducted by a psychiatrist or psychologist chosen by the licensee.

To facilitate the examination of any licensee, TCOLE will provide all appropriate documents and available information.

The examining practitioner will provide TCOLE with a report indicating whether the school marshal is fit for duty. If the school marshal is unfit for duty, the practitioner will include the reasons or an explanation why the individual is unfit for duty.

A second examination may be ordered by TCOLE if it questions the practitioner's report. The examination will be conducted by a psychiatrist or psychologist appointed by TCOLE. If the report of the appointed practitioner disagrees with the report of the initial practitioner, the final determination as to the school marshal's fitness shall be decided by the executive director of TCOLE.

A school marshal who fails a psychological examination shall have their license suspended until the executive director orders it reinstated.

Any school marshal ordered to undergo a fit for duty review shall comply with the terms of the order and cooperate fully with the examining practitioner.

37 TAC 227.6

Handgun Possession

2. If wearing a uniform identifying the marshal as a school marshal, openly carry a handgun on the school marshal's person; or

3. Possess the handgun on the physical premises of a school in a locked and secured safe or other locked and secured location.

The written regulations must also require that a handgun carried or possessed by a school marshal be loaded only with frangible duty ammunition approved for that purpose by TCOLE.

Inactive Status

A district employee's status as a school marshal becomes inactive on:

1. Expiration of the employee's school marshal license under Occupations Code 1701.260;

2. Suspension or revocation of the employee's license to carry a handgun;

3. Termination of the employee's employment with the district; or

4. Notice from the board that the employee's services as school marshal are no longer required.

Education Code 37.0811(c)-(f)

Identity Confidential

The memorandum of understanding must comply with the requirements for written regulations under Education Code 37.0811 [see Handgun Possession, above] and may be used to satisfy the requirement for written regulations or written authorization under Penal Code 46.03(a)(1) to allow that school marshal to carry a firearm on the premises of the school at which the event occurs. *Education Code 37.08131*

Instructional Materials and Technology Furnished Without Cost to Students

Instructional materials selected for use in the public schools shall be furnished without cost to the students attending those schools. Except as provided by Education Code 31.104(d), a district may not charge a student for instructional material or technological equipment purchased by the district with the district's technology and instructional materials allotment. *Education Code 31.001*

Each instructional material, including electronic instructional material only to the extent of any applicable licensing agreement, purchased as provided by Education Code Chapter 31 for a district is the property of the district. *Education Code 31.102(a)-(b)*

Instructional Materials and Technology Allotment

A district is entitled to an allotment each biennium from the state instructional materials and technology fund for each student enrolled in the district on a date during the last year of the preceding biennium specified by the commissioner of education. The commissioner shall determine the amount of the allotment per student each biennium on the basis of the amount of money available in the state instructional materials and technology fund to fund the allotment. The allotment shall be transferred from the state instructional materials and technology fund to the credit of the district's instructional materials and technology account as provided by Education Code 31.0212. *Education Code 31.0211(a)*

The commissioner shall, as early as practicable during each biennium, notify each district of the estimated amount to which the district will be entitled during the next fiscal biennium. *Education Code 31.0215(a)*

The commissioner shall determine the amount of the Instructional Materials and Technology Allotment for a district based on PEIMS student enrollment data from the fall snapshot collection of the school year preceding the first year of each biennium.

The amount of the allotment determined by the commissioner is final and may not be appealed.

19 TAC 67.1001(a), (d)

Allotment Adjustment

Change in Enrollment

Not later than May 31 of each school year, a district may request that the commissioner adjust the number of students for which the district is entitled to receive an allotment on the grounds that the number of students attending school in the district will increase or decrease during the school year for which the allotment is provided. The commissioner may also adjust the number of students

for which a district is entitled to receive an allotment, without a request by the district, if the commissioner determines a different number of students is a more accurate reflection of students who will be attending school in the district. The commissioner's determination is final. *Education Code 31.0211(e)*

High Enrollment Growth

Each year the commissioner shall adjust the instructional materials and technology allotment of districts experiencing high enrollment growth. *Education Code 31.0214(a)*

Permitted Expenditures

2. Consider both the long-term cost of ownership of the technological equipment and flexibility for innovation.

Education Code 31.0211(d)

Instructional Materials and Technology Account

The commissioner shall maintain an instructional materials and technology account for each district. The commissioner shall pay the cost of instructional materials requisitioned by a district under Education Code 31.103 using funds from the district's instructional materials and technology account.

Money deposited in a district's instructional materials and technology account during each state fiscal biennium remains in the account and available for use by the district for the entire biennium.

At the end of each biennium, a district with unused money in the district's account may carry forward any remaining balance to the next biennium.

A district shall provide to TEA the title and publication information for any instructional materials requisitioned or purchased by the district with the district's instructional materials and technology allotment.

Education Code 31.0212(a)-(d)

Availability of Allotment Funds

The allotment for each biennium will be made available for district use through EMAT as early as possible in the fiscal year preceding the beginning of the biennium for which the funds have been appropriated.

A district may access its allotment funds for an upcoming school year after submitting to the commissioner:

Additional State Aid

For State-Approved Instructional Materials

For each student enrolled in the district, a school district is entitled to additional state aid for each school year in an amount equal to $40, or a greater amount provided by appropriation, to procure instructional material that has been reviewed by the Texas Education Agency (TEA); placed on the SBOE list of approved instructional materials; designated by the SBOE as being included or capable of being included in an instructional materials parent portal; and acquired from a publisher, manufacturer, or other entity that has not been found to violate Education Code 31.151. *Education Code 48.307(a)*

A district is entitled to the amount of state aid provided by 19 Administrative Code 67.1003(a) each school year, regardless of whether the district uses the amount during the school year for which the amount was provided. *19 TAC 67.1003(i)*

For Open Education Resource Instructional Materials

Subject to Education Code 31.0751 (Open Education Resource [OER] transition plan), a district is entitled to additional state aid for each school year in an amount not to exceed $20 for each student for the costs incurred or for which the district is obligated to pay during the school year in which the aid is provided for the printing and shipping of OER instructional material made available under Education Code Chapter 31, Subchapter B-1. *Education Code 48.308(a)*

Amount of Additional State Aid

The commissioner of education shall determine the amount of the additional state aid for OER instructional materials for a district based on PEIMS student enrollment data from the fall snapshot collection of the current school year.

Before PEIMS student enrollment data from the fall snapshot collection of the current school year is available, a district will have an expected allotment amount that is based on 90 percent of the PEIMS student enrollment data from the fall snapshot collection of the previous school year.

Funds may only be used for the costs incurred or for which a district is obligated to pay during the school year in which the aid is provided.

Requisitions

Requisitions for funding must be submitted in TEA's online requisition and disbursement system (EMAT) before August 31 of the fiscal year in which the aid is provided.

The entitlements for each year will be made available for district use through EMAT as early as possible in the fiscal year for which the funds have been appropriated.

Permissible Use of Additional State Aid

The additional state aid for OER instructional materials may be used to purchase:

1. OER instructional material placed on the list of approved materials outlined in Education Code 31.022, including any non-text components of the approved product, such as manipulative kits; and
2. OER instructional material components placed on the list of approved materials outlined in Education Code 31.022, only after an initial purchase of all components of the product.

The additional state aid for OER instructional materials may not be used to purchase or reimburse for:

1. Instructional material or material components not on the list of approved instructional materials;
2. Instructional material placed on the rejected list of instructional materials;
3. Instructional material that promotes three-cueing as defined in Education Code 28.0062(a-1); or
4. Printing of SBOE-approved OER material, which may be otherwise procured through a requisition in EMAT.

The commissioner may grant a waiver to exempt a district from an initial purchase of each component of an approved product if the district can demonstrate that it already possesses an identical or near-identical component for each student and/or teacher as indicated by the product design.

19 TAC 67.1004

Purchasing Method

A district is not required to use a method provided by Education Code 44.031(a) to purchase instructional materials that have been reviewed by TEA and included on the list of approved instructional materials maintained by the SBOE. *Education Code 31.102(d)*

Requisitions, Use, and Distribution

The board may delegate to an employee the authority to requisition, distribute, and manage the inventory of instructional materials, consistent with Education Code Chapter 31 and rules adopted under that chapter. *Education Code 31.104(a)*

Delegation of Authority

Local Funds

A district may use local funds to purchase any instructional materials in addition to those selected under Education Code Chapter 31. *Education Code 31.106*

Online Requisition Program

A district shall make a requisition for instructional materials using EMAT. A district may requisition instructional materials for grades above the grade level in which a student is enrolled. *Education Code 31.103(b)-(c)*

Distribution

The board shall distribute printed instructional materials to students in the manner that the board determines is most effective and economical. *Education Code 31.102(c)*

OER Instructional Materials

A district may adopt OER instructional material at any time. A district may only adopt or otherwise use an OER instructional material that is not included on the list of rejected instructional materials maintained by the SBOE.

Except as otherwise provided by the Education Code, the commissioner may not require a district to adopt or use an OER instructional material. A district may not be charged for a cost associated with the selection of an OER instructional material, except for the cost of printing copies of the material. *Education Code 31.073*

OER Transition Plan

To qualify for additional state aid under Education Code 48.308, the board must adopt an OER instructional material transition plan to assist classroom teachers in the district who will be using an OER instructional material in a specific subject or grade level for which the teacher has not previously used an OER instructional material.

The plan must ensure that OER instructional materials are used in a manner that maintains the instructional flexibility of a classroom teacher to address the needs of each student.

A district that participates in the program developed and maintained by TEA under Education Code 31.0752 is not required to adopt a transition plan under this provision. [See OER Instructional Material Support Program, below]

Education Code 31.0751

The OER instructional material transition plan shall be submitted in a format determined by the commissioner.

A district is required to have a locally maintained OER transition plan that complies with 19 Administrative Code 67.1315 to access funding allotted under Education Code 48.308.

A district is required to submit an OER instructional material transition plan only when:

1. First adopting an SBOE-approved OER product for a grade level or subject/course; or
2. Expanding implementation of an SBOE-approved OER product to additional campuses and/or grade levels.

The OER instructional material transition plan adopted by the board of trustees shall include the plan of the district to ensure the following:

1. Clear communication and stakeholder change management plans and timelines;
2. Timely access to print materials and related manipulatives through OER procurement and distribution;

3. Sufficient planning and instructional time evidenced by instructional calendars and master schedules aligned to the requirements of the materials;

4. Clear expectations for the implementation of:

   a. Instructional materials;

   b. Internalization and student work analysis protocols; and

   c. Curriculum-embedded assessments;

5. Processes for stakeholder communication and public posting, as outlined in Education Code 26.006, if materials have been modified by the district;

6. The maintenance of instructional flexibility through clear guidance for acceptable teacher modifications to instructional pacing, sequencing, and lesson content to address the needs of each student; and

7. Sufficient professional learning and development for school leaders, instructional coaches, and teachers, including:

   a. Pre-service product onboarding and orientation; and

   b. Ongoing, job-embedded, curriculum-based professional learning, including cycles of observation and feedback.

The commissioner may request and review OER instructional material transition plans before funding is released and reject a plan subsequent to review.

19 TAC 67.1315

OER Instructional Material Support Program

TEA shall develop and maintain a program to assist school districts in adopting and using OER instructional material, including by assisting districts to:

1. Maintain the instructional flexibility of classroom teachers to address the needs of each student; and

2. Schedule instructional periods in a manner that allows classroom teachers sufficient time to effectively prepare and present instructional material within the teacher's normal work day.

TEA shall engage in efforts to meet the demand from districts that request assistance for the 2024-25 or 2025-26 school year. Until September 1, 2027, a school district may apply assistance received to offset the payment of costs related to implementing OER

instructional material, regardless of whether the district incurred the cost before receiving the assistance.

Education Code 31.0752

Requisition

A district that selects OER instructional material shall requisition a sufficient number of printed copies for use by students unable to access the instructional material electronically unless the district provides to each student:

1. Electronic access to the instructional material at no cost to the student; or
2. Printed copies of the portion of the instructional material that will be used in the course.

Education Code 31.103(d)

Parent Portal

An entity that hosts an instructional materials parent portal must comply with requests regarding parental access to the portal made by a district in compliance with Education Code 31.154 or Education Code 26.006 [see EFA]. *Education Code 31.154(e)*

[For more information regarding the requirements for certain entities that supply instructional materials to host a parent portal, see Education Code 31.154.]

Bilingual Instructional Materials

A district shall purchase with its allotment or otherwise acquire instructional materials for use in bilingual education classes. *Education Code 31.029*

Certification of Instructional Materials

Prior to the beginning of each school year, a district shall submit to the SBOE and commissioner certification that the district:

1. For each subject in the required curriculum under Education Code 28.002, other than physical education, and each grade level:
    a. Provides each student with instructional materials that cover all elements of the essential knowledge and skills adopted by the SBOE for that subject and grade level; and
    b. In the provision of instructional materials, the district protects students from obscene or harmful content as necessary for compliance with the Children's Internet Protection Act (Pub. L. No. 106-554) [see CQ], Education Code 28.0022 [see EMB], Penal Code 43.22, and any other law or regulation that protects students from obscene or harmful content [see EFA]; and

2. The district used money allocated to the district or school under the instructional materials and technology allotment only for purposes allowed under Education Code 31.0211.

To determine whether each student has instructional materials that cover all elements of the essential knowledge and skills, a district may consider:

1. Instructional materials adopted by the SBOE;
2. Instructional materials developed, purchased, or otherwise acquired by the district; and
3. OER instructional materials and other electronic instructional materials included in the repository under Education Code 31.0722.

Education Code 31.1011

Annual Report

Each district shall annually report to TEA information regarding the instructional materials used by the district during the previous school year, including the cost of each material. *Education Code 31.1012*

Ownership

Except as otherwise provided, a student must return all instructional materials to the teacher at the end of the school year or when the student withdraws from school. At the end of the school year for which OER instructional material that a district does not intend to use for another student is distributed, the printed copy of the OER instructional material becomes the property of the student to whom it is distributed.

This provision does not apply to an electronic copy of OER instructional material.

Education Code 31.104(c), (g)-(h)

Responsibility for Instructional Materials and Equipment

Each student or the student's parent or guardian is responsible for all instructional material and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent, or guardian.

As provided by board policy, a district may waive or reduce the payment required if the student is from a low-income family. [See FP] The district shall allow the student to use instructional materials and technological equipment at school during each school day.

If instructional materials or technological equipment is not returned in an acceptable condition or paid for, a district may withhold the student's records. A district may not prevent the student from graduating, participating in a graduation ceremony, or receiving a diploma. [See FL and GBA regarding student and parental right to access records; and FD, FFAB, and FL regarding a district's duties to provide records to another district]

The board may not require an employee of the district who acts in good faith to pay for instructional materials or technological equipment that is stolen, misplaced, or not returned by a student. [See DG]

These provisions do not apply to an electronic copy of OER instructional material.

Education Code 31.104(d), (e), (h) [See also EFA]

Acceptable Condition

Printed instructional materials are considered to be in acceptable condition if:

1. The cover, binding, pages, spine, and all integral components of the instructional materials are wholly intact and the instructional materials are fully usable by students; and
2. No component of the instructional materials is soiled, torn, or damaged (whether intentionally or by lack of appropriate care) to the extent that any portion of the content is too disfigured or obscured to be fully accessible to other students.

Electronic instructional materials are considered to be in acceptable condition if:

1. All components or applications that are a part of the electronic instructional materials are returned;
2. The electronic materials perform as they did when they were new;
3. The electronic instructional materials do not contain computer code (e.g., bug, virus, worm, or similar malicious software) that has been designed to self-replicate, damage, change, or otherwise hinder the performance of any computer's memory, file system, or software; and
4. The electronic instructional materials have not been installed with plug-ins, snap-ins, or add-ins without the prior approval of the district.

Technological equipment is considered to be in acceptable condition if:

1. The equipment is returned with the software and hardware in their original condition unless the district authorized changes; and

2. The physical condition of the equipment is fully usable as it was originally intended to be used.

19 TAC 66.1310

Lost or Damaged Instructional Materials

A district may order replacements for instructional materials that have been lost or damaged directly from the publisher of the instructional materials or any source for a printed copy of OER instructional material. *Education Code 31.104(b)*

Sale or Disposal

The board shall determine how the district will dispose of discontinued printed instructional materials, electronic instructional materials, and technological equipment.

Sale

The board may sell printed instructional materials on the date the instructional material is discontinued for use in the public schools by the SBOE or the commissioner. The board may also sell electronic instructional materials and technological equipment owned by the district.

Use of Proceeds

Any funds received by a district from a sale must be used to purchase instructional materials and technological equipment allowed under Education Code 31.0211.

Disposal

The board may dispose of printed instructional material before the date the instructional material is discontinued for use in the public schools by the SBOE if the board determines that the instructional material is not needed by the district and the board does not reasonably expect that the instructional material will be needed. A district must notify the commissioner of any instructional material the district disposes of under this provision.

Education Code 31.105

Safety Standards

A district shall meet or exceed the safety standards for school buses established by the Department of Public Safety (DPS), with the advice of the Texas Education Agency (TEA). A district that fails or refuses to meet these safety standards for school buses is ineligible to share in the transportation allotment until the first anniversary of the date the district begins complying with the safety standards. *Education Code 34.002*

DPS school bus safety standards apply to all school districts that own, operate, rent, contract, or lease school buses and those commercial transportation companies that contract with a public school to transport public school students in buses. *37 TAC 14.51*

A district shall make available any forms referenced in its employment policy on an intranet website that is maintained by the district and accessible to district employees, or at a district administrative office designated by the district if the district does not maintain an intranet website.

Education Code 11.1513(k)

If a district employs an internal auditor, the board shall select the internal auditor and the internal auditor shall report directly to the board. *Education Code 11.170* [See CFC]

Superintendent Recommendation

A board may accept or reject a superintendent's recommendation regarding the selection of district personnel and shall include the board's acceptance or rejection in the minutes of the board's open meeting, in the certified agenda or tape recording of a closed meeting, or in the recording required under Government Code 551.125 or 551.127, as applicable. If a board rejects a superintendent's recommendation, the superintendent shall make alternative recommendations until the board accepts a recommendation. *Education Code 11.1513(b)*

Posting of Vacancies

A district's employment policy must provide that not later than the fifth school day before the date on which a district fills a vacant position for which a certificate or license is required as provided by Education Code 21.003 [see DBA], other than a position that affects the safety and security of students as determined by the board, the district must provide to each current district employee:

1. Notice of the position by posting the position on:
    a. A bulletin board at:
        (1) A place convenient to the public in the district's central administrative office, and
        (2) The central administrative office of each campus during any time the office is open; or

However, a district is not required to provide the notice for five school days before filling the position or to provide a reasonable opportunity to apply for the position. *Education Code 11.1513(e)*

Grievances

A district's employment policy must provide each employee with the right to present grievances to the board. The policy may not restrict the ability of an employee to communicate directly with a member of the board regarding a matter relating to the operation of

a district, except that the policy may prohibit ex parte communication relating to:

1. A hearing under Education Code Chapter 21, Subchapter E (Term Contracts) or F (Hearing Examiners); and
2. Another appeal or hearing in which ex parte communication would be inappropriate pending a final decision by the board.

Education Code 11.1513(i)–(j) [See DGBA]

Daily Rate of Pay

The employment policy must provide that for purposes of determining the amount of a reduction in the salary of a classroom teacher, full-time counselor, or full-time librarian for unpaid leave, the employee's daily rate of pay is computed by dividing the employee's annual salary by the number of days the employee is expected to work for that school year. *Education Code 11.1513(l)* [See DEC]

Contract Employees

A district shall employ each classroom teacher, principal, librarian, nurse, or school counselor under a probationary contract, a continuing contract, or a term contract. A district is not required to employ a person other than these listed employees under a probationary, continuing, or term contract. *Education Code 21.002*

Classroom Teacher

"Classroom teacher" means an educator who is employed by a district and who, not less than an average of four hours each day, teaches in an academic instructional setting or a career and technology instructional setting. Proportionate Reduction

If a district anticipates providing less than 180 days of instruction for students during a school year, as indicated by the district's academic calendar, the district may reduce the number of days of service proportionately. A reduction by the district does not reduce an educator's salary. *Education Code 21.401(c-1)*

Commissioner Waiver

The commissioner of education may reduce the number of days of service if disaster, flood, extreme weather conditions, fuel curtailment, or another calamity causes the closing of schools. A reduc-

A district shall submit to the Teacher Retirement System of Texas (TRS) a monthly certified statement of employment for all retirees employed by the district during each month of a school year. A district shall inform TRS of changes in status of the district that affect the district's reporting responsibilities.

Deadline

A district must submit the monthly certified statement and all required employer surcharges under 34 Administrative Code 31.3 (relating to Return-to-Work Employer Pension Surcharges) for each report month from September through July before the eleventh day of the month following the applicable report month. For the monthly certified statement for the report month of August, the employer shall submit the monthly certified statement and all required employer surcharges before the seventh day of September.

If the due date for submission of a monthly certified statement and required employer surcharges falls on a weekend or federal holiday, a district shall submit the monthly certified statement and required employer surcharges on the last business day prior to the due date.

Late Submissions

A district that fails to timely submit a monthly certified statement and all required employer surcharges must also pay all applicable interest and late fees. A district must pay to TRS the late fee established by rule for each business day that the monthly certified statement is past due.

Required Information

A monthly certified statement is not considered submitted to TRS until it is completed. To be complete, the monthly certified statement must include all the following information regarding a retiree employed by the employer during the report month:

1. The number of hours and days worked by the retiree;
2. Whether the retiree's employment qualifies as one or more of the following types:
    a. Substitute employment;
    b. One-half time or less employment;
    c. Employment as a tutor under Education Code 33.913;

d. Employment in a federally funded COVID-19 personnel position that meets the requirements of Government Code 824.6021 and 34 Administrative Code 31.16 (relating to Federally Funded COVID-19 Personnel);

e. Full-time employment;

f. Trial employment of a disability retiree for up to three months; or

g. Any combination of these types;

3. The amount of gross compensation paid to the retiree during the report month;

4. The total amount due under 34 Administrative Code 41.4 (relating to Employer Health Benefit Surcharge); and

5. Any other information requested by TRS.

An administrator of a district who is responsible for filing the statement, and who knowingly fails to file the statement, commits an offense.

New Hires

I-9 Forms

A district shall ensure that an employee properly completes section 1 — ''Employee Information and Verification'' — on Form I-9 at the time of hire.

A district must verify employment eligibility, pursuant to the Immigration Reform and Control Act, and complete Form I-9 by the following dates:

1. Within three business days of initial hiring. If a district hires an individual for employment for a duration of less than three business days, the district must verify employment at the time of hire. A district shall not be deemed to have hired an individual if the individual is continuing in his or her employment and has a reasonable expectation of employment at all times. When a district rehires an individual, the district may, in lieu of completing a new I-9, inspect a previously completed I-9 executed within three years of the date of rehire, to determine whether the individual is still eligible to work.

2. For an individual whose employment authorization expires, not later than the date of expiration.

8 C.F.R. 274a.2(b)(1)(ii), (iii), (vii), (viii)

New Hire Reporting

A district shall furnish to the Directory of New Hires (Texas Attorney General's Office) a report that contains the name, address, and social security number of each newly hired employee. The report shall also contain a district's name, address, and employer identification number.

A district may also provide, at its option, the employee's date of hire, date of birth, expected salary or wages, and the district's payroll address for mailing of notice to withhold child support.

A district shall report new hire information on a Form W-4 or an equivalent form, by first class mail, telephonically, electronically, or by magnetic media, as determined by the district and in a format acceptable to the attorney general.

Deadline

New hire reports are due:

1. Not later than 20 calendar days after the date a district hires the employee; or

2. In the case of a district transmitting reports magnetically or electronically, by two monthly transmissions (if necessary) not less than 12 days nor more than 16 days apart.

New hire reports shall be considered timely if postmarked by the due date or, if filed electronically, upon receipt by the agency.

Penalties

A district that knowingly violates the new hire provisions may be liable for a civil penalty, as set forth at Family Code 234.105.

42 U.S.C. 653a(b), (c); Family Code 234.101–.105; 1 TAC 55, Subch. I

Federal Law — A district shall not deny to any individual any right, benefit, or privilege provided by law because of the individual's refusal to disclose his or her social security number.

Exceptions — The federal law does not apply to:

1. Any disclosure that is required by federal statute. The United States Internal Revenue Code provides that the social security number issued to an individual for purposes of federal income tax laws shall be used as the identifying number for taxpayers;
2. Any disclosure to a district maintaining a system of records in existence and operating before January 1, 1975, if such disclosure was required under statute or regulation adopted before such date to verify the identity of an individual; or
3. Any use for the purposes of establishing the identity of individuals affected by any tax, general public assistance, driver's license, or motor vehicle registration law within a district's jurisdiction.

Statement of Uses — A district that requests disclosure of a social security number shall inform that individual whether the disclosure is mandatory or voluntary, by what statutory authority such number is solicited, and what uses will be made of it.

Privacy Act of 1974, Pub. L. No. 93-579, Sec. 7, 88 Stat. 1896, 1897 (1974)

Employment Assistance Prohibited

Federal Law — A district that receives Title I funds shall have regulations or policies that prohibit any individual who is a school employee, contractor, or agent, or a district, from assisting a school employee in obtaining a new job, apart from the routine transmission of administrative and personnel files, if the individual or district knows, or has probable cause to believe, that such school employee engaged in sexual misconduct regarding a minor or student in violation of the law.

This requirement shall not apply if the information giving rise to probable cause has been properly reported to a law enforcement agency with jurisdiction over the alleged misconduct; and has been properly reported to any other authorities as required by federal, state, or local law, including Title IX of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.) and the implementing regulations under Part 106 of Title 34, Code of Federal Regulations, or any succeeding regulations; and:

1. The matter has been officially closed or the prosecutor or police with jurisdiction over the alleged misconduct has investi-

gated the allegations and notified school officials that there is insufficient information to establish probable cause that the school employee engaged in sexual misconduct regarding a minor or student in violation of the law;

2. The school employee has been charged with and acquitted or otherwise exonerated of the alleged misconduct; or

3. The case or investigation remains open and there have been no charges filed against, or indictment of, the school employee within four years of the date on which the information was reported to a law enforcement agency.

20 U.S.C 7926 [See also CJ]

State Law

SBEC may suspend or revoke a certificate, impose other sanctions against the person, or refuse to issue a certificate to the person if:

1. The person assists another person in obtaining employment at a school district, private school, or open-enrollment charter school, other than by the routine transmission of administrative and personnel files; and

2. The person knew that the other person has previously engaged in sexual misconduct with a minor or student in violation of the law.

The commissioner may require a school district to revoke or decline to issue a school district teaching permit under Education Code 21.055 issued to or requested by a person subject to SBEC action above.

Education Code 21.0581; 19 TAC 249.15(b)(13)

Personnel Duties

The Superintendent shall define the qualifications, duties, and responsibilities of all positions and shall ensure that job descriptions are current and accessible to employees and supervisors.

Posting Vacancies

The Superintendent shall establish guidelines for advertising employment opportunities and posting notices of vacancies. These guidelines shall advance the Board's commitment to equal opportunity employment and to recruiting well-qualified candidates. Current District employees may apply for any vacancy for which they have appropriate qualifications.

Applications

All applicants shall complete the application form supplied by the District. Information on applications shall be confirmed before a contract is offered for a contractual position and before hiring or as soon as possible thereafter for a noncontractual position.

[For information related to the evaluation of criminal history records, see DBAA.]

Selection and Employment

Contractual

The Board delegates to the Superintendent final authority to hire staff on the teacher pay scale, all contractual personnel from pay grade below Level 2 on the administrator business management pay plan, and all noncontractual personnel.

The Superintendent shall have the sole authority to make recommendations to the Board regarding the selection of contractual personnel from pay grade Level 2 and above on the administrator educator plan. The Board retains final authority for employment of contractual personnel for pay grade Level 2 and above on the administrator business management pay plan and Level 3 and above on the administrator educator plan.

Noncontractual

The Board retains final authority for employment and dismissal, based on the Superintendent's recommendations, of noncontractual personnel whose positions are on the special assignment/administrative salary schedule.

The Board shall delegate to the Superintendent final authority to employ and dismiss all other noncontractual employees on an at-will basis. In cases of dismissal, the Superintendent shall receive written recommendations from the appropriate personnel in the District's organizational chart. An individual, including the Superintendent, who is recommending dismissal of a noncontractual, at-will employee shall adhere to all administrative procedures and guidelines. [See DCD]

Employment Assistance Prohibited

No District employee shall assist another employee of the District or of any school district in obtaining a new job if the employee knows, or has probable cause to believe, that the other employee engaged in sexual misconduct regarding a minor or student in vio-

lation of the law. Routine transmission of an administrative or personnel file does not violate this prohibition. [See CJ for prohibitions relating to contractors and agents and DHA(LEGAL) for the Educators' Code of Ethics.]

Incentive Grants — Contract Provision

A district shall provide in employment contracts that qualifying employees may receive an incentive payment under an awards program established under Education Code Chapter 21, Subchapter O (Educator Excellence Award Program and Educator Excellence Innovation Program) if the district participates in the program. A district shall indicate that any incentive payment distributed is considered a payment for performance and not an entitlement as part of an employee's salary. *Education Code 21.415*

Educator Excellence Innovation Program

The Educator Excellence Innovation Program (EEIP) is a grant program under which a district may receive a competitive grant for the purposes of systematically transforming educator quality and effectiveness. The Texas Education Agency (TEA) will give priority to districts that receive Title I funding and have at a majority of district campuses a student enrollment that is at least 50 percent educationally disadvantaged.

Eligibility

A district is eligible to apply for EEIP grant funds if the district:

1. Completes and submits a Notice of Intent to Apply to TEA by the date established by the commissioner of education;
2. Complies with all assurances in the Notice of Intent to Apply and grant application;
3. Participates in the required technical assistance activities established by the commissioner, including establishing leadership teams, master teachers, mentor teachers, and instructional coaches and developing career pathways;
4. Agrees to participate for four years; and
5. Complies with any other activities set forth in the program requirements.

An eligible district must submit an application in a form prescribed by the commissioner. Each eligible applicant must meet all deadlines, requirements, and assurances specified in the application. The commissioner may waive any eligibility requirements as specified in 19 Administrative Code 102.1073.

Local Plan

An eligible district that intends to participate in the EEIP shall submit a local educator excellence innovation plan to TEA. A local educator excellence innovation plan must address the elements at 19 Administrative Code 102.1073(e)(2).

A district must act pursuant to its local board policy [see DEAA (LOCAL)] for submitting a local educator excellence innovation plan and grant application to TEA. A local decision to approve and

submit a plan and grant application may not be appealed to the commissioner.

A district may renew its local educator excellence innovation plan for three consecutive school years without resubmitting a full grant application to TEA. With TEA approval, a district may amend its local plan in accordance with 19 Administrative Code 102.1073(c) and (h) for each school year the district receives a program grant.

Use of Grant Funds

A district may use grant funds only to carry out purposes of the program as described at Education Code 21.7011, in accordance with the district's local plan, which may include the following specific methods or procedures:

1. Implementation and administration of a high-quality mentoring program for teachers in the first three years of classroom teaching using mentors who meet the qualifications prescribed by Education Code 21.458 [see Mentor Teachers, below];
2. Implementation of a teacher evaluation system using multiple measures that include:
    a. The results of classroom observation, which may include student comments;
    b. The degree of student educational growth and learning; and
    c. The results of teacher self-evaluation;
3. To the extent permitted under Education Code Chapter 25, Subchapter C, restructuring of the school day or school year to provide for embedded and collaborative learning communities for the purpose of professional development [see EC];
4. Establishment of an alternative teacher compensation or retention system; and
5. Implementation of incentives designed to reduce teacher turnover.

Waiver Request

A district may apply to the commissioner in writing for a waiver to exempt the district or one or more district campuses from one or more of the statutory sections listed at Education Code 21.7061(a).

The application for the waiver must demonstrate:

1. Why waiving the identified section of the Education Code is necessary to carry out the purposes of the program;

2. Approval for the waiver by a vote of a majority of the members of the board;

3. Approval for the waiver by a vote of a majority of the educators employed at each campus for which the waiver is sought; and

4. Evidence that the voting occurred during the school year and in a manner that ensured that all educators entitled to vote had a reasonable opportunity to participate in the voting.

Neither the board nor the superintendent may compel a waiver of rights under Education Code 21.7061.

Not later than April 1 of the year in which the waiver application is submitted, the commissioner shall notify the district in writing whether the application has been granted or denied. A waiver expires when the waiver is no longer necessary to carry out the purposes of the program, in accordance with the district's local educator excellence innovation plan.

Education Code Ch. 21, Subch. O; 19 TAC 102.1073

Local Optional Teacher Designation System

A district may designate a classroom teacher as a master, exemplary, recognized, or acknowledged teacher for a five-year period based on the results from single year or multiyear appraisals [see DNA]. *Education Code 21.3521(a)*

Commissioner's Rules

The commissioner's rules specify the requirements for districts to implement local teacher designation systems, including:

1. Teacher eligibility;

2. Application procedures and approval process;

3. System expansion, spending modifications, and changes;

4. Monitoring and annual program submission of approved local designation systems;

5. Continuing approval and renewal; and

6. Funding.

19 TAC 150.1012

Standards

The commissioner's rules establish performance and validity standards for each local optional teacher designation system that:

1. Must provide a mathematical possibility that all teachers eligible for a designation may earn the designation; and

2. May not require a district to use an assessment instrument adopted under Education Code 39.023 to evaluate teacher performance.

Education Code 21.3521(b); 19 TAC 150.1014

Teacher Incentive Allotment

For each classroom teacher with a local optional teacher designation, a district is entitled to an allotment, adjusted by high needs and rural factors, as determined under Education Code 48.112.

A district shall annually certify that:

1. Funds received were used as follows:

   a. At least 90 percent was used for the compensation of teachers employed at the campus at which the teacher for whom the district received the allotment is employed; and

   b. Any other funds were used for costs associated with implementing the local optional teacher designation system, including efforts to support teachers in obtaining designations; and

2. The district prioritized high needs campuses in the district in using funds.

Education Code 48.112(c), (i)

Nationally Board Certified Designation

A classroom teacher that holds a National Board Certification issued by the National Board for Professional Teaching Standards may be designated as nationally board certified in accordance with the commissioner's rules for eligibility. This designation is valid for a five-year period, regardless of whether the State Board for Educator Certification (SBEC) revokes authorization for a nationally board certified teacher designation. *Education Code 21.3521(c)-(c-1); 19 TAC 150.1013*

Enhanced Teacher Incentive Allotment Systems

Each school year, the commissioner shall, using criteria developed by the commissioner, designate as enhanced teacher incentive allotment system school districts that implement comprehensive school evaluation and support systems. The criteria developed by the commissioner must require a district to:

1. For principals and assistant principals, implement:

   a. A strategic evaluations system aligned with the district's or school's teacher designation system; and

   b. A comprehensive system based on performance;

2. Ensure that under the district's teacher designation system substantially all classroom teachers, regardless of the grade level or subject area to which the teacher is assigned, are eligible to earn a designation under Education Code 21.3521(a);

3. Implement for all classroom teachers a compensation plan based on performance that:

   a. Uses a salary schedule that differentiates among classroom teachers based on staff appraisals; and

   b. Does not include across-the-board salary increases for classroom teachers except for periodic changes to the district's or school's salary schedule to adjust for significant inflation and;

4. Implement a locally designed plan to place highly effective teachers at high needs campuses and in accordance with Education Code 28.0062(a)(3).

The commissioner may designate a school district as an enhanced teacher incentive allotment system only if the district has implemented a local optional teacher designation system under Education Code 21.3521.

The commissioner may remove a school district's designation as an enhanced teacher incentive allotment system if the commissioner determines the district no longer meets the criteria for the designation.

Education Code 21.3521(d-1)-(d-3)

For a district that is designated as an enhanced teacher incentive allotment system under Education Code 21.5321(d-1), the commissioner shall increase the amount to which the district is entitled under Education Code 48.112 by multiplying that amount by 1.1. *Education Code 48.112(g-1)*

3. Fails without good cause to perform the contract.

Education Code 21.105(c), .160(c), .210(c)

Sanctions Prohibited

SBEC may not impose a sanction against a teacher who relinquishes a position under a probationary, term, or continuing contract and leaves the employment of the district after the 45th day before the first day of instruction for the upcoming school year in violation of and without the consent of the board if the teacher's fail-

ure to comply with Education Code 21.105(a), 21.160(a), or 21.210(a) was due to:

1. A serious illness or health condition of the teacher or a close family member of the teacher;
2. The teacher's relocation because the teacher's spouse or a partner who resides with the teacher changes employers or location of employment;
3. A significant change in the needs of the teacher's family in a manner that requires the teacher to:
    a. Relocate; or
    b. Forgo employment during a period of required employment under the teacher's contract; or
4. The teacher's reasonable belief that the teacher had written permission from the school district's administration to resign.

Board Action

SBEC shall not pursue sanctions against an educator who is alleged to have abandoned his or her contract unless a board:

1. Submits a written complaint within 30 calendar days after the effective date of the educator's separation from employment from the district. Unless the district and the educator have a written agreement to the contrary, the effective date of separation from employment is the first day that, without district permission, the educator fails to appear for work under the contract.
2. Renders a finding that good cause did not exist under Education Code 21.105(c)(2) (probationary contract), 21.160(c)(2) (continuing contract), or 21.210(c)(2) (term contract). This finding constitutes prima facie evidence of the educator's lack of good cause but is not a conclusive determination.
3. Submits the following required attachments to the written complaint:
    a. The educator's resignation letter, if any;
    b. The agreement with the educator regarding the effective date of separation from employment, if any;
    c. The educator's contract; and

SBEC Review

Before imposing sanctions against a teacher for abandonment of contract, SBEC:

1. Must consider any mitigating factors relevant to the teacher's conduct; and
2. May consider alternatives to sanctions, including additional continuing education or training.

If a teacher files a written resignation after the 45th day but not later than the 30th day before the first day of instruction of the following school year, SBEC may not suspend or revoke the teacher's certificate.

SBEC shall consider the following factors in seeking, proposing, or making a decision regarding an educator who has abandoned a contract in violation of Education Code 21.105(c), 21.160(c), or 21.210(c). A reduction of one month in suspension time will be given for each factor established, except for the factors 7-10 below. The educator:

1. Gave written notice to the school district 30 days or more in advance of the first day of instruction for which the educator will not be present;
2. Assisted the school district in finding a replacement educator to fill the position;
3. Continued to work until the school district hired a replacement educator;
4. Assisted in training the replacement educator;

5. Showed good faith in communications and negotiations with the school district;
6. Provided lesson plans for classes following educator's resignation;

The committee shall be composed of at least three professional educators who have received training in the nature and needs and identification of gifted students, as required by law.

Notification

The District shall provide written notification to parents of students who qualify for services through the District's gifted and talented program. Participation in any program or services provided for

Community Awareness

The District shall ensure that information about the District's gifted and talented program is available to parents and community members and that they have an opportunity to develop an understanding of and support for the program.

To ensure that each student achieves at least satisfactory performance on each state assessment instrument, a district shall ensure that the district's curricular and instructional systems provide instruction to all students that is consistently aligned with the essential knowledge and skills for the applicable subject area and grade level; and strategically and timely addresses deficiencies in the prerequisite essential knowledge and skills for the applicable subject area and grade level. *Education Code 28.0211(a)*

Accelerated Instruction

Each time a student fails to perform satisfactorily on an assessment instrument administered in grades 3-8 or on an end-of-course assessment instrument, other than an assessment instrument developed or adopted based on alternative academic achievement standards, the district the student attends shall provide to the student accelerated instruction in the applicable subject area during the subsequent summer or school year and, subject to the limitations at Exceptions, below, either:

1. Allow the student to be assigned a classroom teacher who is certified as a master, exemplary, or recognized teacher under the local optional teacher designation system [see DEAA] for the subsequent school year in the applicable subject area; or

2. Provide the student supplemental instruction under Education Code 28.0211(a-4) [see Supplemental Instruction Requirements, below].

The assessments in this provision include a state assessment instrument administered under Education Code 39.023(a) [see EKB] in third through eighth grade or an end-of-course assessment instrument. The assessments also include a Spanish assessment for emergent bilingual students but exclude an assessment instrument developed or adopted based on alternative academic achievement standards.

19 TAC 104.1001; Education Code 28.0211(a-1)

Exceptions

Accelerated instruction requirements do not apply to a student who is retained at a grade level for the school year in which those requirements would otherwise apply.

A district may not be required to provide supplemental instruction to a student in more than two subject areas per school year. If the district would otherwise be required to provide supplemental instruction to a student in more than two subject areas for a school year, the district shall prioritize providing supplemental instruction to the student in mathematics and reading language arts, or Algebra I or English I, as applicable, for that school year.

Education Code 28.0211(a-7)-(a-8)

A district is not required to provide accelerated instruction to a student who, instead of being administered an assessment instrument specified above, was administered a substitute assessment instrument in accordance with other law or Texas Education Agency (TEA) rule authorizing the use of the substitute assessment instrument for purposes of satisfying the requirements concerning the applicable assessment instrument. *Education Code 28.0211(a-10)*

Off-Campus Arrangements

If a student who attends school in a homebound or other off-campus instructional arrangement, including at a residential treatment campus or state hospital, is unable to participate in an accelerated instruction program due to the student's condition, the district may determine that the student be provided the accelerated instruction when the student attends school in an on-campus instructional setting. If the student's condition prevents the student from attending school in an on-campus instructional setting for the school year during which the accelerated instruction is required to be provided to the student, the district is not required to provide the accelerated instruction to the student for that school year. *Education Code 28.0211(i-1)*

Participation Requirements

Accelerated instruction may require a student to participate before or after normal school hours and may include participation at times of the year outside normal school operations. *19 TAC 104.1001(c)*

In providing accelerated instruction, a district may not remove a student, except under circumstances for which a student enrolled in the same grade level who is not receiving accelerated instruction would be removed, from:

1. Instruction in the foundation curriculum and enrichment curriculum adopted under Education Code 28.002 for the grade level in which the student is enrolled [see EHA series]; or
2. Recess or other physical activity that is available to other students enrolled in the same grade level.

Education Code 28.0211(a-3)

The foundation curriculum includes English language arts, mathematics, science, and social studies. Courses in the enrichment curriculum include languages other than English; health, with emphasis on physical health, proper nutrition, and exercise; mental health, including instruction about mental health conditions, substance abuse, skills to manage emotions, establishing and maintaining positive relationships, and responsible decision making; suicide prevention; physical education; fine arts; career and technical education; technology applications; religious literature; and personal financial literacy.

In the event that a school week is three or less instructional days, the school is exempt from meeting the requirement of meeting once per week for accelerated instruction.

19 TAC 104.1001(c)(1)

Supplemental Instruction Requirements

If a district receives funding under Education Code 29.0881 or Education Code 48.104 [see EHBC], the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (Div. M, Pub. L. No. 116-260), or the American Rescue Plan Act of 2021 (Pub. L. No. 117-2), then supplemental instruction provided by a district must:

2. Be provided in addition to instruction normally provided to students in the grade level in which the student is enrolled;
3. Be provided during the subsequent summer or school year:
    a. To each student for no less than:
        (1) 15 hours; or
        (2) 30 hours for a student whose performance on the applicable assessment instrument was significantly below satisfactory, as below; and
    b. Unless the instruction is provided fully during summer, include instruction no less than once per week during the school year, except as otherwise provided by commissioner rule to account for school holidays or shortened school weeks;
4. Be designed to assist the student in achieving satisfactory performance in the applicable grade level and subject area;
5. Include effective instructional materials designed for supplemental instruction;
6. Be provided to a student individually or in a group of no more than four students, unless the parent or guardian of each student in the group authorizes a larger group;

8. To the extent possible, be provided by one person for the entirety of the student's supplemental instruction period.

Education Code 28.0211(a-4); 19 TAC 104.1001

Significantly Below Satisfactory	A district shall provide students who fail to perform satisfactorily on an applicable state assessment instrument no less than 15 hours of supplemental instruction or no less than 30 hours of supplemental instruction for students who scored Low Did Not Meet Grade Level as indicated by state-provided district-level data files or failed to perform satisfactorily on any grade 3 assessment. *19 TAC 104.1001(d)*
Parent Choice	A parent or guardian of a student to whom supplemental instruction will be provided and who either was administered and failed to perform satisfactorily on an assessment instrument specified above or was administered a beginning-of-year assessment instrument aligned with the essential knowledge and skills for the applicable subject area, including a student to whom an accelerated education plan applies, may elect to modify or remove a requirement for that instruction under Education Code 28.0211(a-4) by submitting a written request to an administrator of the campus at which the student is enrolled. A district may not encourage or direct a parent or guardian to make an election under this provision that would allow the district to not provide supplemental instruction to the student or provide supplemental instruction in a group larger than authorized. *Education Code 28.0211(a-9)*
Transportation	A district shall provide students required to attend the accelerated programs described above with transportation to those programs if the programs occur outside of regular school hours, unless the district does not operate, or contract or agree with another entity to operate, a transportation system. *Education Code 28.0211(j)*
High-Impact Tutoring Providers	TEA shall approve high-impact tutoring providers for purposes of providing accelerated or supplemental instruction. In contracting with a high-impact tutoring provider approved by TEA, a district may use an outcomes-based contract. *Education Code 28.0211(a-15)-(a-16)*
Unlisted Service Provider	A district may use a service provider that is not on a list of service providers approved by TEA if the district can demonstrate to the commissioner that use of the service provider results in measurable improvement in student outcomes. *Education Code 28.0211(a-12)*
Optional Assessment	A school district that is required to provide to a student accelerated instruction or supplemental instruction is not required to provide additional instruction under either provision to the student based on the student's failure to perform satisfactorily on an assessment instrument administered as an optional assessment in the same sub-

ject area in which the district is required to provide the student the accelerated or supplemental instruction. *Education Code 28.0211(a-13)*

Notice to Parents

A district shall provide to the parent or guardian of a student who fails to perform satisfactorily on a state assessment instrument specified above notice that the student is not performing on grade level in the applicable subject area. The district must provide the notice at a parent-teacher conference or, if the district is unable to provide the notice at a parent-teacher conference, by another means. TEA shall develop and provide to districts a model notice in plain language for use under this provision. *Education Code 28.0211(a-14)*

In each instance in which a district is specifically required to provide notice or a written copy to a parent or guardian of a student, the district shall make a good faith effort to ensure that such notice or copy is provided either in person or by regular mail and that the notice or copy is clear and easy to understand and is written in English or the parent or guardian's native language. *Education Code 28.0211(h)*

Parent Request

A district shall establish a process allowing for the parent or guardian of a student who fails to perform satisfactorily a state assessment instrument under Education Code 28.0211(a-1) [see above] to make a request for district consideration that the student be assigned to a particular classroom teacher in the applicable subject area for the subsequent school year, if more than one classroom teacher is available. *Education Code 28.0211(a-5); 19 TAC 104.1001(g)*

Assessments Not Required

Education Code 28.0211 does not require the administration of a fifth or eighth grade assessment instrument in a subject under Education Code 39.023(a) to a student enrolled in the fifth or eighth grade, as applicable, if the student:

1. Is enrolled in a course in the subject intended for students above the student's grade level and will be administered an assessment instrument adopted or developed under Education Code 39.023(a) [see EKB] that aligns with the curriculum for the course in which the student is enrolled; or

2. Is enrolled in a course in the subject for which the student will receive high school academic credit and will be administered an end-of-course (EOC) assessment instrument [see EKB] for the course.

Notwithstanding any other provision of Education Code 28.0211, the student may not be denied promotion on the basis of failure to

perform satisfactorily on an assessment instrument not required to be administered to the student, nor may a student in grade 5 or grade 8 be denied promotion to the next grade on the basis of failure to perform satisfactorily on a reading or mathematics assessment instrument intended for use above the student's grade level.

Education Code 28.0211(o)-(p)

Students At Risk

A district shall provide accelerated instruction to an enrolled student who has taken an EOC assessment instrument and has not performed satisfactorily or who is at risk of dropping out of school [see EHBC].

A district shall offer before the next scheduled administration of the assessment instrument, without cost to the student, additional accelerated instruction to each student in any subject in which the student failed to perform satisfactorily on an end-of-course assessment instrument required for graduation.

A district that is required to provide accelerated instruction must separately budget sufficient funds for that purpose. [See CE]

A district shall evaluate the effectiveness of accelerated instruction programs and annually hold a public hearing to consider the results.

Education Code 29.081(b), (b-1), (b-2), (b-3), 39.025(b-1)

Effectiveness

A district shall evaluate and document the effectiveness of the accelerated instruction in reducing any disparity in performance on state assessment instruments or disparity in the rates of high school completion between students at risk of dropping out of school and all other district students. *Education Code 29.081(c)*

No Available Test Score

The superintendent of each district shall establish procedures to ensure that each eligible student who is absent or does not receive a test score for any test administration shall receive appropriate supplemental accelerated instruction as warranted on an individual student basis. This provision may not be used to excuse a student from appropriate accelerated instruction. *19 TAC 104.1001(b)(4)*

Accelerated Education Plan

For each student who does not perform satisfactorily on a state assessment instrument specified above for two or more consecutive school years in the same subject area, the district the student attends shall develop an accelerated education plan and provide the student at least 30 hours of supplemental instruction. *19 TAC 104.1001; Education Code 28.0211(b)*

Not later than the start of the subsequent school year, a district shall develop an accelerated education plan for the student that

provides the necessary accelerated instruction to enable the student to perform at the appropriate grade level or course by the conclusion of the school year.

The plan must:

1. Identify the reason the student did not perform satisfactorily on the applicable assessment instrument; and
2. Require the student to be provided with no less than 30 hours, or a greater number of hours if appropriate, of supplemental instruction for each consecutive school year in which the student does not perform satisfactorily on the assessment instrument in the applicable subject area.

The plan may require that, as appropriate to ensure the student performs satisfactorily on the assessment instrument in the applicable subject area at the next administration of the assessment instrument:

1. The district expand the times in which supplemental instruction is available to the student;
2. The student be assigned for the school year to a specific teacher who is better able to provide accelerated instruction; and
3. The district provide any necessary additional resources to the student.

The accelerated education plan must be documented in writing, and a copy must be provided to the student's parent or guardian.

During the school year, the student shall be monitored to ensure that the student is progressing in accordance with the accelerated education plan.

The board shall adopt a policy consistent with the grievance procedure adopted under Education Code 26.011 [see FNG] to allow a parent to contest the content or implementation of an accelerated education plan.

Education Code 28.0211(f)-(f-3)

Parent Conference

A district shall make a good faith attempt to provide to the parent or guardian of a student to whom an accelerated education plan applies a parent-teacher conference with the student's primary teacher at the start and end of the subsequent school year.

At the conference, the district shall provide the student's parent or guardian with:

1. The notice required under Education Code 28.0211(a-14); and

2. An explanation of:

   a. The accelerated instruction to which the student is entitled under this provision, and

   b. The accelerated education plan that must be developed for the student and the manner in which the parent or guardian may participate in developing the plan.

Education Code 28.0211(b-1); 19 TAC 104.1001(e)

Classroom Assignment

Except as requested under Education Code 28.0211(a-5), a student for whom an accelerated instructional plan must be developed must be assigned, in each school year and subject covered by the accelerated education plan, to an appropriately certified teacher who meets all state and federal qualifications to teach that subject and grade.

In a manner consistent with federal law and notwithstanding any other law, the commissioner may waive the requirement regarding the assignment of a student to an appropriately certified classroom teacher on the request of a district.

Education Code 28.0211(n)-(n-1)

ARD Committee Review

The admission, review, and dismissal (ARD) committee of a student who does not perform satisfactorily on a state assessment instrument described above shall, at the student's next annual review meeting, review the student's participation and progress in, as applicable, accelerated instruction, supplemental instruction, or an accelerated education plan.

The student's parent may request, or the district may schedule, an additional committee meeting if a committee member believes that the student's individualized education program needs to be modified based on the accelerated instruction requirements. If the district refuses to convene a committee meeting requested by the student's parent, the district shall provide the parent with written notice explaining the reason the district refuses to convene the meeting.

Education Code 28.0211(i)

Repeating a High School Course

For courses taken for high school credit, a student who is required to repeat any course in which the student was enrolled in during the previous school year and who is eligible for accelerated instruction for the current school year is exempt from accelerated instruction requirements for that specific course if that course is retaken in

its entirety (i.e., to earn a full credit). However, a student who is participating in credit recovery is still required to receive accelerated instruction.

For the purpose of this provision, credit recovery means completing a certain number of assignments to satisfy the course requirements after failure or a certain number of seat hours after excessive absences.

19 TAC 104.1001(i)

Commissioner Waiver

The commissioner may waive the requirements regarding accelerated instruction for a district for each school year in which at least 60 percent of the students who received accelerated instruction during the school year immediately preceding the previous school year, including at least 60 percent of students whose performance on the applicable assessment instrument was significantly below satisfactory, as defined by commissioner rule, performed satisfactorily in the previous school year on the assessment instrument in each subject in which the student previously failed to perform satisfactorily. For purposes of determining whether a school district qualifies for a waiver, the commissioner shall:

1. If a student received accelerated instruction in more than one subject during the applicable school year, consider the student's performance on the assessment instrument in each subject separately from the student's performance on the assessment instrument for each other subject; and
2. By rule provide that a district may not qualify for a waiver if students who are receiving special education services or are educationally disadvantaged are overrepresented among the students in the district who received accelerated instruction during the school year immediately preceding the previous school year and did not perform satisfactorily in the previous school year on the assessment instrument in each applicable subject.

Education Code 28.0211(q); 19 TAC 104.1001(h)

Ratio Waiver

A district may provide accelerated instruction using a product on the Ratio Waiver List on the TEA website with information related to accelerated instruction. The 4:1 student-to-teacher ratio requirement above does not apply to a district using a listed product to provide accelerated instruction to its students.

The Ratio Waiver List consists of products that use an automated, computerized, or other augmented method for providing accelerated instruction under Education Code 28.0211(a-1)(2), that may be used in lieu of some or all of the individual or group supplemen-

tal instruction, as appropriate for the applicable grade level and subject area and a student's academic deficiency.

A district shall:

1. Notify the parent or guardian of the use of a product on the Ratio Waiver List for providing the required accelerated instruction;
2. Ensure that the required hours of supplemental instruction are completed prior to the subsequent State of Texas Assessments of Academic Readiness (STAAR®) administration;
3. Use a product on the Ratio Waiver List remotely, regardless of primary mode of instruction (i.e., in-person, virtual, or hybrid) only if the district ensures that time spent by the student engaged in the product is aligned with approved product usage expectations documented by the district;
4. Adhere to the product usage fidelity requirements by product as approved by TEA to waive ratio requirements. A district not fulfilling usage fidelity with a product will be required to revert to the 4:1 ratio for supplemental instruction; and
5. Be responsible for contracting and funding the selected vendors included on the TEA list of approved vendors.

19 TAC 104.1001(g)

Notice to Parents

Each school year, a district shall notify the parent of each student enrolled in grade 9 or above of the availability of:

1. Programs under which a student may earn college credit, including advanced placement programs, dual credit programs, joint high school and college credit programs, and international baccalaureate programs;
2. Career and technology education programs or other work-based education programs in the district, including any internship, externship, or apprenticeship programs or a P-TECH (Pathways in Technology Early College High School) program;
3. Subsidies based on financial need available for fees paid to take college advanced placement tests or international baccalaureate examinations under Education Code 28.054; and
4. Funding for enrollment in dual credit courses under the FAST (Financial Aid for Swift Transfer) program [see below].

Districts must also notify parents of the qualifications for enrolling in programs described by items 1, 2, and 4 above.

The notice must include the name and contact information of any public or private entity offering such a program in the district.

A district may provide the notice on the district's internet website.

Education Code 28.010

College Credit Program

A district shall implement a program under which students may earn the equivalent of at least 12 semester credit hours of college credit in high school. If requested by the district, a public institution of higher education in this state shall assist the district in developing and implementing the program. The college credit may be earned through:

1. International baccalaureate, advanced placement, or dual credit courses;
2. Articulated postsecondary courses provided for local credit or articulated postsecondary advanced technical credit courses provided for state credit; or
3. Any combination of the courses in items 1 and 2.

Annually, a district shall report to the Texas Education Agency (TEA):

1. The number of students, including career and technical students, who have participated in the program and earned college credit; and

2. The cumulative number of courses in which participating students have enrolled and college credit hours the students have earned.

The program may provide a student the opportunity to earn credit for a course or activity, including an apprenticeship or training hours:

1. That satisfies a requirement necessary to obtain an industry-recognized credential or certificate or an associate degree, and is approved by the Texas Higher Education Coordinating Board (THECB); and

2. For which a student may earn credit concurrently toward both the student's high school diploma and postsecondary academic requirements.

A dual credit course must be:

1. In the core curriculum of the public institution of higher education providing college credit;

2. A career and technical education course; or

3. A foreign language course.

The requirements above do not apply to a dual credit course offered as part of the early college education program established under Education Code 29.908 or any other early college program that assists a student in earning a certificate or an associate degree while in high school.

A district is not required to pay a student’s tuition or other associated costs for taking a course under this section.

College-Level Courses

A board may adopt a policy that allows a student to be awarded credit toward high school graduation for completing a college-level course. The course must be provided only by an institution of higher education that is accredited by any of the following regional accrediting associations:

1. Southern Association of Colleges and Schools;

2. Middle States Association of Colleges and Schools;

3. New England Association of Colleges and Schools;

4. North Central Association of Colleges and Schools;

5. Western Association of Colleges and Schools; or

6. Northwest Association of Colleges and Schools.

To be eligible to enroll and be awarded credit toward state graduation requirements, a student shall have the approval of the high school principal or other school official designated by a district. The course(s) for which credit is awarded shall provide advanced academic instruction beyond or in greater depth than the essential knowledge and skills for the equivalent high school course.

        (2) A foreign language requirement at an institution of higher education;

        (3) A requirement in the core curriculum, as that term is defined by Education Code 61.821, at an institution of higher education; or

        (4) A requirement in a field of study curriculum developed by the Coordinating Board under Education Code 61.823.

A student may earn a single grade toward both the college course and the high school credit or may earn two separate grades where the high school grade only reflects a student's mastery of secondary content.

Each dual credit course must meet the requirements of Chapter 4, Subchapter D.

FAST Program

Eligibility

A student is eligible to enroll at no cost in a dual credit course under the Financial Aid for Swift Transfer (FAST) program if the student is enrolled in a high school and eligible for Foundation School

Program funding in a Texas school district and in a dual credit course at a participating institution of higher education that has entered into a dual credit agreement with the student's district as set out in 19 Administrative Code 4.84 and is certified to the institution by the student's district or other means authorized by rule as being educationally disadvantaged during the year in which the student is enrolled in a dual credit course or at any time during the four school years preceding the year in which the student is enrolled in a dual credit course.

A district's notice to the institution regarding a student's status as educationally disadvantaged in any of the four years preceding the year in which the student is enrolled in a dual credit course shall occur through the district's notice to TEA, unless otherwise provided by rule. A district shall provide notice directly to the institution regarding a student's educationally disadvantaged status if the student is educationally disadvantaged in the year in which the student is enrolled in a dual credit course but was not educationally disadvantaged in any of the four preceding years.

19 TAC 13.503(a)-(b)

To be considered educationally disadvantaged, a student must meet the income requirements for eligibility under the National School Lunch Program (NSLP), authorized by 42 United States Code 1751, et seq. A district may use the following approved methods for determining student eligibility for the FAST program:

1. Parent certification, where the parent or guardian asserts meeting the income requirements for eligibility under this subsection;

2. Direct certification, where eligible children are certified for free meals without the need for a household application based on household participation in one or more federal assistance programs; or

3. Direct verification, where public records are used to verify a student's eligibility for free or reduced-price meals when verification of student eligibility is required.

A district with one or more campuses not participating in the NSLP may derive an eligible student count by an alternative method as determined by TEA.

19 TAC 102.1097

A student otherwise described by Education Code 28.0095(c) is eligible to enroll at no cost in a dual credit course under the program if the student has graduated from high school but is enrolled at a

campus designated as a P-TECH school or in a district participating in a R-PEP partnership and the student is completing a course of study offered through an articulation agreement or MOU with an institution of higher education and the district in the P-TECH or R-PEP program. A district may use Foundation School Program funds to educate a student who has graduated from high school but is enrolled in the district in a program through which the student may earn dual credit, including the P-TECH and R-PREP program. *Education Code 28.0095(c-1), 48.0035(2)*

"Dual credit course" is defined by 19 Administrative Code 4.83.

District Determination

A district shall, on the enrollment of a student in grades 9 through 12 in a dual credit course, determine whether the student meets the above criteria for the program and notify the institution of higher education that offers the dual credit course in which the student is enrolled of the district's determination.

A district may make the determination based on the district's records, TEA's records, or any other method authorized by commissioner or THECB rule. If the district bases the determination on a method other than TEA's records, the district shall report the method used and the data on which the method is based to TEA for purposes of verification.

Education Code 28.0095(a)(3), (c), (3)

For more information about the FAST Program, see 19 Administrative Code 102.1097.

Instructional Partnerships with Community College Districts

Public two-year colleges may contract to provide instruction for public secondary schools. An agreement between the public two-year college and the public secondary school must be approved by both governing boards.

High School Credit-Only Courses

Provision of instruction for public secondary schools by public two-year colleges must be in accordance with rules and guidelines established by the State Board of Education. Instruction provided under a contractual agreement may include only coursework necessary for students to complete high school. It does not apply to early admission programs for high school students entering college.

Off-Campus Program Provided by an Institution of Higher Education

The commissioner of education may approve instructional programs provided off campus by an entity other than a district as a program in which participation by a student may be counted for purposes of determining average daily attendance. *Education Code 48.007(a)*

Reporting Off-Campus Programs

A board may adopt a policy that allows a student to participate in an off-campus instructional program. The program must be provided only by an institution of higher education that is accredited by one of the regional accrediting associations specified in 19 Administrative Code 74.25 (High School Credit for College Courses).

To be eligible, a student must:

1. Be in grade 11 or 12;
2. Have demonstrated college readiness as outlined in the requirements for participation in dual credit programs in the *Student Attendance Accounting Handbook*;
3. Meet any eligibility requirements adopted by the institution of higher education; and
4. Have the approval of the high school principal or other school official designated by the district.

State Assessment of Academic Skills

Every student receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code Chapter 39, Subchapter B [see Testing in Grades 3-8, below]. *Education Code 39.023(a), (c), (f); 19 TAC 101.5*

A student may not receive a high school diploma until the student has performed satisfactorily on end-of-course (EOC) assessment instruments [see End-of-Course Assessments, below]. *Education Code 39.025(a); 19 TAC 101.4001*

Emergent Bilingual Students

In grades 3-12, an emergent bilingual student, as defined by Education Code Chapter 29, Subchapter B, shall participate in the state assessment in accordance with commissioner rules at 19 Administrative Code Chapter 101, Subchapter AA. *Education Code 39.023(l), (m)* [See EKBA]

Special Education

The Texas Education Agency (TEA) shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student's admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education that measure growth. The assessment instruments developed or adopted, including the assessment instruments approved by the commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

TEA may not adopt a performance standard that indicates that a student's performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student's developmental level as determined by the student's ARD committee.

The student's ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Education Code 39.023(b)-(c), .025(a-4)

Military Dependents

If the student is a military dependent, the district shall incorporate procedures to accept:

1. Exit or EOC exams required for graduation from the sending state;
2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then Education Code 162.002 article VII, section C, shall apply.

Education Code 162.002 art. VII [See EIF]

Administration

A district shall follow the test administration procedures established by TEA in the applicable test administration materials. A superintendent shall be responsible for administering tests. *19 TAC 101.25, .27*

Religious Holy Days

The board may consider the dates of religious holy days or periods of observance likely to be observed by the students enrolled in the district during the assessment administration schedule window under Education Code 39.02301(i) in establishing:

1. The district's calendar for that school year; and
2. The instructional days within that period on which students are administered the required assessment instruments, provided that the board not exclude more than two instructional days from that period based solely on the occurrence of a single religious holy day or period of observance.

"Religious holy day or period of observance" means a holy day or a period of holy days observed by a religion whose places of worship would be exempt from property taxation under Tax Code 11.20.

In establishing a school calendar under this provision, the board shall provide for alternative dates for the administration of state assessment instruments to a student who is absent from school to observe a religious holy day or period of observance on the date an assessment instrument is administered.

Education Code 39.0238

Alternate Test Dates

The commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate test dates will only be allowed if the campus or district is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect a district's or cam-

pus's ability to administer an assessment or the students' performance on the assessment.

"Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause a district or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the commissioner may prohibit a district or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the district, campus, and students.

19 TAC 101.5003

Test Administration Training

The commissioner may require training for district employees involved in the administration of the assessment instruments. The commissioner may only require for the employee at each district campus who oversees the administration of the assessment instruments to annually receive the training. The district employee who oversees test administration on a district campus may, with discretion, require other district employees involved in the administration of assessment instruments to repeat the training. *Education Code 39.0304(a), (b-1)-(b-2)*

Paper Administration

A district may administer a state assessment instrument required under Education Code 39.023(a), (c), or (l) in paper format to any student whose parent, guardian, or teacher in the applicable subject area requests the assessment instrument be administered to the student in paper format.

A request for the administration of an assessment instrument in paper format to a student must be submitted to the district:

1. For a fall administration of an assessment instrument, not later than September 15 of the school year in which the assessment instrument will be administered; and

2. For a spring administration of an assessment instrument, not later than December 1 of the school year in which the assessment instrument will be administered.

The number of students enrolled at a district who are administered an assessment instrument in paper format for any single administration under this provision may not exceed three percent of the number of students enrolled in the district. On receipt of more requests for administration of an assessment instrument than the maximum number permitted, the district shall accept the requests in the order received until the maximum number is reached.

This limitation does not apply to a student whose ARD committee determines that the administration of an assessment instrument in paper format is a necessary modification for the student.

Education Code 39.02342

Notice to Parents and Students

A superintendent shall be responsible for the following in order to provide timely and full notification of graduation requirements:

1. Notifying each student and his or her parent or guardian in writing no later than the beginning of the student's seventh-grade year of the testing requirements for graduation;

2. Notifying each student in grades 7-12 new to the district and his or her parent or guardian in writing of the testing requirements for graduation; and

3. Notifying each student who shall take the tests required for graduation and his or her parent or guardian, as well as out-of-school individuals, of the dates, times, and locations of testing.

19 TAC 101.3012

Testing in Grades 3-8

Except as provided below, all students, other than students who are assessed under Education Code 39.023(b) (alternative assessment instrument) or 39.023(l) (emergent bilingual students) or exempted under Education Code 39.027, shall be assessed in:

1. Mathematics, annually in grades 3-8;

2. Reading, annually in grades 3-8;

3. Social studies in grade 8;

4. Science in grades 5 and 8; and

5. Any other subject and grade required by federal law.

Education Code 39.023(a)

Exception

For purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or

2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that aligns with the curriculum for that course or subject within the same content area.

For purposes of federal accountability, a grade 3-8 student who is accelerated in mathematics, reading/language arts, or science and on schedule to complete the high school end-of-course assessments in that same content area prior to high school shall be assessed at least once in high school with the ACT or the SAT.

A student is only eligible to take an assessment instrument intended for use above the student's enrolled grade if the student is on schedule to complete instruction in the entire curriculum for that subject during the semester the assessment is administered.

A student in grade 5 or 8 described above may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument not required to be administered to the student.

Education Code 28.0211(o)-(p), 39.023(a-2); 19 TAC 101.3011(a)(1)-(3)

Kindergarten Assessment

An assessment instrument under Education Code 39.023 may not be administered to a kindergarten student except for the purpose of determining whether the student is entitled to the benefit of the Foundation School Program [see FD]. *Education Code 39.023(a-16)*

Accommodations

Testing accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding testing accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by a board to determine the placement of students with dyslexia or related disorders shall determine

whether any allowable modification is necessary in administering an assessment to such a student.

A student's ARD committee shall determine the allowable accommodations and shall document them in the student's individualized education program (IEP). [See Special Education, above]

19 TAC 101.3013; Education Code 39.023(a)-(c), (n); 34 C.F.R. 300.320(a)(6)

End-of-Course Assessments

Beginning with students first enrolled in grade 9 in the 2011-12 school year, a student enrolled in a course for which an EOC assessment exists as required by Education 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a)*

TEA shall adopt EOC assessment instruments for secondary-level courses in Algebra I, biology, English I, English II, and United States history. The Algebra I EOC assessment instrument must be administered with the aid of technology but may include one or more parts that prohibit the use of technology. The English I and English II EOC assessment instruments must each assess essential knowledge and skills in both reading and writing and must provide a single score. A district shall comply with State Board of Education rules regarding administration of the assessment instruments listed in this provision.

If a student is in a special education program, the student's ARD committee shall determine whether any allowable modification is necessary in administering to the student an assessment instrument required under this provision.

Education Code 39.023(c)

Students Enrolled Below High School Level

Beginning in the 2011-12 school year, a student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student's assessment graduation requirements, as specified in 19 Administrative Code 101.3022. *19 TAC 101.3021(d)*

Assessment Requirements for Graduation

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) in order to be eligible to receive a Texas diploma, except as described below at Exceptions, Credits Earned Prior to Enrollment, Individual Graduation Committee, and Special Education.

The standard in place when a student first takes an EOC assessment is the standard that will be maintained throughout the student's school career.

Exceptions

English I or English II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to emergent bilingual students who meet the criteria in 19 Administrative Code 101.1007. [See EKBA]

19 TAC 101.3022(a)-(c)

Credits Earned Prior to Enrollment

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school district and the credit has been accepted by a Texas public school district, or a student completed a course for Texas high school credit in a course with an EOC assessment prior to the 2011-12 spring administration, the student is not required to take the corresponding EOC assessment. *19 TAC 101.3021(e)*

Substitute Assessments

A student at any grade level is eligible to use a substitute assessment as provided in the commissioner's chart at 19 Administrative Code 101.4002(b) if the student:

1. Was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
2. Received a satisfactory score on the substitute assessment as determined by the commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
3. Using a Texas Success Initiative Assessment (TSIA) or a Texas Success Initiative Assessment, Version 2.0 (TSIA2) also meets the additional criteria of 19 Administrative Code 101.4002(d).

TSI Additional Criteria

A student must meet the criteria established in 19 Administrative Code 101.4002(d) in order to qualify to use TSIA or TSIA2 as a substitute assessment.

Accountability Testing

A student electing to substitute an assessment for graduation purposes must still take the corresponding EOC assessment required

under Education Code 39.023(c) at least once for accountability purposes. If a student sits for an EOC assessment, a district may not void or invalidate the test in lieu of a substitute assessment.

A student who fails to perform satisfactorily on a PSAT or PreACT test as indicated in the chart in 19 Administrative Code 101.4002(b) must take the appropriate EOC assessment required under Education Code 39.023(c). However, a student who does not receive a passing score on the EOC assessment and retakes a PSAT or PreACT test is eligible to meet the requirements specified in 19 Administrative Code 101.4002(c).

19 TAC 101.4002

Verification of Results

An eligible student is responsible for providing a district an official copy of the student's scores from the substitute assessment.

Upon receipt of official results of an approved substitute assessment, a district must:

1. Verify the student's score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the commissioner.

19 TAC 101.4005

Individual Graduation Committee

A student in grade 11 or 12 who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses may qualify to graduate on the basis of a review by an individual graduation committee (IGC). [See EIF] *Education Code 28.0258, 39.025(a-5)*

A student may not graduate under an IGC if the student did not take each required EOC assessment or an approved substitute assessment for each course in which the student was enrolled in a Texas public school for which there is an EOC assessment. A district shall determine whether the student took each required EOC assessment or an approved substitute assessment. For purposes of this provision only, a student who does not make an attempt to take all required EOC assessments may not qualify to graduate by means of an individual graduation committee.

Notwithstanding any action taken by a student's individual graduation committee, a district must provide a student an opportunity to retake an EOC assessment under Education Code 39.023(c) if the student has not previously achieved satisfactory performance on an assessment for that course. A student is not required to retake

	a course in order to be administered a retest of an EOC assessment. *19 TAC 101.3022(e)(1), (3)* For provisions related to an IGC and emergent bilingual students, see EKBA.
Special Education	A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 Administrative Code 89.1070 (Graduation Requirements) and 19 Administrative Code 101.3023 (Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate. [See EIF] A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment while enrolled in a special education program is not required to retake and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the IGC provisions above. [See Individual Graduation Committee, above] *19 TAC 101.3022(f)* For more information on graduation requirements for special education students, see EIF.
Credit by Examination	An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination under 19 Administrative Code 74.24. [See EHDB, EHDC] *19 TAC 101.3021(c)*
Retakes	Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. [See Satisfactory Performance, above]

A student is not required to retake a course as a condition of retaking an EOC assessment instrument.

If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course.

Education Code 39.025(b); 19 TAC 101.3021(f), .3022(d)

Note: For information on instructional requirements for students who fail to perform satisfactorily on a state assessment instrument, see EHBC and EHBCA.

Reporting Results

To the Public

Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of a board, after receipt from TEA. The information shall not contain the names of individual students or teachers. *Education Code 39.030(b)*

To the Board

A superintendent shall accurately report all test results with appropriate interpretations to a board according to the schedule in the applicable test administration materials.

To Parents, Students, and Teachers

A district shall notify each of its students, his or her parent or guardian, and his or her teacher for that subject of test results, observing confidentiality requirements stated at Confidentiality of Results, below. All test results shall be included in each student's academic achievement record and shall be furnished for each student transferring to another district or charter school or private school. The scoring contractor will provide districts with the results of the machine-scorable assessments within a 21-day period following the close of the testing window. Upon receipt of the assessment results from the test contractor, a district shall disclose a student's assessment results to a student's teacher in the same subject area as the assessment for that school year. [See BQ series, FD, and FL]

19 TAC 101.3014(a)-(d)

Parent Portal

A district shall provide to a parent of a child enrolled at the district access to the internet website described by Education Code 26.005(b) [website of state assessment instrument results maintained by TEA] through a parent portal maintained by the district and notify the parent regarding that access each time TEA makes available the results of an assessment instrument administered to the parent's child. *Education Code 26.005(c)*

Identification of Students Likely to Succeed in an Advanced Course

TEA shall adopt a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are likely to succeed in an advanced high school course. A district shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and potential to succeed in an advanced high school course. A district may not require a student to perform at a particular level on the questions to be eligible to enroll in an advanced high school course. *Education Code 39.0233(b)*

Parents Right-to-Know Under ESEA

As a condition of receiving assistance under Title I, Part A of the Elementary and Secondary Education Act (ESEA) (20 U.S.C. 6301 et seq.), a district shall provide to each individual parent of a child who is a student in such school, with respect to such student information on the level of achievement and academic growth of the student, if applicable and available, on each of the state academic assessments required under Part A. *20 U.S.C. 6312(e)(1)(B)(i)*

Parental Access to State Assessment

A parent is entitled to access to a copy of each state assessment instrument administered to the parent's child. This right of access does not apply, however, to those instruments or particular questions that are being field-tested by TEA. *Education Code 26.005(a), .006(a)(2), 39.023(e)*

Out-of-State Transfers

A district shall accurately report to TEA whether that student transferred into the district from out of state during the current school year.

Procedures for the reporting of out-of-state-transfer students to TEA shall be established in the applicable test administration materials. A district shall follow procedures specified in those test administration materials.

The assessment results of the out-of-state transfer students shall be reported separately to districts from the results of the district's other students in addition to the current reporting of assessment results for all students and other student subsets.

19 TAC 101.3014(e)

Security and Confidentiality

All assessment instruments included in the student assessment program are considered secure, and the contents of these tests, including student information used or obtained in their administration, are confidential.

Districts and campuses and the superintendent and campus principals in each district and campus shall:

1. Implement and ensure compliance with state test administration procedures and training activities;
2. Notify TEA as soon as the district becomes aware of any alleged or suspected violation of the security or confidential integrity of a test [see Violations, below];
3. Report all confirmed testing violations to TEA within 10 working days of the district becoming aware of the violation in accordance with the reporting process stipulated in the test administration materials;
4. Ensure that the only individuals with access to secure test materials are district employees who have:
    a. Met the requirements to participate in the student assessment program;
    b. Received training in test security and test administration procedures; and
    c. Signed an oath affirming they understand their obligation to maintain and preserve the security and confidentiality of all state assessments and student information, acknowledge their responsibility to report any suspected testing violation, and are aware of the range of penalties that may result from a violation of test security and confidentiality or a departure from test administration procedures; and
5. Ensure the security of the test materials as required by 19 Administrative Code 101.3031(a)(2)(E).

19 TAC 101.3031(a)(1)-(2)

Violations

Violations of the security and confidential integrity of a test include:

1. Directly or indirectly assisting students with responses to test questions;
2. Tampering with student responses;
3. Falsifying holistic ratings or student responses;
4. Viewing secure test content before, during, or after an administration unless specifically authorized by TEA or by the procedures outlined in the test administration materials;
5. Discussing or disclosing secure test content or student responses;
6. Scoring students' tests, either formally or informally;

7. Duplicating, recording, or electronically capturing confidential test content unless specifically authorized by TEA or by the procedures outlined in the test administration materials;
8. Responding to secure test questions;
9. Fraudulently exempting or preventing a student from participating in the administration of a required state assessment;
10. Receiving or providing unallowable assistance during calibration activities (e.g., taking notes, providing answer sheets, or sharing answers);
11. Encouraging or assisting an individual to engage in the conduct described above or in any other serious violation of security and confidentiality;
12. Failing to report to an appropriate authority that an individual has engaged or is suspected of engaging in the above conduct or in any other serious violation of security and confidentiality under this provision;
13. Failing to implement sufficient procedures to prevent student cheating; and
14. Failing to implement sufficient procedures to prevent alteration of test documents by anyone other than the student.

Consequences

If a district determines that a student has cheated or attempted to cheat on a state assessment either by providing or receiving direct assistance, the district shall invalidate the student's test results.

Any violation of test security or confidential integrity may result in TEA:

1. Invalidating student test results;
2. Referring certified educators to the State Board for Educator Certification (SBEC) for sanctions in accordance with 19 Administrative Code Chapter 247 (Educators' Code of Ethics) and Chapter 249 (Disciplinary Proceedings, Sanctions, and Contested Cases); and
3. Lowering the district's accreditation status or a district's or campus's accountability rating in accordance with Education Code 39.003(d), or appointment of a monitor, conservator, or management team to the district in accordance with Education Code Chapter 39A.

Test administration procedures shall be delineated in the test administration materials provided to districts annually. Districts must

comply with all of the applicable requirements specified in the test administration materials.

Districts shall ensure that test coordinators and administrators receive training to ensure that testing personnel have the necessary skills and knowledge required to administer assessment instruments in a valid, standardized, and secure manner.

Records Retention

As part of test administration procedures, the commissioner shall require districts to maintain records related to the security of assessment instruments for five years.

19 TAC 101.3031(a)(3)-(d)

Disciplinary Action and Penalties

SBEC may take disciplinary action against a person who has violated the security or integrity of any assessment required by Education Code Chapter 39, Subchapter B or has committed an act that is a departure from the test administration procedures established by the commissioner under 19 Administrative Code Chapter 101.

The superintendent and campus principal must develop procedures to ensure the security and confidentiality of the tests and will be responsible for notifying TEA in writing of conduct that violates the security or confidentiality of a test. Failure to report can subject the person responsible to the applicable penalties.

19 TAC 249.15(a)-(b), (g)(8)

Minimize Disruptions

In implementing the commissioner's procedures for the administration of assessment instruments adopted or developed under Education Code 39.023, including procedures designed to ensure the security of the assessment, a district shall minimize disruptions to school operations and the classroom environment. *Education Code 39.0301(a-1)*

Confidentiality of Results

Individual student performance results are confidential and may be released only in accordance with the Family Educational Rights and Privacy Act of 1974. *Education Code 39.030(b)* [See FL and GBA]

District Complaint or Referral

Against Student

If a student fails to attend school without excuse on 10 or more days or parts of days within a six-month period in the same school year, a district shall within 10 school days of the student's 10th absence refer the student to a truancy court for truant conduct under Family Code 65.003(a). [See FEA]

Against Parent

The district may file a complaint against the student's parent in a county, justice, or municipal court for an offense of parent contributing to nonattendance under Education Code 25.093 if the district provides evidence of the parent's criminal negligence.

A court shall dismiss a complaint made by a district against a parent that does not comply with Education Code 25.0951; does not allege the elements required for the offense; is not timely filed, unless the district delayed the referral as provided below; or is otherwise substantively defective.

Delaying a Referral

A district may delay a referral of a student for truant conduct, or may choose to not refer a student for truant conduct, if the district:

1. Is applying truancy prevention measures to the student under Education Code 25.0915; and
2. Determines that the truancy prevention measures are succeeding and it is in the best interest of the student that a referral be delayed or not be made.

Education Code 25.0951

Referral Prohibited

A district may not refer a student to truancy court if the school determines that the student's truancy is the result of pregnancy, being in the state foster program, homelessness, severe or life-threatening illness or related treatment, or being the principal income earner for the student's family. [See Truancy Prevention Measures, below] *Education Code 25.0915(a-3)*

Filing Requirements

Each referral to truancy court for conduct described by Family Code 65.003(a) must:

1. Be accompanied by a statement from the student's school certifying that the school applied the truancy prevention measures to the student, and the measures failed to meaningfully address the student's school attendance; and
2. Specify whether the student is eligible for or receives special education services under Education Code Chapter 29, Subchapter A.

A truancy court shall dismiss a petition filed by a truant conduct prosecutor under Family Code 65.054, if the court determines that the district's referral:

1. Does not comply with the requirement above;
2. Does not satisfy the elements required for truant conduct;
3. Is not timely filed, unless the school district delayed the referral as provided above [see Delaying a Referral, above]; or
4. Is otherwise substantively defective.

Education Code 25.0915(b), (c)

Expunction of Records

An individual who was convicted of a truancy offense under former Education Code 25.094 or has had a complaint for a truancy offense dismissed is entitled to have the conviction or complaint and records relating to the conviction or complaint expunged.

Regardless of whether the individual has filed a petition for expunction, the court in which the individual was convicted or a complaint for a truancy offense was filed shall order the conviction, complaints, verdicts, sentences, and other documents relating to the offense, including any documents in the possession of a district or law enforcement agency, to be expunged from the individual's record. After entry of the order, the individual is released from all disabilities resulting from the conviction or complaint, and the conviction or complaint may not be shown or made known for any purpose.

tion Code 25.0915 to the student and if the measures fail to meaningfully address the student's conduct:

b. Filing a complaint in a county, justice, or municipal court against a parent who violates Education Code 25.093;

3. To monitor school attendance compliance by each student investigated by the officer;

4. To maintain an investigative record on each compulsory school attendance requirement violation and related court action and, at the request of a court, the board, or the commissioner, to provide a record to the individual or entity requesting the record;

5. To make a home visit or otherwise contact the parent of a student who is in violation of compulsory school attendance requirements, except that the attendance officer may not enter a residence without permission of the parent or of the owner or tenant of the residence; and

6. At the request of a parent, to escort a student from any location to a school campus to ensure the student's compliance with compulsory school attendance requirements.

Education Code 25.091(b)

a. Referring the student to a truancy court if the student has unexcused absences for the amount of time specified under Family Code 65.003(a); or

b. Filing a complaint in a county, justice, or municipal court against a parent who violates Education Code 25.093;

3. To serve court-ordered legal process;

4. To review school attendance records for compliance by each student investigated by the officer;

5. To maintain an investigative record on each compulsory school attendance requirement violation and related court action and, at the request of a court, the board, or the Commissioner, to provide a record to the individual or entity requesting the record; and

6. To make a home visit or otherwise contact the parent of a student who is in violation of compulsory school attendance requirements, except that a peace officer may not enter a residence without the permission of the parent of a student required to attend school or of the tenant or owner of the residence except to lawfully serve court-ordered legal process on the parent.

A peace officer who has probable cause to believe that a child is in violation of the compulsory attendance law may take the child into custody for the purpose of returning the child to the school campus of the child to ensure the child's compliance with compulsory attendance requirements.

Education Code 25.091(a), (b-1)

Truancy Prevention Measures

A district shall adopt truancy prevention measures designed to address student conduct related to truancy in the school setting before the student engages in conduct described by Family Code 65.003 and minimize the need for referrals to truancy court for conduct described by Family Code 65.003(a). *Education Code 25.0915(a)*

A district shall take one or more of the following actions as a truancy prevention measure:

1. Impose:

   a. A behavior improvement plan on the student that must be signed by an employee of the school, that the district has made a good faith effort to have signed by the student and the student's parent or guardian, and that includes:

      (1) A specific description of the behavior that is required or prohibited for the student;

      (2) The period for which the plan will be effective, not to exceed 45 school days after the date the contract becomes effective; or

(3) The penalties for additional absences, including additional disciplinary action or the referral of the student to a truancy court; or

b. School-based community service; or

2. Refer the student to counseling, mediation, mentoring, a teen court program, community-based services, or other in-school or out-of-school services aimed at addressing the student's truancy. A referral may include participation by the child's parent or guardian if necessary.

A school district shall offer additional counseling to a student and may not refer the student to truancy court if the school determines that the student's truancy is the result of:

1. Pregnancy;

2. Being in the state foster program;

3. Homelessness;

4. Severe or life-threatening illness or related treatment; or

5. Being the principal income earner for the student's family.

If a student fails to attend school without excuse on three or more days or parts of days within a four-week period but does not fail to attend school for the time described by Education Code 25.0951(a), the district shall initiate truancy prevention measures on the student.

Education Code 25.0915

Minimum Standards

The minimum standards for the truancy prevention measures implemented by a district under Education Code 25.0915 include:

1. Identifying the root cause of the student's unexcused absences and actions to address each cause;

2. Maintaining ongoing communication with students and parents on the actions to be taken to improve attendance;

3. Establishing reasonable timelines for completion of the truancy prevention measure; and

4. Establishing procedures to notify the admission, review, and dismissal committee or the Section 504 committee of attendance issues relating to a student with a disability and ensure that the committee considers whether the student's attendance issues warrant an evaluation, a reevaluation, and/or

modifications to the student's individualized education program or Section 504 plan, as appropriate.

19 TAC 129.1043

Best Practices

A district shall consider the following best practices for truancy prevention measures:

1. Develop an attendance policy that clearly outlines requirements related to truancy in accordance with Education Code, Chapter 25, Subchapter C, and communicate this information to parents at the beginning of the year.
2. Create a culture of attendance that includes training staff to talk with students and parents about the attendance policy and the root causes of unexcused absences.
3. Create incentives for perfect attendance and improved attendance.
4. Educate students and their families on the positive impact of school attendance on performance.
5. Provide opportunities for students and parents to address causes of absence and/or truancy with district staff and link families to relevant community programs and support.
6. Develop collaborative partnerships, including planning, referral, and cross-training opportunities, between appropriate school staff, attendance officers, program-related liaisons, and external partners, such as court representatives, community and faith-based organizations, state or locally funded community programs for truancy intervention or prevention, and law enforcement to assist students.
7. Determine root causes of unexcused absences and review campus- and district-level data on unexcused absences to identify systemic issues that affect attendance.
8. Use existing school programs such as Communities in Schools, 21st Century Community Learning Centers, restorative discipline, and positive behavior interventions and supports (PBIS) to provide students and their parents with services.
9. At the beginning of each school year, conduct a needs assessment and identify and list, or map, services and programs available within the district and the community that a school, a student, or a student's parent or guardian may access to address the student's barriers to attendance and make the infor-

mation available to staff, students, and parents. The information must include, but is not limited to:

a. Services for pregnant and parenting students;

b. Services for students experiencing homelessness;

c. Services for students in foster care;

d. Federal programs including, but not limited to, Title 1, Part A, of the Elementary and Secondary Education Act;

e. State programs including, but not limited to, state compensatory education programs;

f. Dropout prevention programs and programs for “at risk” youth;

g. Programs that occur outside of school time;

h. Counseling services;

i. Tutoring programs and services available at no or low cost;

j. Mental health services;

k. Alcohol and substance abuse prevention and treatment programs;

l. Mentoring programs and services;

m. Juvenile justice services and programs;

n. Child welfare services and programs;

o. Other state or locally funded programs for truancy prevention and intervention; and

p. Other supportive services that are locally available for students and families through faith-based organizations, local governments, and community-based organizations.

10. After identifying and listing, or mapping, services available in the district and community, school districts should target any new resources, programs, or services to gaps in services identified during the needs assessment.

11. School districts should ensure that personnel, including truancy prevention facilitators or juvenile case managers, attendance officers, McKinney-Vento (homeless) liaisons, foster care liaisons, Title IX coordinators, 504 coordinators, pregnancy and parenting coordinators, dropout prevention coordinators, special education staff, and other appropriate student

services personnel, meet to contribute to the needs assessment, discuss opportunities to work together, and identify strategies to coordinate both internally and externally to address students' attendance barriers.

In determining services offered to students identified in Education Code 25.091(a-3), a district shall consider:

1. Offering an optional flexible school day program and evening and online alternatives;
2. Working with businesses that employ students to help students coordinate job and school responsibilities; and
3. Offering before school, after school, and/or Saturday prevention or intervention programs or services that implement best and promising practices.

If a district changes or discontinues the unassigned medication for respiratory distress policy, the campus must provide written or electronic notice detailing the change or discontinuation of the policy to a parent or guardian of each student within 15 calendar days after the change or discontinuation. *25 TAC 40.48(b)*

Vendor Contracts

The board may contract with a vendor to provide medication for respiratory distress and related equipment to the district and training to school personnel and school volunteers authorized to administer medication for respiratory distress under Education Code Chapter 38, Subchapter E. *Education Code 38.2115*

Refusal to Administer

A school personnel member or school volunteer may not be subject to any penalty or disciplinary action for refusing to administer or receive training to administer epinephrine delivery systems or medication for respiratory distress, as applicable, in accordance with a policy for the maintenance and administration of epinephrine

delivery systems or a policy for medication for respiratory distress. *Education Code 38.208(d-2)*

Immunity from Liability

A person who in good faith takes, or fails to take, any action related to Education Code Chapter 38, Subchapter E, related to the maintenance and administration of epinephrine delivery systems and medication for respiratory distress, is immune from civil or criminal liability or disciplinary action resulting from that action or failure to act as described by Education Code 38.215 and 25 Administrative Code 40.49. *Education Code 38.215; 25 TAC 40.71*

Note: For information about mental health curriculum and SHAC responsibilities, see EHAA. For information about threat assessments, see FFB. For personnel information about mental health professionals, see DP.

Mental Health Condition

"Mental health condition" means a persistent or recurrent pattern of thoughts, feelings, or behaviors that:

1. Constitutes a mental illness, disease, or disorder, other than or in addition to epilepsy, substance abuse, or an intellectual disability; or
2. Impairs a person's social, emotional, or educational functioning and increases the risk of developing such a condition.

Education Code 5.001(5-a)

Student Programs

The Texas Education Agency (TEA), in coordination with the Health and Human Services Commission and regional education service centers (ESCs), shall provide and annually update a list of recommended best practice-based programs and research-based practices in the areas specified below for implementation in public elementary, junior high, middle, and high schools within the general education setting. Each district may select from the list a program or programs appropriate for implementation in the district.

Subject Areas

The list must include programs and practices in the following areas:

1. Early mental health prevention and intervention;
2. Building skills related to managing emotions, establishing and maintaining positive relationships, and responsible decision-making;
3. Substance abuse prevention and intervention;
4. Suicide prevention, intervention, and postvention;
5. Grief-informed and trauma-informed practices;
6. Positive school climates;
7. Positive behavior interventions and supports;
8. Positive youth development; and
9. Safe, supportive, and positive school climate.

"School climate" means the quality and character of school life, including interpersonal relationships, teaching and learning prac-

tices, and organizational structures, as experienced by students enrolled in the district, parents of those students, and personnel employed by the district.

[For information on employee training, see DMA.]

Practices and Procedures

A district shall develop practices and procedures concerning each area listed above, including mental health promotion and intervention, substance abuse prevention and intervention, and suicide prevention, that:

1. Include a procedure for providing educational material to all parents and families in the district that contains information on identifying risk factors, accessing resources for treatment or support provided on and off campus, and accessing available student accommodations provided on campus;

2. Include a procedure for providing notice of a recommendation for early mental health or substance abuse intervention regarding a student to a parent or guardian of the student within a reasonable amount of time after the identification of early warning signs, which may include declining academic performance, depression, anxiety, isolation, unexplained changes in sleep or eating habits, and destructive behavior toward self and others;

3. Include a procedure for providing notice of a student identified as at risk of attempting suicide to a parent or guardian of the student within a reasonable amount of time after the identification of early warning signs;

4. Establish that the district may develop a reporting mechanism and may designate at least one person to act as a liaison officer in the district for the purposes of identifying students in need of early mental health or substance abuse intervention or suicide prevention;

5. Set out available counseling alternatives for a parent or guardian to consider when his or her child is identified as possibly being in need of early mental health or substance abuse intervention or suicide prevention; and

6. Include procedures:

    a. To support the return of a student to school following hospitalization or residential treatment for a mental health condition or substance abuse; and

    b. For suicide prevention, intervention, and postvention.

The practices and procedures may address multiple subject areas [see Subject Areas, above]. The practices and procedures must prohibit the use without the prior consent of a student's parent or guardian of a medical screening of the student as part of the process of identifying whether the student is possibly in need of early mental health or substance abuse intervention or suicide prevention.

The practices and procedures developed must be included in the annual student handbook and the district improvement plan under Education Code 11.252. [See BQ]

Nothing in these provisions is intended to interfere with the rights of parents or guardians and the decision-making regarding the best interest of the child. Practices and procedures developed in accordance with these provisions are intended to notify a parent or guardian of a need for mental health or substance abuse intervention so that a parent or guardian may take appropriate action. These provisions do not give districts the authority to prescribe medications. Any and all medical decisions are to be made by a parent or guardian of a student.

"Postvention" includes activities that promote healing necessary to reduce the risk of suicide by a person affected by the suicide of another.

Education Code 38.351(a)–(f), (i)–(o)

Immunity

The above requirements do not waive any immunity from liability of a district or of district officers or employees, create any liability for a cause of action against a district or against district officers or employees, or waive any immunity from liability under Civil Practice and Remedies Code 74.151. *Education Code 38.352*

Student Identification Cards

Each student identification card issued by a public school to a student in grade six or higher must have printed on the card the contact information for the National Suicide Prevention Lifeline and the Crisis Text Line. The student identification card may have printed on the card the contact information for a local suicide prevention hotline, if available. *Education Code 38.353*

Consent to Examinations, Tests, or Treatment

A district employee or contractor must obtain the written consent of a child's parent in the manner required by Education Code 26.009(a-2) before the employee or contractor may conduct a psychological or psychiatric examination, test, or treatment, unless the examination, test, or treatment is required by:

1. TEA's policy concerning child abuse investigations and reports under Education Code 38.004; or

2. State or federal law regarding requirements for special education.

Education Code 26.009(a)(1)

[For more information regarding required parental consent for a psychological or psychiatric examination, test, or treatment, see FFA. For more information about consent to medical treatment, including psychological treatment under certain circumstances, see FFAC. For information about consent to counseling, see FFEA.]

Professional's Authority

A licensed or certified physician, psychologist, counselor, or social worker having reasonable grounds to believe that a child has been sexually, physically, or emotionally abused; is contemplating suicide; or is involved in chemical or drug addiction or dependency may:

1. Counsel the child without the consent of the child's parents, managing conservator, or guardian;
2. With or without the consent of a child who is a client, advise the parents, managing conservator, or guardian of the treatment given to or needed by the child;
3. Rely on the written statement of the child containing the grounds on which the child has capacity to consent to his or her own treatment as provided above.

Exception: Court Order

The physician, psychologist, counselor, or social worker may not counsel a child if consent is prohibited by a court order, unless consent is obtained as otherwise allowed by law.

Family Code 32.004(b), (c)

[See DPB for more information about school psychologist and school counselor responsibilities.]

Consent to School Psychologist

Informed consent for a school psychologist must be obtained in accordance with the Individuals with Disabilities Education Improvement Act (IDEIA) and the U.S. Department of Education's rules governing parental consent when delivering school psychological services in the public schools, and is considered to meet the requirements for informed consent under the Texas State Board of Examiners of Psychologists (TSBEP) rules. No additional informed consent, specific to any Texas Behavioral Health Executive Council (TBHEC) rules, is necessary in this context. Licensees providing psychological services under 22 Administrative Code 465.38(e)(2), however, must obtain informed consent as otherwise required by the TBHEC rules. *22 TAC 465.38(g)*

Professional Immunity

A psychologist, counselor, or social worker licensed or certified by the state is not liable for damages except those damages that may result from his or her negligence or willful misconduct. *Family Code 32.004(d)*

Outside Counselors

Neither a district nor an employee of a district may refer a student to an outside counselor for care or treatment of a chemical dependency or an emotional or psychological condition unless the district does all of the following:

1. Obtains prior written consent for the referral from the student's parent, managing conservator, or guardian.
2. Discloses to the student's parent, managing conservator, or guardian any relationship between the district and the outside counselor.
3. Informs the student and the student's parent, managing conservator, or guardian of any alternative public or private source of care or treatment reasonably available in the area.
4. Requires the approval of appropriate district personnel before a student may be referred for care or treatment or before a referral is suggested as being warranted.
5. Specifically prohibits any disclosure of a student record that violates state or federal law.

Education Code 38.010

[See FFEA for information on the comprehensive guidance program. See FFB for mental health-care services provided by the threat assessment and safe and supportive school team.]

Psychotropics and Psychiatric Evaluations

A district employee may not:

1. Recommend that a student use a psychotropic drug; or
2. Suggest any particular diagnosis; or
3. Use the refusal by a parent to consent to administration of a psychotropic drug to a student or to a psychiatric evaluation or examination of a student as grounds, by itself, for prohibiting the child from attending a class or participating in a school-related activity.

Psychotropic drug means a substance that is used in the diagnosis, treatment, or prevention of a disease or as a component of a medication and intended to have an altering effect on perception, emotion, or behavior.

Education Code 38.016(b) does not:

1. Prevent an appropriate referral under the Child Find system required under 20 U.S.C. Section 1412, as amended; or

2. Prohibit a school district employee, or an employee of an entity with which the district contracts, who is a registered nurse, advanced nurse practitioner, physician, or nonphysician mental health professional licensed or certified to practice in this state from recommending that a child be evaluated by a physician or nonphysician mental health professional; or

3. Prohibit a school employee from discussing any aspect of a child's behavior or academic progress with the child's parent or another school district employee.

A board shall adopt a policy to ensure implementation and enforcement of Education Code 38.016. [See FFAC]

A violation of Education Code 38.016(b) does not override the immunity from personal liability granted in Education Code 22.0511 or other law or a district's sovereign or governmental immunity.

Nonphysician mental health professional has the meaning assigned by Education Code 38.0101 [see DP].

Education Code 38.016

[For information regarding administration of medication, see FFAC.]

Child Abuse Reporting

An employee may not use or threaten to use the refusal of a parent, guardian, or managing or possessory conservator to administer or consent to the administration of a psychotropic drug to a child, or to consent to any other psychiatric or psychological testing or treatment of the child, as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or

2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Education Code 26.0091; Family Code 261.111(a) [See FFG]

Note: See policies DHB and DHC for information on other required reports regarding alleged misconduct against a student.

The District shall notify a parent of a student with whom a District employee or a person acting as a service provider for the District is alleged to have engaged in misconduct, informing the parent:

1. As soon as feasible that the alleged misconduct may have occurred;
2. Whether the individual was terminated following an investigation of the alleged misconduct or resigned before completion of the investigation; and
3. Whether a report was submitted to the Texas Education Agency or State Board for Educator Certification concerning the alleged misconduct.

For purposes of this policy, misconduct is defined as an individual's:

1. Alleged abuse or commission of an otherwise unlawful act with a student;
2. Involvement in or soliciting a romantic relationship, or soliciting or engaging in sexual contact, with a student;
3. Engaging in inappropriate communications with a student; or
4. Failing to maintain appropriate boundaries with a student.

Notice of Suspected Criminal Offense

Except as provided by state law regarding child abuse investigations, the District shall notify a parent not later than one business day after the date an employee first suspects that a criminal offense has been committed against the parent's child.

[See also FFG for reporting requirements related to child abuse and FFH for parental notification requirements regarding prohibited conduct as defined by that policy.]

UIL Rules and District Policies

A student enrolled in a district or who participates in an extracurricular activity or a University Interscholastic League (UIL) competition is subject to district policy and UIL rules regarding participation only when the student is under the direct supervision of an employee of the school or district in which the student is enrolled or at any other time specified by resolution of a board. *Education Code 33.081(b)* [See FO regarding additional standards of conduct for extracurricular activities]

Athletic Activities

UIL Forms

Each student participating in an extracurricular athletic activity must complete the UIL forms entitled "Preparticipation Physical Evaluation — Medical History" and "Acknowledgement of Rules." Each form must be signed by both the student and the student's parent or guardian. *Education Code 33.203(a)*

Notices

Each school that offers an extracurricular athletic activity shall:

1. Prominently display at its administrative offices the telephone number and electronic mail address that the commissioner of education maintains for reporting violations of Education Code Chapter 33, Subchapter F; and
2. Provide each student participant and the student's parent or guardian a copy of the text of Education Code 33.201-33.207 and a copy of the UIL's parent information manual. The document may be provided in an electronic format unless otherwise requested.

Education Code 33.207(b), .208

Records

A superintendent shall maintain complete and accurate records of the district's compliance and the district shall make available to the public proof of compliance for each person enrolled in the district who is required to receive safety training.

A campus that is determined by the superintendent to be out of compliance with the safety training requirements or the requirements regarding unsafe practices and safety precautions (see below) shall be subject to the range of penalties determined by the UIL.

Education Code 33.206

Unsafe Practices

A coach, trainer, or sponsor for an extracurricular athletic activity may not encourage or permit a student participant to engage in any unreasonably dangerous athletic technique that unnecessarily endangers the health of a student, including using a helmet or any other sports equipment as a weapon. *Education Code 33.204*

Safety Precautions

A coach, trainer, or sponsor for an extracurricular athletic activity shall at each athletic practice or competition ensure that:

1. Each student participant is adequately hydrated;
2. Any prescribed asthma medication for a student participant is readily available to the student;
3. Emergency lanes providing access to the practice or competition area are open and clear; and
4. Heatstroke prevention materials are readily available.

If a student participating in a practice or competition becomes unconscious during the activity, the student may not:

1. Return to the activity during which the student became unconscious; or
2. Participate in any extracurricular athletic activity until the student receives written authorization for such participation from a physician.

Education Code 33.205

Concussions

"Interscholastic athletic activity" includes practice and competition, sponsored or sanctioned by a district, including a home-rule district, or a public school, including any school for which a charter has been granted under Education Code Chapter 12, or the UIL. *Education Code 38.152*

"Concussion" means a complex pathophysiological process affecting the brain caused by a traumatic physical force or impact to the head or body, which may include temporary or prolonged altered brain function resulting in physical, cognitive, or emotional symptoms or altered sleep patterns, and involve loss of consciousness. *Education Code 38.151(4)*

Concussion Oversight Team

The board of a district with students enrolled who participate in an interscholastic athletic activity shall appoint or approve a concussion oversight team. *Education Code 38.153(a)*

Each concussion oversight team must include at least one physician and, to the greatest extent practicable, considering factors including the population of the metropolitan statistical area in which the district is located, district enrollment, and the availability of and access to licensed health-care professionals in the district or charter school area, must also include one or more of the following: an athletic trainer, an advanced practice nurse, a neuropsychologist, or a physician assistant. If a district employs an athletic trainer, the athletic trainer must be a member of the concussion oversight

team. If a district employs a school nurse, the school nurse may be a member of the district concussion oversight team if requested by the school nurse.

A district may include a licensed chiropractor or physical therapist as a member of the district concussion oversight team, provided that the person meets the training requirements.

Education Code 38.154

Training Requirements

Each member of the concussion oversight team must have had training in the evaluation, treatment, and oversight of concussions at the time of appointment or approval as a member of the team. The members also must take a training course at least once every two years and submit proof of timely completion to the superintendent or designee in accordance with Education Code 38.158. *Education Code 38.154(c), .158(f)*

A school nurse or licensed health-care professional who is not in compliance with these training requirements may not serve on a concussion oversight team in any capacity. *Education Code 38.158(g)*

Return-to-Play Protocol

Each concussion oversight team shall establish a return-to-play protocol, based on peer-reviewed scientific evidence, for a student's return to interscholastic athletics practice or competition following the force or impact believed to have caused a concussion. *Education Code 38.153(b)*

Required Annual Form

A student may not participate in an interscholastic athletic activity for a school year until both the student and the student's parent or guardian or another person with legal authority to make medical decisions for the student have signed a form for that school year that acknowledges receiving and reading written information that explains concussion prevention, symptoms, treatment, and oversight and that includes guidelines for safely resuming participation in an athletic activity following a concussion. The form must be approved by the UIL. *Education Code 38.155*

Removal from Play

A student shall be removed from an interscholastic athletics practice or competition immediately if one of the following persons believes the student might have sustained a concussion during the practice or competition: a coach; a physician; a licensed health-care professional, as defined by Education Code 38.151(5); a licensed chiropractor or physical therapist; a school nurse; or the student's parent or guardian or another person with legal authority to make medical decisions for the student. *Education Code 38.156*

Return to Play

A student removed from an interscholastic athletics practice or competition under Education Code 38.156 may not be permitted to

practice or compete again following the force or impact believed to have caused the concussion until:

1. The student has been evaluated, using established medical protocols based on peer-reviewed scientific evidence, by a treating physician chosen by the student or the student's parent or guardian or another person with legal authority to make medical decisions for the student;

2. The student has successfully completed each requirement of the return-to-play protocol established under Education Code 38.153 necessary for the student to return to play;

3. The treating physician has provided a written statement indicating that, in the physician's professional judgment, it is safe for the student to return to play; and

4. The student and the student's parent or guardian or another person with legal authority to make medical decisions for the student have acknowledged that the student has completed the requirements of the return-to-play protocol necessary for the student to return to play, have provided the treating physician's written statement to the person responsible for compliance with the return-to-play protocol and the person who has supervisory responsibilities, and have signed a consent form indicating that the person signing:

    a. Has been informed concerning and consents to the student participating in returning to play in accordance with the return-to-play protocol;

    b. Understands the risks associated with the student returning to play and will comply with any ongoing requirements in the return-to-play protocol;

    c. Consents to the disclosure to appropriate persons, consistent with the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191, of the treating physician's written statement and, if any, the return-to-play recommendations of the treating physician; and

    d. Understands the immunity provisions under Education Code 38.159.

A coach of an interscholastic athletics team may not authorize a student's return to play.

The superintendent or designee shall supervise an athletic trainer or other person responsible for compliance with the return-to-play

protocol. The person who has supervisory responsibilities may not be a coach of an interscholastic athletics team.

Education Code 38.157

Immunity

These provisions do not:

1. Waive any immunity from liability of a district or of district officers or employees;
2. Create any liability for a cause of action against a district or against district officers or employees;
3. Waive any immunity from liability under Civil Practice and Remedies Code 74.151; or
4. Create any cause of action or liability for a member of a concussion oversight team arising from the injury or death of a student participating in an interscholastic athletics practice or competition, based on service or participation on the concussion oversight team.

Education Code 38.159

[For information regarding concussions sustained in an activity other than an interscholastic athletic activity or for academic accommodations available to students with a concussion, see FFAC.]

Football Helmet Safety Requirements

A district may not use a football helmet that is 16 years old or older in the district's football program. A district shall ensure that each football helmet used in the district's football program that is 10 years old or older is reconditioned at least once every two years.

A district shall maintain and make available to parents of students enrolled in the district documentation indicating the age of each football helmet used in the district's football program and the dates on which each helmet is reconditioned.

Education Code 33.094(a)-(c)

Steroid Testing

The UIL shall adopt rules for the annual administration of a steroid testing program under which high school students participating in an athletic competition sponsored or sanctioned by the league are tested at multiple times throughout the year for the presence of steroids [see FNF].

Results of such steroid tests are confidential and, unless required by court order, may be disclosed only to the student and the student's parent and the activity directors, principal, and assistant principals of the school attended by the student.

Education Code 33.091(d)-(e)

Cardiac Assessment

A district must provide a district student who is required under UIL rule or policy to receive a physical examination before being allowed to participate in an athletic activity sponsored or sanctioned by the UIL, information about sudden cardiac arrest and electrocardiogram testing and notification of the option of the student to request the administration of an electrocardiogram, in addition to the physical examination.

A student may request an electrocardiogram from any health-care professional, including a health-care professional provided through a district program, provided that the health-care professional is appropriately licensed in Texas and authorized to administer and interpret electrocardiograms under the health-care professional's scope of practice, as establish by the health-care professional's Texas licensing act.

Immunity

These provisions do not create a cause of action or liability or a standard of care, obligation, or duty that provides a basis for a cause of action or liability against a health-care professional described in the provision, the UIL, a district, or a district officer or employee for:

1. The injury or death of a student participating in or practicing for an athletic activity sponsored or sanctioned by the UIL based on or in connection with the administration or interpretation of or reliance on an electrocardiogram; or
2. The content or distribution of the information required under these provisions or the failure to distribute the required information.

Education Code 33.096

Safety of Official

A district that holds an extracurricular athletic activity or a UIL athletic competition on district property shall provide a peace officer, a school resource officer, an administrator, or security personnel to ensure the safety of a referee, judge, or other official of the activity or competition until the official departs district property if:

1. A participant or spectator of the activity or competition engages in, attempts to engage in, or threatens violent conduct against the official or otherwise disrupts the duties or free movement of the official; or
2. The district reasonably suspects that an incident described above may occur at the activity or competition.

Education Code 33.099

[For information regarding the suspension of an individual who causes bodily injury to an official, see Suspension for Certain Conduct Involving Extracurricular Officials and Spectator Suspension, below.]

Interscholastic Athletic Competition Based on Biological Sex

An interscholastic athletic team sponsored or authorized by a district may not allow a student to compete in an interscholastic athletic competition sponsored or authorized by the district that is designated for the biological sex opposite to the student's biological sex as correctly stated on the student's official birth certificate, as described below, or if the student's official birth certificate is unobtainable, another government record.

Exception

An interscholastic athletic team sponsored or authorized by a district may allow a female student to compete in an interscholastic athletic competition that is designated for male students if a corresponding interscholastic athletic competition designated for female students is not offered or available.

Birth Certificate Statement

For purposes of this provision, a statement of a student's biological sex on the student's official birth certificate is considered to have correctly stated the student's biological sex only if the statement was entered at or near the time of the student's birth or modified to correct any type of scrivener or clerical error in the student's biological sex.

Education Code 33.0834

Water Activities

Definitions

“Body of water” means an artificial or natural body of water, including a swimming pool, lake, or river, typically used for recreational swimming, bathing, or play. The term does not include a wading pool.

“Child” means an individual younger than 12 years of age.

“Organized water activity” means an activity an organization conducts in which a participant will enter or travel on a body of water as part of the activity.

“Wading pool” means a pool, including a pool that contains a public interactive water feature and fountain as defined by department rule, with a maximum water depth of not more than 18 inches.

Parent Affirmation

An organization, including a school, that authorizes a child to engage in an organized water activity shall require the child’s parent or legal guardian to affirm in writing whether the child is able to swim or is at risk of injury or death when swimming or otherwise accessing a body of water.

Flotation Device Required	The organization shall provide to each child who is unable to swim or is at risk of injury or death when swimming or otherwise entering a body of water a properly fitted and fastened Type I, II, or III United States Coast Guard approved personal flotation device or a device the executive commissioner of Texas Health and Human Services determines is equivalent. The organization shall ensure the child is wearing the personal flotation device and the device is properly fitted and fastened for the child. The organization is not required to provide a child with a flotation device or ensure the child is wearing the device if the child is actively participating in swim instruction or a competition and the organization ensures each child participating in the instruction or a competition is closely supervised during the instruction or competition.
Failure to Comply	An organization that violates this provision or rules adopted under this provision is subject to disciplinary action. *Health and Safety Code 341.0646(a)-(e)*
Rodeos	This section applies only to a primary or secondary school that sponsors, promotes, or otherwise is associated with a rodeo in which children who attend the school are likely to participate. “Rodeo” means an exhibition or competition, without regard to whether the participants are compensated, involving activities related to cowboy skills, including: 1. Riding a horse, with or without a saddle, with the goal of remaining on the horse while it attempts to throw off the rider; 2. Riding a bull; 3. Roping an animal, including roping as part of a team; 4. Wrestling a steer; and 5. Riding a horse in a pattern around preset barrels or other obstacles.
Educational Program	A primary or secondary school to which this section applies shall, before the first rodeo associated with the school in each school year, conduct a mandatory educational program on safety, including the proper use of protective gear, for children planning to participate in the rodeo, in accordance with 25 Administrative Code 104.4. The educational program may consist of an instructional video, subject to the Department of State Health Services approval.

Restriction on Participation	A child may not participate in a rodeo associated with the child's school during a school year unless the child has completed the educational program not more than one year before the first day of the rodeo.
Protective Gear for Bull Riding	A child may not engage in bull riding, including engaging in bull riding outside a rodeo for the purpose of practicing bull riding, unless the child is wearing a protective vest and bull riding helmet in accordance with 25 Administrative Code 104.3.
	Health and Safety Code 768.001(6), .003; 25 TAC 104.2-.4
Eligibility	A student otherwise eligible to participate in an extracurricular activity or a UIL competition is not ineligible because the student is enrolled in a course offered for joint high school and college credit, or in a course offered under a concurrent enrollment program, regardless of the location at which the course is provided. *Education Code 33.087*
Military Dependents	The district shall facilitate the opportunity for transitioning military children's inclusion in extracurricular activities, regardless of application deadlines, to the extent they are otherwise qualified. *Education Code 162.002 art. VI, § B* [See FDD]
Attendance and Participation	The State Board of Education (SBOE) by rule shall limit participation in and practice for extracurricular activities during the school day and the school week. The board of a district may adopt a policy establishing the number of times a student who is otherwise eligible to participate in an extracurricular activity may be absent from class to participate in an extracurricular activity sponsored or sanctioned by the district, UIL, or an organization sanctioned by board resolution. The policy must permit a student to be absent from class at least 10 times during the school year, and the policy prevails over any conflicting policy adopted by the SBOE. *Education Code 33.081(a), .0811*
SBOE Rules	The following provisions apply to any UIL activity. Other organizations requiring student participation that causes a student to miss a class may request sanction from a board. If sanctioned by resolution of the board, student participation in the organization's activities shall be subject to all provisions of statute and to 19 Administration Code 76.1001. If a board does not grant sanction, any absences incurred by a student while participating with that organization's activities shall be subject to the attendance provisions of the Education Code. *19 TAC 76.1001(f)* [See FEB]

Extracurricular Activities

An extracurricular activity is an activity sponsored by the UIL, a board, or an organization sanctioned by board resolution. The activity is not necessarily directly related to instruction of the essential knowledge and skills but may have an indirect relation to some areas of the curriculum.

Extracurricular activities include, but are not limited to, public performances, contests, demonstrations, displays, and club activities. In addition, an activity is subject to this policy if any one of the following criteria applies:

1. The activity is competitive;
2. The activity is held in conjunction with another activity that is considered extracurricular;
3. The activity is held off-campus, except in a case in which adequate facilities do not exist on campus;
4. The general public is invited; or
5. An admission is charged.

Exceptions

Public Performances

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved course that requires demonstration of the mastery of the essential knowledge and skills in a public performance, may participate in the performance if:

1. The general public is invited; and
2. The requirement for student participation in public is stated in the essential knowledge and skills of the course.

State-Approved Music Courses

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved music course that participates in UIL Concert and Sight-Reading Evaluation, may perform with the ensemble during the UIL evaluation performance.

19 TAC 76.1001(a)

Limits on Participation and Practice

During the School Week

Limitations on practice, rehearsal, and student participation during the school week shall be as follows:

1. For any given extracurricular activity, a student may not participate in more than two activities per school week, excluding holidays, except as provided in item 2, below.
2. A student may also participate in a tournament or post-district contest, as well as a contest postponed by weather or public disaster that may determine advancement to a post-district level of competition.

3. For each extracurricular activity, a district must limit students to a maximum of eight hours of practice and rehearsal outside the school day per school week.

4. The commissioner recommends that districts avoid scheduling extracurricular activities or public performances on the day or evening immediately preceding the day on which the statewide student assessment program is scheduled for grades 3-11.

19 TAC 76.1001(d); Education Code 33.081(a)

During the School Day

Limitations on practice and rehearsal during the school day shall be as follows:

1. A district must limit a student to one period of practice during the regularly scheduled school day for practice of extracurricular activities, such as athletics, drill team, or cheerleading.

2. The limit in item 1 does not prohibit a student from enrolling in any state-approved class. A student who is enrolled in a state-approved class that includes essential knowledge and skills that relate to the preparation for an extracurricular activity may practice that extracurricular activity for no more than one period during the school day.

3. A student may not be permitted to miss a scheduled academic class to practice for an unrelated extracurricular activity.

4. A district must limit extracurricular practice during the school day to ensure that class periods for extracurricular practice do not exceed the time allotted for other class periods.

5. Regardless of the schedule type in place (traditional or nontraditional), a school may elect to practice extracurricular activities daily, provided the total minutes allowed for the extracurricular practice is not greater than 300 minutes during the school week.

19 TAC 76.1001(e); Education Code 33.081(a)

Record of Absences

A district shall maintain an accurate record of extracurricular absences for each student in the district each school year. *19 TAC 76.1001(c)*

Students Receiving Outpatient Mental Health Services

A district may not adopt or enforce policies that restrict participation in UIL activities by a student who receives outpatient mental health services from a mental health facility and is enrolled in the district or otherwise receives public education services from a district based solely on the student's receipt of outpatient mental health

services from a mental health facility or the student's absence during instructional time while receiving outpatient mental health services from a mental health facility.

This provision does not exempt a student to whom this section applies from any eligibility requirement for participation in UIL activities other than an eligibility requirement based solely on the criteria of receipt of outpatient mental health services from a mental health facility.

Education Code 33.0833(c)-(d)

Participation by Homeschooled Students

Except as provided below, a public school that participates in an activity sponsored by UIL shall provide a non-enrolled student, who otherwise meets UIL eligibility standards to represent that school in a UIL activity, with the opportunity to participate in the activity on behalf of the school in the same manner that the school provides the opportunity to participate to students enrolled in the school.

Not later than the date specified under UIL rule, the board may adopt a policy declining to grant non-enrolled students the opportunity to participate in UIL activities.

"Non-enrolled student" means a student who receives instruction as a homeschooled student as described by Education Code 29.916(a)(1) from a nonpublic school [see EK].

[For requirements specific to participation in Junior Reserve Officers' Training Corps by homeschooled students, see EEL.]

Relevant Policies

A non-enrolled student who seeks to participate or participates in a UIL activity on behalf of a school is subject to the following relevant policies that apply to students enrolled in the school:

1. Registration for UIL activities;
2. Age eligibility;
3. Fees;
4. Insurance;
5. Transportation;
6. Physical condition;
7. Qualifications;
8. Responsibilities;
9. Event schedules;
10. Standards of behavior; and

11. Performance.

Residency Requirements

Except as provided below, a non-enrolled student may only participate in a UIL activity for the school in the district that the student would be eligible to attend based on the student's residential address. A non-enrolled student who seeks to participate in a UIL activity on behalf of a school shall be required to establish minimum proof of residency acceptable to the district in the same manner as an applicant to attend a school in the district under Education Code 25.001 [see FD].

If the school that a non-enrolled student would be eligible to attend is subject to a policy declining to grant non-enrolled students the opportunity to participate in UIL activities, the student may participate in a UIL activity for the closest school, based on geographic proximity to the student's residential address, that is not subject to such a policy.

Academic Requirements

The parent or person standing in parental relation to a non-enrolled student is responsible for oversight of academic standards relating to the student's participation in a UIL activity. As a condition of eligibility to participate in a UIL activity during the first six weeks of a school year, a non-enrolled student must demonstrate grade-level academic proficiency on any nationally recognized, norm-referenced assessment instrument, such as the Iowa Test of Basic Skills, Stanford Achievement Test, California Achievement Test, or Comprehensive Test of Basic Skills. A non-enrolled student demonstrates the required academic proficiency by achieving a composite, core, or survey score that is within the average or higher than average range of scores, as established by the applicable testing service. A district shall accept assessment results administered or reported by a third party.

A non-enrolled student's demonstration of academic proficiency is sufficient for the school year in which the student achieves the required score and the subsequent school year.

After the first six weeks of a school year, the parent or person standing in parental relation to a non-enrolled student participating in a UIL activity on behalf of a public school must periodically, in accordance with the school's grading calendar, provide written verification to the school indicating that the student is receiving a passing grade in each course or subject being taught.

Previous Enrollment in Public School

A non-enrolled student is not authorized by this section to participate in a UIL activity during the remainder of any school year during which the student was previously enrolled in a public school.

Prohibitions

With respect to a non-enrolled student's education program, nothing in these provisions shall be construed to permit an agency of this state, a public school district, or any other governmental body to exercise control, regulatory authority, or supervision over a non-enrolled student or a parent or person standing in parental relation to a non-enrolled student beyond the control, regulatory authority, or supervision required to participate in a UIL activity.

Subject only to eligibility requirements, the curriculum or assessment requirements, performance standards, practices, or creed of the education program provided to a non-enrolled student may not be required to be changed in order for the non-enrolled student to participate in a UIL activity. Subject only to eligibility requirements, for a non-enrolled student participating in an education program on January 1, 2021, the education program provided to that student may not be required to comply with any state law or agency rule relating to that education program unless the law or rule was in effect on January 1, 2021.

UIL Classification

When assigning league classification to a public school based on student enrollment, the UIL must use the same student enrollment calculation formula for a school that allows a non-enrolled student to participate in a league activity as the formula used to determine the student enrollment of a school that does not allow a nonenrolled student to participate in the league activity.

Education Code 33.0832

UIL Allotment

For each nonenrolled student who participates in a UIL activity for a school in a district that allows participation of nonenrolled students, the district is entitled to an annual allotment of $1,500 per UIL activity in which the nonenrolled student participates. *Education Code 48.305*

Definitions

“Activity season” means the period established by a school or the UIL in which practices, rehearsals, and interschool competitions or contests take place.

“Nonenrolled student” means a student who predominantly receives instruction in a general elementary or secondary education program that is provided by the parent, or a person standing in parental authority, in or through the child’s home. This may include a student who is designated as enrolled, not in membership.

“Participation” means the active involvement of a student in a minimum of 75 percent of a combined total of practices, rehearsals, or preparation activities and associated competitions and contests, including selection as an alternate, for a specific UIL activity.

"University Interscholastic League or UIL activity" means any official UIL activity identified in the UIL Constitution and Contest Rules, not including pilot activities.

UIL activities shall:

1. Be overseen by a school district-approved coach or sponsor;
2. Provide for a minimum of four weeks of coach- or sponsor-led practice, rehearsal, or preparation specific to the activity within the designated activity season; and
3. Provide opportunities for students to take part in formal, interschool competitions or contests in the associated activity during the designated activity season.

A district may still receive the allotment if a student began the activity season without injury or illness and later experienced an injury or prolonged illness that prevented participation.

For audit purposes, a district shall maintain documentation to support the requirements of this provision.

A district will be provided with estimated funding during a school year for nonenrolled students in accordance with 19 Administrative Code 105.1031(g).

19 TAC 105.1031

Suspension from Extracurricular Activities

A student shall be suspended from participation in any extracurricular activity sponsored or sanctioned by a district or the UIL after a grade evaluation period in which the student received a grade lower than the equivalent of 70 on a scale of 100 in any academic class other than a course described below at Exempt Courses.

Length of Suspension

A suspension continues for at least three school weeks and is not removed during the school year until the conditions of Reinstatement, described below, are met. A suspension shall not last beyond the end of a school year.

Grade Evaluation Period

"Grade evaluation period" means:

1. The six-week grade reporting period; or
2. The first six weeks of a semester and each grade reporting period thereafter, in the case of a district with a grade reporting period longer than six weeks.

Education Code 33.081(c)

School Week

The school week is defined as beginning at 12:01 a.m. on the first instructional day of the calendar week and ending at the close of

instruction on the last instructional day of the calendar week, excluding holidays. *19 TAC 76.1001(b)*

Exempt Courses

The suspension and reinstatement provisions of Education Code 33.081(c) and (d) do not apply to an advanced placement or international baccalaureate course, or to an honors or dual credit course in the subject areas of English language arts, mathematics, science, social studies, economics, or a language other than English. *Education Code 33.081(d-1)*

Honors classes for purposes of eligibility to participate in extracurricular activities are listed at 19 Administrative Code 74.30(a).

Districts may identify additional honors courses in the subject areas of English language arts, mathematics, science, social studies, or a language other than English for the purposes of extracurricular eligibility but must identify such courses before the semester in which any exemptions related to extracurricular activities occur.

Districts are neither required to nor restricted from considering courses as honors for the purpose of grade point average calculation.

19 TAC 74.30

Students with Disabilities

In the case of a student with a disability that significantly interferes with the student's ability to meet regular academic standards, suspension must be based on the student's failure to meet the requirements of the student's individualized education program (IEP). The determination of whether the disability substantially interferes with the student's ability to meet the requirements of the student's IEP must be made by the admission, review, and dismissal (ARD) committee.

For the purposes of this provision, "student with a disability" means a student who is eligible for a district's special education program under Education Code 29.003(b).

Education Code 33.081(e)

Practice or Rehearsal

A student suspended under Education Code 33.081 may practice or rehearse with other students for an extracurricular activity but may not participate in a competition or other public performance. This provision does not apply to a student prohibited from participation for certain conduct involving extracurricular officials [see below]. *Education Code 33.081(f)*

Reinstatement

Until the suspension is removed or the school year ends, a district shall review the grades of a student at the end of each three-week period following the date on which the suspension began. At the

time of a review, the suspension is removed if the student's grade in each class, other than a course described above at Exempt Courses, is equal to or greater than the equivalent of 70 on a scale of 100. The principal and each of the student's teachers shall make the determination concerning the student's grades. *Education Code 33.081(d)*

Suspension for Certain Conduct Involving Extracurricular Officials

A student who is enrolled in a district in Texas or who participates in a UIL competition shall be prohibited from participation in any future extracurricular activity sponsored or sanctioned by the district or the UIL if the state executive committee of the league determines that the student intentionally, knowingly, or recklessly causes bodily injury to a person serving as referee, judge, or other official of an extracurricular activity in retaliation for or as a result of the person's actions taken in performing the duties of a referee, judge, or other official of the extracurricular activity.

Reinstatement After Conduct

A student prohibited from participation may submit to the UIL a request that the student be permitted to participate in future extracurricular activities sponsored or sanctioned by the UIL. The request must be submitted at least one year after the date the student engaged in the conduct that resulted in the prohibition if the student was enrolled in eighth grade or below at the time of the conduct or two years after the date the student engaged in the conduct that resulted in the prohibition if the student was enrolled in ninth grade or above at the time of the conduct.

Education Code 33.081(e-1)-(e-2)

Spectator Suspension

A district shall prohibit a spectator of an extracurricular athletic activity or competition, including a parent or guardian of a student participant, from attending any future extracurricular athletic activity or competition sponsored or sanctioned by the district or the UIL if the spectator engages in conduct that intentionally, knowingly, or recklessly causes bodily injury to a person serving as referee, judge, or other official of an extracurricular athletic activity or competition in retaliation for or as a result of the person's actions taken in performing the duties of a referee, judge, or other official of the extracurricular athletic activity or competition.

A district may establish an appeals process by which a person may appeal the prohibition to the district and the district may determine the facts associated with the conduct for which the district imposed the prohibition.

A prohibition imposed under this provision must be for not less than one year after the date on which the prohibition is imposed

but may not exceed five years from the date on which the prohibition is imposed.

Education Code 33.081(f-1)-(f-3)

Parental Notice and Consent

A parent is entitled to full information regarding the school activities of a parent's child except as provided by Education Code 38.004 (child abuse investigations). *Education Code 26.008(a)(1)*

Anonymous Evaluations

Anonymous evaluations of a student that determine whether the student may participate in a school-related program do not provide full information about the student's school activities. A district may by policy establish the parameters for parental contact with evaluating teachers, taking into account the type of evaluation, the information elicited in the evaluation, and scheduling and workload requirements of the teachers. *Byard v. Clear Creek Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 020-R5-1001 (June 17, 2002)*

Videotaping and Recording

A district employee or contractor is not required to obtain the consent of a child's parent before the employee or contractor may videotape the child or record the child's voice if the videotape or recording is to be used only for a purpose related to a cocurricular or extracurricular activity. *Education Code 26.009(b)(2)*

Discriminatory Club

An extracurricular activity sponsored or sanctioned by a district, including an athletic event or an athletic team practice, may not take place at an athletic club located in the United States that denies any person full and equal enjoyment of equipment or facilities provided by the athletic club because of the person's race, color, religion, creed, national origin, or sex.

"Athletic club" means an entity that provides sports or exercise equipment or facilities to its customers or members or to the guests of its customers or members.

Education Code 33.082

Special Olympics Recognition

If a district allows high school students to earn a letter for academic, athletic, or extracurricular achievements, the district must allow high school students to earn a letter on the basis of a student's participation in a Special Olympics event. *Education Code 33.093*

Student Election Clerks

Unless applied toward instructional requirements [see EIA], a student who is appointed as a student election clerk under Election Code 32.0511 or as a student early voting clerk under Election Code 83.012, may apply the time served toward a service requirement for participation in a school-sponsored extracurricular activity at the discretion of the school sponsor. *Education Code 33.092*

Before-School and After-School Programs

The board may establish before-school or after-school programs for students enrolled in elementary or middle school grades. A program established under this section may operate before, after, or before and after school hours.

A student is eligible to participate in the district's before-school or after-school program if the student is enrolled in a public or private school or resides within the boundaries of the district.

A district shall conduct a request for proposals procurement process to enable the district to determine if contracting with a child-care facility that provides a before-school or after-school program, as defined by Human Resources Code 42.002, to provide the district's before-school or after-school program would serve the district's best interests. Following the request for proposals procurement process, the district may enter into a contract with a child-care facility or implement a before-school or after-school program operated by the district. If the district enters into a contract with a child-care facility, the contract must comply with the requirements of Education Code 44.031 and may not exceed a term of three years.

The board may adopt rules in accordance with Education Code 11.165 [see BAA] to provide access to school campuses before or after school hours for the purpose of providing a before-school or after-school program.

Education Code 33.9031

Mandatory Removal by a Teacher

A teacher shall remove from class and send to the principal for placement in a disciplinary alternative education program (DAEP) or expulsion, as appropriate, a student who engages in conduct described in Education Code 37.006 (removal) or 37.007 (expulsion). [See FOC and FOD] *Education Code 37.002(d)*

Routine Referral

A teacher may send a student to the campus behavior coordinator's (CBC) office to maintain effective discipline in the classroom. The CBC shall respond by employing appropriate discipline management techniques, consistent with the Student Code of Conduct that can reasonably be expected to improve the student's behavior before returning the student to the classroom. If the student's behavior does not improve, the CBC shall employ alternative discipline management techniques, including any progressive interventions designated as the responsibility of the CBC in the Student Code of Conduct. *Education Code 37.002(a)* [See FO]

Discretionary Removal

A teacher may remove from class a student who:

1. Repeatedly interferes with the teacher's ability to communicate effectively with the students in the class or with the ability of the student's classmates to learn;
2. Demonstrates behavior that is unruly, disruptive, or abusive toward the teacher, another adult, or another student; or
3. Engages in conduct that constitutes bullying, as defined by Education Code 37.0832 [see FFI].

Education Code 37.002(b)

Subject to requirements related to teaching and discussing certain debated and controversial topics under Education Code 28.0022(a)(2) and (d) [see EMB], a teacher may remove a student from class based on a single incident of behavior described above. *Education Code 37.002(b-3)*

Reporting Classroom Removals

A student who is sent to the campus behavior coordinator's or other administrator's office under a routine referral or a discretionary removal, as described above, is not considered to have been removed from the classroom for the purposes of reporting data through the Public Education Information Management System (PEIMS) or other similar reports required by state or federal law. *Education Code 37.002(e)*

[See DNA for information about teacher evaluations and disciplinary referrals.]

A teacher, campus behavior coordinator, or other appropriate administrator shall notify a parent of a student of the removal of a student from class described above. *Education Code 37.002(b-2)*

Placement of Student

If a teacher removes a student from class under the provisions above, the principal may place the student in another appropriate classroom, in-school suspension, or DAEP [see FOC]. *Education Code 37.002(c)*

Conference by Third Day Required

Not later than the third class day after the day on which a student is removed from class by the teacher under the above provision or by the school principal or other appropriate administrator under the Student Code of Conduct, the campus behavior coordinator or other appropriate administrator shall schedule a conference among the campus behavior coordinator or other appropriate administrator, a parent or guardian of the student, the teacher removing the student from class, if any, and the student. At the conference, the student is entitled to written or oral notice of the reasons for the removal, an explanation of the basis for the removal, and an opportunity to respond to the reasons for the removal. The student may not be returned to the regular classroom pending the conference. Following the conference, and whether or not each requested person is in attendance after valid attempts to require the person's attendance, the campus behavior coordinator, after consideration of the mitigating factors (see below), shall order the placement of the student for a period consistent with the Student Code of Conduct. *Education Code 37.009(a)*

Appeals

Appeal of Removal

A student may appeal the student's removal from class described above to:

1. The school's placement review committee [see Placement Review Committee, below]; or
2. The campus's threat assessment and safe and supportive school team, in accordance with a district policy providing for such an appeal to be made to the team.

Education Code 37.002(e-1)

No Appeal of Board Decision

If district policy allows a student to appeal to the board or the board's designee, a decision of the campus behavior coordinator or other appropriate administrator, other than an expulsion under Section 37.007, the decision of the board or the board's designee is final and may not be appealed. *Education Code 37.009(a)*

Placement Length

The period of the placement may not exceed one year unless, after a review, the district determines that the student is a threat to the safety of other students or to district employees. The student may

not be returned to the regular class pending the required conference. *Education Code 37.009(a)*

Mitigating Factors

The CBC must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct. *Education Code 37.009(a)*

[See Student Code of Conduct, item 4, at FO(LEGAL) for mitigating factors.]

Prohibitions on Activities

The terms of the removal may prohibit the student from attending or participating in school-sponsored or school-related activities. *Education Code 37.002(c)*

Note: A power granted to a campus principal under Education Code Chapter 37, Subchapter A may be exercised by the CBC.

Return to Class

The principal may not return the student to the class of the teacher who removed the student without the teacher's written consent, unless the placement review committee determines that such placement is the best or only alternative available and, not later than the third class day after the day on which the student was removed from class, a conference in which the teacher has been provided an opportunity to participate has been held. [See Conference by Third Day Required, above]

Return to Class Plan

The principal may not return the student to that teacher's class unless the teacher provides written consent for the student's return or a return to class plan has been prepared for that student. The principal may only designate an employee of the school whose primary duties do not include classroom instruction to create a return to class plan. A return to class plan must be created before or at the conference described by that subsection. A plan created before the conference must be discussed at the conference.

The commissioner of education shall adopt a model return to class plan for use by a district in creating a return to class plan for a student.

Education Code 37.002(c), (c-1), (c-2)

Return After Assault

If the teacher removed the student from class because the student engaged in the elements of an offense listed in Education Code 37.007(a)(2)(A) or (a)(4) (assault, sexual assault, assault against a district employee or volunteer) against the teacher, the student

may not be returned to the teacher's class without the teacher's written consent. The teacher may not be coerced to consent.

Education Code 37.002(c), (d)

Placement Review Committee

Each school shall establish a three-member committee to determine the placement of a student when a teacher refuses the return of a student to the teacher's class. The committee shall make recommendations to the district regarding readmission of expelled students.

Composition

Committee members shall be appointed as follows:

1. Campus faculty shall choose two teachers to serve as members and one teacher to serve as an alternate member; and
2. The principal shall choose one member from the professional staff of a campus.

The teacher refusing to readmit the student may not serve on the committee.

Education Code 37.003

Right to Appeal

The principal, campus behavior coordinator, or other appropriate administrator shall notify a student who has been removed from class and the student's parent of the student's right to appeal the decision of the committee. [See Appeals, above] *Education Code 37.002(f-1)*

Removal by School Bus Driver

The driver of a school bus transporting students to or from school or a school-sponsored or school-related activity may send a student to the principal's office to maintain effective discipline on the school bus.

The principal shall respond by employing appropriate discipline management techniques consistent with the Student Code of Conduct.

Education Code 37.0022

Trespass

An unauthorized person who trespasses on the grounds of a school district commits a Class C misdemeanor. *Education Code 37.107*

Refusal of Entry or Ejection of Unauthorized Persons

A school administrator, school resource officer, or school district peace officer may refuse to allow persons to enter on or may eject a person from property under the district's control if the person refuses to leave peaceably on request and:

1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting and, except as provided below:
    a. The administrator, resource officer, or peace officer issues a verbal warning to the person that the person's behavior is inappropriate and may result in the person's refusal of entry or ejection; and
    b. The person persists in that behavior.

The verbal warning and person’s persistence in the behavior described at item 2 are not required for a person serving as a referee, judge, or other official of an extracurricular athletic activity or competition sponsored or sanctioned by the school district or the University Interscholastic League to eject a spectator from the extracurricular athletic activity or competition.

Identification may be required of any person on property under the district’s control.

A district shall maintain a record of each verbal warning issued, including the name of the person to whom the warning was issued and the date of issuance.

At the time a person is refused entry to or ejected from a school district's property, the district shall provide to the person written information explaining the appeal process.

If a parent or guardian of a child enrolled in a school district is refused entry to the district’s property, the district shall accommodate the parent or guardian to ensure that the parent or guardian may participate in the child’s admission, review, and dismissal committee or in the child’s team established under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794), in accordance with federal law.

The term of a person's refusal of entry to or ejection from a school district's property under this section may not exceed two years.

A district shall post on the district's website and each district campus shall post on any campus website a notice regarding these provisions, including the appeal process.

The board shall adopt a policy that uses the district's existing grievance process [see FNG, GF] to permit a person refused entry to or ejected from property controlled by the district to appeal such refusal of entry or ejection. The policy must permit a person appealing under this section to address the board in person within 90 days of the commencement of the appeal, unless the appeal is granted before the board considers the appeal.

The board's decision to grant or deny an appeal under this section is final and may only be further appealed under the applicable provisions of Education Code 7.057.

Education Code 37.105; 19 TAC 103.1207

[For information on visitor requirements, including requesting identification, see GKC.]

Vehicles on School Property

A board may bar or suspend a person from driving or parking a vehicle on any school property as a result of the person's violation of any rule or regulation promulgated by the board or set forth in Education Code Chapter 37, Subchapter D. [See CLC] *Education Code 37.106*

Disruption of Lawful Assembly

A person commits a Class B misdemeanor if the person, alone or in concert with others, intentionally engages in disruptive activity on the campus or property of a public school.

Disruptive activity means:

1. Obstructing or restraining the passage of persons in an exit, entrance, or hallway of any building without the authorization of the administration of the school;

2. Seizing control of any building or portion of a building to interfere with any administrative, educational, research, or other authorized activity;

3. Preventing or attempting to prevent by force or violence or the threat of violence any lawful assembly authorized by the school administration so that a person attempting to participate in the assembly is unable to participate due to the use of force or violence or due to a reasonable fear that force or violence is likely to occur;

4. Disrupting by force or violence or the threat of force or violence a lawful assembly in progress; or

5. Obstructing or restraining the passage of any person at an exit or entrance to the campus or property or preventing or attempting to prevent by force or violence or by threats thereof the ingress or egress of any person to or from the property or campus without the authorization of the administration of the school.

Free Speech

This provision shall not be construed to infringe upon any right of free speech or expression guaranteed by the constitutions of the United States or the state of Texas.

Education Code 37.123

Disruption of Classes
