Board Meeting Agenda

The Board chair and superintendent will prepare an agenda for all regular meetings of the Board. The Board chair may seek assistance from another Board member. Items of business may be suggested by any Board member, staff member, student or patron of the district by notifying the Board chair or superintendent at least ten working days prior to the meeting. The agenda will include the principal subjects anticipated to be considered at the meeting and be specific enough to permit the public to recognize the matters in which they are interested. When the agenda includes an executive session, the agenda shall identify the specific statutory citation and appropriate subsection and paragraph authorizing the executive session, as well as a general description of the statutory authorization. (See Board policy BDC – Executive Sessions for additional information.)

The Board may amend the agenda during a meeting by a majority vote of the Board. This includes adding items to the agenda during the meeting.

A consent agenda may be used by the Board. The consent agenda will consist of routine business that requires action but not necessarily discussion. These items may all be voted on and approved at the same time. An item on the consent agenda will be removed from the consent agenda upon request of a Board member and a majority vote of the Board prior to the consent agenda's consideration. The item removed from the consent agenda will then be placed on the regular agenda.

The agenda, together with supporting materials, will be distributed to Board members at least three working days prior to the meeting. A copy of the agenda will be posted on the district website at least 48 hours prior to any regular meeting and 24 hours prior to any special meeting.

The district will ensure equally effective communications are provided to qualified persons with disabilities, upon request, as required by the Americans with Disabilities Act.

Copies of the agenda for the press and public will not contain any confidential information included in Board member packets.
