Re: Board Report August 2026

Portrait of a Graduate

- CHS staff spent two days of professional development focused on building collective efficacy, strengthening our ability to work collaboratively as a team, and developing shared practices to better support students.

Engagement

- CHS Counselors offered their annual senior parent meetings to kick off the school year and dive into the college application process and preview upcoming requirements for seniors after open house on August 25, 2026
- Open House this year was successful! We had high levels of attendance and excitement throughout the building all evening.
- Senior parking painting took place this past few weeks. There are some great looking spots painted in the student lot.
- New Student and International student orientation was August 27th. Andrea Cole, Smanatha McKee, Kristen Chandler and Marie Larson spent dedicated time to onboarding our new families. Enhancing this year's orientation, SRSLY students lead school tours, introducing new students to SRSLY opportunities and community resources. The connector activity of Human Bingo-style encouraged students to interact and build connections with peers. We are excited to host 13 international students this year.

Health and Safety

- As part of our opening day PD, Greg DeGrand presented the new Standard Response Protocol to our staff for the upcoming school year. Staff were appreciative of the common language being used by schools and first responders.

Save the Dates:

- Homecoming Game- October 2nd
- Homecoming Dance- October 3rd
