

***SPS BOND 2023
PROJECTS REPORT
09.08.2026***

HS PHASE 1 AND 2 – CONSTRUCTION PHASE

- Owner, Architect, and Constructor (OAC) meetings are scheduled as required to review construction punch list progress and coordination with upcoming installations of SPS Owner provided equipment and systems.
- Willowbrook is continuing to work on punch list items and addressing warranty items.
- SPS IT, Security, and FF&E Vendors are working on their respective punch list items.
- Willowbrook is anticipating receipt of a full Certificate of Occupancy for both Phase 1 and Phase 2 PA Wing from the City as all items have been corrected in the field.

HS ATHLETICS PHASE 1 CONSTRUCTION

SPS Athletics Phase 1 improvements on the existing High School campus that include new gym, weight room, wrestling, locker rooms, indoor practice spaces, outdoor practice field, and associated supports spaces. Project is in Construction Phase with monthly OAC meetings with SPS, 505 Architects and Willowbrook.
