End 1- Academic Excellence

Every student will demonstrate strong academic achievement and meaningful individual growth, with focused attention to closing opportunity and achievement gaps for special populations using evidence and research-based practices.

Ends 2- Mindful Tech

Students, educators, and district leadership will use technology purposefully and responsibly, limiting screen time to technology that will complement, rather than replace, meaningful human interaction and essential skill development.

Ends 3- Thriving Educator Community

The District will attract, retain, and support a high-quality, diverse, and thriving educator workforce by prioritizing accessible workforce housing solutions that enable members to live, work, and contribute meaningfully to the Steamboat Springs community.
