

Madison Public Schools

**Facilities Department
284 Greenhill Road**

Indoor Air Quality (IAQ)

- The annual IAQ inspections are completed by maintenance staff using checklists created by the EPA.
- The 5-year HVAC inspection must be completed by a certified professional (i.e., a testing, adjusting and balancing technician, an industrial hygienist certified by the American Board of Industrial Hygiene or the Board for Global EHS Credentialing, or a mechanical engineer) and cover the criteria outlined in C.G.S. § 10-220(d)(3).
