

Action Sheet

MEETING DATE:

September 23, 2026

AGENDA ITEM:

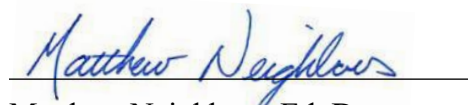

Discuss and consider the approval to use Galveston Career-Connect grant funds for tuition and expenses for high school students attending Galveston College courses in the 2026-2027 school year, for an amount not to exceed \$500,000.

The Galveston Career-Connect (GCC) Moody Grant supports both Galveston ISD and Galveston College by providing high school students with access to a wide range of college-level courses at no cost to the student. Through the support of the Moody Foundation, students participating in the GCC program are able to enroll in Galveston College courses that offer college credit and/or career-based training while attending Ball High School or other participating campuses within Galveston ISD.

These courses promote college and career readiness by equipping students with the skills and credentials necessary for post-secondary success. The GCC Grant covers the cost of tuition, registration, and related course expenses. Participating students will enroll in classes during the fall, spring, and summer terms.

RECOMMENDATION:

I move that the board approve the use of Galveston Career-Connect grant funds for tuition and expenses for high school students attending Galveston College courses in the 2026-2027 school year, for an amount not to exceed \$500,000.

Matthew Neighbors, Ed. D.
Superintendent

Dr. Annette Scott
Assistant Superintendent for Student Support
