Prairieview Elementary School September 2026 Board Report

Goal One – Learning

On our opening Institute Day, Prairieview staff members held Student Success meetings to review information on how to best support our students from Day One. Key information was shared and discussed with the primary goal of meeting our students where they are and to provide the necessary measures for a productive start to our year. Our interventionists and related service providers have started working with students to continue the progress students were making in the spring. Teams continue to utilize their common plan times to discuss instructional plans and have already shared their successes and developed their daily routines. Our fall assessment window is now open with MAP testing taking place the week of Aug. 31-Sept. 4. Data gathered through each of our initial academic measures will be reviewed and any adjustments will be made at our upcoming Fall Data Dig.

Goal Two – Whole Student Development

Our **PV Teaching and Learning Night** was a **tremendous success!** It was wonderful to welcome so many parents and guardians into Prairieview and provide a closer look at our classrooms, grade-level curriculum, and key expectations for the 2026–27 school year. We hope the evening helped families feel informed, connected, and excited about the learning ahead. Thank you to everyone who was able to join us for the event and for your continued partnership and support. Working together, we are confident this will be a fantastic year for all of our Panthers!

Goal Three – Environment

We are off to a wonderful start to the 26-27 school year! Our PV staff welcomed students and families to the school year in August at our Meet the Teacher and Supply Drop Off events. As we officially got up and running on August 21, we have been focusing on building positive relationships, establishing routines, and helping every student feel connected and ready to learn. Our schoolwide theme, “Believe,” reflects our shared commitment to students, to each other, and to creating our best year ever!.

Our Team 66 Green and Gold Run fundraiser has already been a tremendous encouragement and highlighted the generosity of our families. We are so grateful for the collective efforts of our staff and students as well as the strong partnership with our families and the Center Cass community which have all helped to make this a positive beginning to our school year together! **Prairieview Pride!!!**
