

Cell Phone Reminder

We would like to remind families that cell phones are not allowed to be used during school hours at Illinois Valley High School.

We understand that cell phones are an important part of everyday life, but during the school day, we ask students to keep their phones put away so they can stay focused on learning and engaged with their teachers and classmates.

If you need to reach your student during the school day, please contact the school office @ 541-592-2116 and we will be happy to assist.

Thank you for partnering with us to help create a positive and focused learning environment for all of our students!

A Friendly Reminder About Our Closed Campus

Just a friendly reminder that Illinois Valley High School is a closed campus during the school day, including lunchtime.

For the safety of our students, students are expected to remain on campus during lunch. The only exception would be an emergency or when a student has received prior administrative approval to leave.

We also ask that students do not ride together in vehicles to leave campus during lunch.

We appreciate your help and support in keeping our students safe and ensuring that we are following our school procedures. Thank you for partnering with us!
