CIP Highlights 2025-2026

Student Success

Goal 1: In grades K-8, at least 58% of students in Lyon County School District will meet or exceed their personal typical growth in math and reading from the Beginning of Year (BOY) assessment to the End of Year (EOY) iReady assessment during the 2025/2026 school year.

Results: Did not meet goal

- 57% of RES students met their typical growth goal for reading and 54% of students met their typical growth for math. This is an improvement from the 24-25 school year.

Goal 2: Lyon County School District will increase the total number of K-12 work-based learning opportunities provided to all students by 10% from the 2024/2025 school year to the 2025/2026 school year.

Results: Met goal

Goal 3: Lyon County School District will increase the total number of students participating in K-12 work-based learning opportunities by 10% from the 2024/2025 school year to the 2025/2026 school year.

Results: Met goal

Adult Learning Culture

100% of gen ed teachers will participate in vertical collaboration around reading interventions and creating fluid intervention reading groups.

Results: Met goal

Connectedness

Lyon County School District will reduce the chronic absenteeism rate by 10% from the 2024/2025 school year to the 2025/2026 school year.

Results: Met goal

- RES's chronic absenteeism rate was reduced by over 33%, from 18.6% during the 24-25 school year to 12.1% in the 25-26 school year
