

SECTION 7 - STUDENTS

7:330 Student Use of Buildings - Equal Access

For purposes of this Board policy, the District has established a *limited open forum* for high school students enrolled in the District.^{[c1](#)} Each District high school shall offer an opportunity for student-led *noncurriculum related student groups* to meet on school premises during *noninstructional time*. Noncurriculum related student groups are those student groups, clubs, or organizations that do not directly relate to the curriculum. For purposes of this Board policy, a *non-school sponsored* noncurriculum related student group is a noncurriculum related student group that is student led.

A student group or club is *school sponsored* if the District approves the student group or club to have a paid adult sponsor to promote, participate, and/or lead its activities. However, assigning a teacher, administrator, or other school employee to supervise a meeting for custodial purposes, allowing groups to promote meetings, and providing access to resources as determined by the District do not constitute sponsorship of the student group or club, nor does it constitute the District's endorsement or agreement with the activity or the speech of the students who participate in the activity.

Extracurricular and co-curricular student groups or clubs that are school sponsored are governed by Board policy 6:190, *Extracurricular and Co-Curricular Activities*.

Student groups or clubs directed and controlled by non-school persons are governed by Board policy 8:20, *Community Use of School Facilities*.

Student-led noncurriculum related student groups or clubs that are not school sponsored are granted free use of school premises and/or access to school resources for a meeting or series of meetings under the following conditions:

1. The meeting is held during those noninstructional times identified by the Superintendent or designee for noncurriculum related student groups, clubs, or organizations to meet. *Noninstructional time* means time set aside by the school before actual classroom instruction begins or after actual classroom instruction ends.
2. All noncurriculum related student groups that are not school sponsored receive substantially the same treatment.^{[c2](#)}
3. The student group or club and the meeting are student-initiated, meaning that the request is made by a student, and the group or club is led by a student.^{[c3](#)}

4. Student attendance at the meeting is voluntary.
5. The school and school employees will not promote, lead, participate in, or otherwise sponsor the meeting.
6. School employees are present at religious meetings only in a nonparticipatory capacity.
7. The meeting and/or any activities engaged in by the student group or club do not materially or substantially interfere with the orderly conduct of educational activities.
8. Non-school persons do not direct, conduct, control, or regularly attend the meetings.^{C4}
9. The school retains its authority to maintain order and discipline.
10. A school staff member is present in a supervisory capacity.
11. The Superintendent or designee approves the use of school premises and/or access to school resources for a meeting or series of meetings.
12. The school requires neutral content generally limited to club/group name, meeting time(s), and location(s) as well as the approval of the Building Principal or designee for all advertisements, wall postings, or flyers.^{C5}

The Superintendent or designee shall develop administrative procedures to implement this policy.

PRESSPlus Comments

- C1 This policy is rewritten based on feedback from the Ill. Council of School Attorneys to address the need for more guidance regarding what types of student-led groups are permitted free use of school premises under the Equal Access Act. Under the EAA, if a district with secondary school(s) has established a limited open forum, it is unlawful to deny equal access or a fair opportunity to, or discriminate against, any students who wish to conduct a *meeting* within that limited open forum on the basis of the religious, political, philosophical, or other content of the speech at such meetings. The term *meeting* under the EAA includes those activities of student groups which are permitted under a school's limited open forum and are not directly related to the school curriculum. This prohibition and definition under the EAA are the basis for the term of art *noncurriculum related student group*. See 20 U.S.C. §§4071(a) and 4072(3).

The policy is also updated due to recent case law updates, including E.D. by Duell v. Noblesville Sch. Dist., 151 F.4th 907 (7th Cir. 2025).

- C3 In E.D., the Court found no violation of the EAA where a school official decided to suspend a student anti-abortion club based on evidence that the club was partially run by the student's parent, and the student failed to follow the school's content-neutral flyer rules by including political messages. **Issue 122, June 2026**

- C5 The content-neutral restrictions contained in this item were upheld in E.D. The Court found, "[t]he District could reasonably conclude that covering its walls with warring political messages would undermine that order and divert attention from the business of learning."

This condition's application should be consistent with a board's adopted language in policy 8:25, *Advertising and Distributing Materials in Schools Provided by Non-School Related Entities*. **Issue 122, June 2026**
