

Date: August 10th, 2026
To: East Aurora School District 131 Board of Education
From: Andrew Allen- Assistant Superintendent of Operation
Subject: GCC- Playground Accessibility Improvements

BACKGROUND

Installed in 2014, the Aries Gonzalez Child Center playground no longer meets the evolving needs of our student body. Updating the play space to be handicapped accessible will ensure that every child can fully participate and feel included during outdoor play.

SUMMARY

Integrating accessible playground equipment directly supports educational equity by extending learning opportunities beyond the classroom walls, ensuring every child has equal access to the crucial developmental benefits of play. Outdoor play is not merely a break from academic instruction; it is a fundamental context where children develop essential cognitive, physical, and social-emotional skills like problem-solving, motor coordination, empathy, and collaboration.

FINANCIAL IMPACT

This purchase is being made under the state cooperative purchasing contract.

Grants Funds:

- IDEA Grant- \$43,000
- ELG Preschool for All- \$74,647

District Funds:

- \$3,312.21

RECOMMENDATION

It is recommended that the Board of Education approve the GCC-Playground Accessibility Improvement Plans as presented, to Kompan Inc, in the amount of \$120,959.21.
