

Memo

To: Dr. Karla Guseman
CC: Board of Education
From: Dr. Ilandus Hampton
Date: April 21, 2026
Re: Award Bids: Joliet Central and Joliet West Roofing Projects

Part of the Master Facilities Plan included investigating the conditions of the roofs in the district. The results showed either the roofs must be restored or replaced. The current recommendations are for the roofs that need to be restored. The other roofs will be addressed through construction projects. The project was bid and purchased through Omnia, a Purchasing Cooperative which is a State approved bidding process.

Joliet Central – Field House; \$1,115,314
Joliet West – Field House; \$984,807
Joliet West – Roof Section E; \$94,963
Joliet West – Roof Section F; \$216,956
Joliet West, Roof Section H; \$307,605
Project Contingency; \$50,000

Total Project Cost: \$2,766,645

The projects will be funded by the construction fund.

The administration recommends the Board of Education approve hiring DCG Roofing Solutions contract totals as presented.
