Hello,

The Data Branch is submitting a public records request for vendor procurement records.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140)

Scope of Request:

All products from: dataminr, recorded future, and Shadow Dragon

We hope to obtain records from 2022 to now reflecting how these engagements are priced — for example, licensing or subscription structures, per-unit rates, and any associated implementation or setup fees.

Relevant records may include:

- Contracts, service agreements, and order forms
- Purchase orders involving the above vendors
- RFP or solicitation documents
- Task orders issued under cooperative purchasing agreements

To make fulfillment as easy as possible, we are willing to receive records in whatever format is most convenient, including:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records your office already keeps on hand

To the extent any portion of the requested records is exempt from disclosure, we ask that the remaining non-exempt segregable portions be released.

This request *is* for commercial purposes. We are happy to comply with all applicable policies and procedures Summit Hill School District No. 161 has in place to handle FOIA requests, and are willing to narrow down, clarify, or adjust the request to make fulfillment easier for your office.

Responsive records can be sent to Felicity Harmon at the following:

Email: felicity@databranchus.com

Phone: (302) 585-3132

Address: 1111B S Governors Ave STE 21033, Dover, DE 19904

Thank you in advance for your time and attention. If this request has reached the wrong agency or department, please let us know or forward it to the appropriate records custodian. We appreciate your cooperation.

Sincerely,

Felicity Harmon

The Data Branch Research Team

Where these records go: The Data Branch is building a national reference of public purchasing records gathered from public sources across the country. When it launches at thedatabranch.com, the app will help public agencies compare what peer agencies paid for similar products and services. Records from your agency will contribute to this shared resource. Please feel free to share it with your purchasing or finance team.
